Sr. Scientist Global Nu Skin R&D

# NEW PRODUCT

- ageLOC Rejuvenating Gel Mask

# AGELOC REJUVENATING GEL MASK

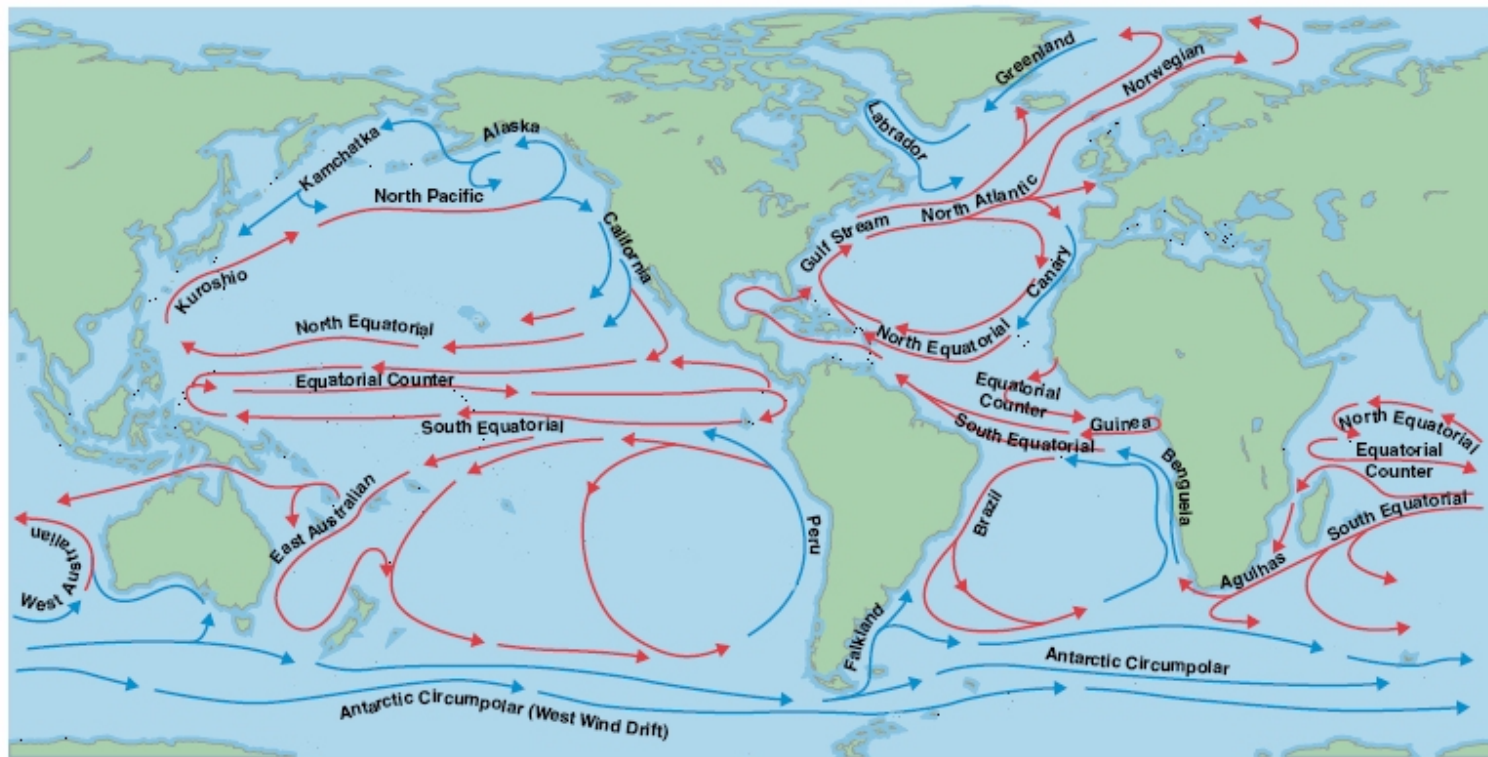

- ageLOC targets the sources of aging to preserve the look of youth and reduce the appearance of aging.
  - Vitamin E
  - Sandalwood
  - Ingredients targeting the same YGCs as the Transformation System

