

NU SKIN CARES

PLEASE  AGELOC™ GLASS

Nu Skin is making efforts to reduce waste, recycle reusable materials and reward your efforts! Beginning after the pre-launch of ageLOC™ Elements, Future Serum and Transformation at the Global Celebration, the Nu Skin Provo Product Store will accept empty Nu Skin product **glass** bottles and jars. And, for **every glass bottle or jar** you turn in you will be rewarded with **one ADR point**.

By doing so, we can all work together to make a Difference for the Earth, one tube, bottle, or jar at a time.

THE DIFFERENCE DEMONSTRATED®

* We also encourage you to recycle all other Nu Skin product packages in your local communities.