# AGELOC REJUVENATING GEL MASK

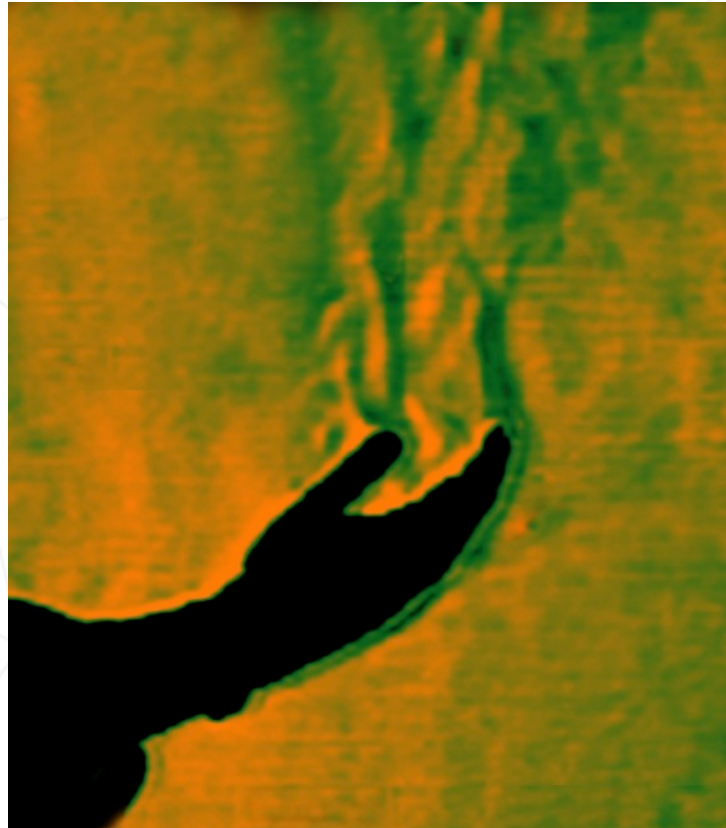

- Enhances skin hydration, and leaves skin feeling incredibly soft, and refreshed
- Cleanse face, apply 5 minutes, remove
- For optimized experience, use before a Facial Spa session.

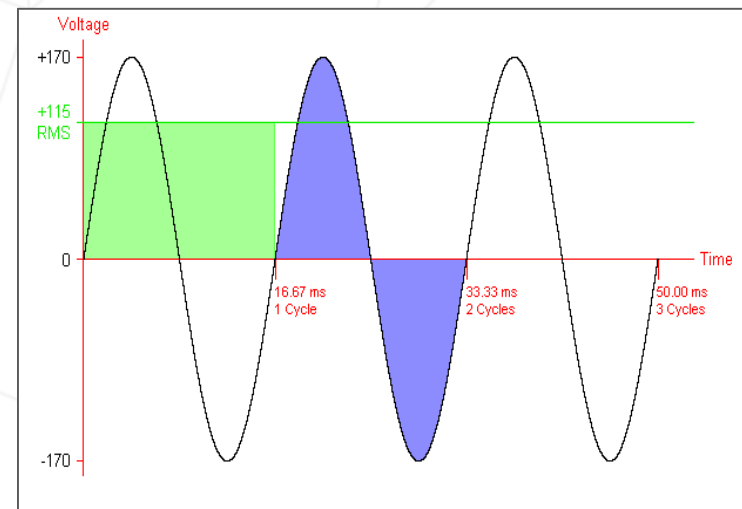

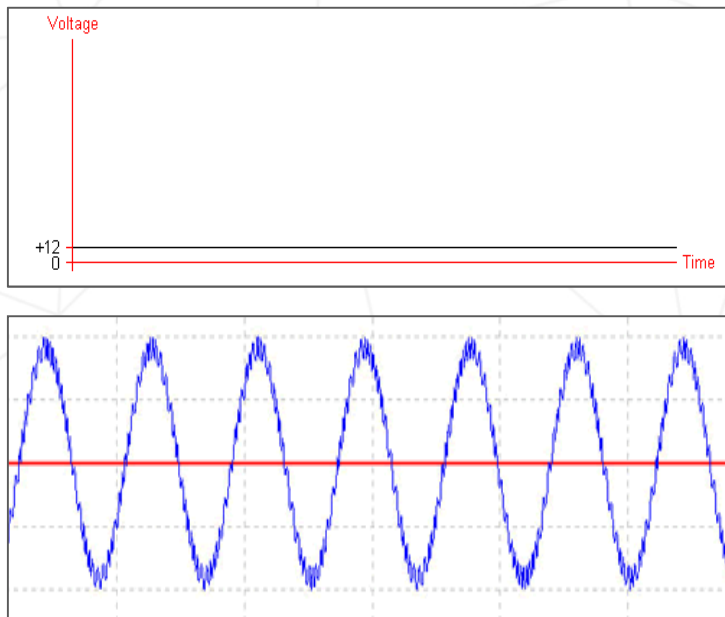

→ Warm-water current
 → Cold-water current

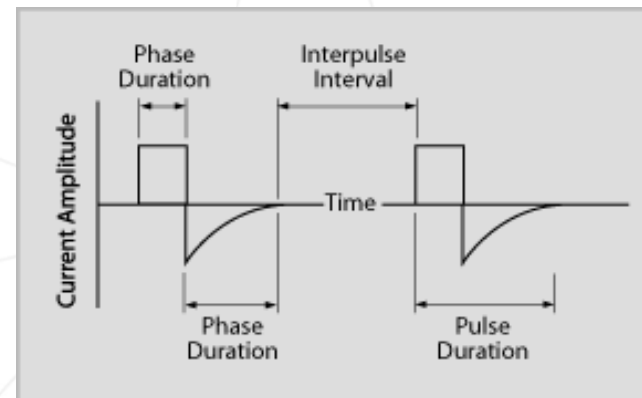

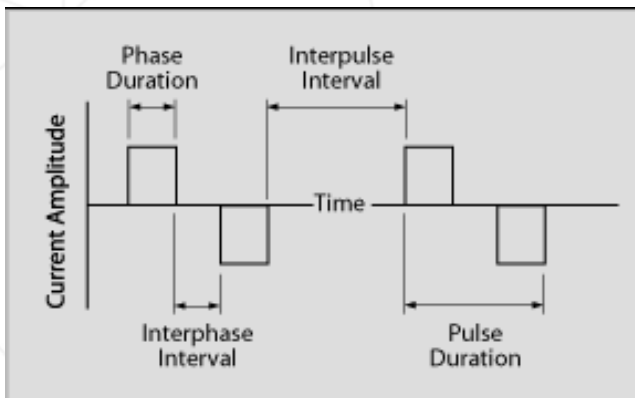

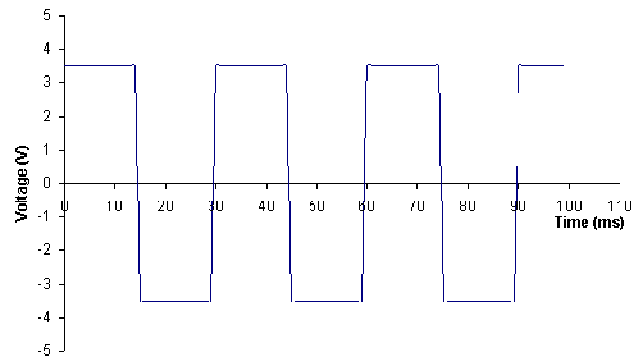

# MICROCURRENTS

# MICROCURRENT BASED TECHNOLOGY

# MICROCURRENTS FOR AESTHETICS

FDA Cleared as a Class II  
Medical Device  
For Cosmetic Use

# NEW PRODUCT

- Nu Skin Facial Spa
- Nu Skin Conductive Gel

# NU SKIN FACIAL SPA

- Comes with two conductors
  - Large conductor for full face treatment
  - Small conductor for targeted treatment

# NU SKIN CONDUCTIVE GEL

- Facilitates conductivity of Nu Skin Facial Spa micro-current and provides a lubricating electro-conductive medium
- Helps Facial Spa glide across the skin.
- Simple use – only one gel

# NU SKIN FACIAL SPA

- Uses microcurrent technology to improve facial skin tone
- Stimulates skin for improved appearance
- Can demonstrate benefits with half-face demo!

## POSSIBLE MECHANISMS FOR BENEFIT

- Tissue Resistivity- skin becomes more receptive to microcurrents
- Circulatory blood flow- increased fluid movement
- Connective Tissue, Collagen- facial toning
- ATP synthesis- facial stimulation

# BASIC SPA REGIMEN

- Step 1 – Cleanse & Tone
- Step 2 – Apply Nu Skin Conductive Gel to Face
- Step 3 – Conduct Spa Regimen: Session A & B
- Step 4 – Remove Gel
- Step 5 – Finish Basic Regimen

# ANTI-AGING REGIMEN

Step 1 – Cleanse & Tone

Step 2 – ageLOC Rejuvenating Gel Mask

Step 3 – Nu Skin Facial Spa System
