

Masks for Every Need

Nourish. Treat. Tone.

Masks serve many purposes. They can add extra hydration, draw out impurities, or even tone and firm to reduce the appearance of wrinkles. Because masks provide extended treatment time to the outer surface of the skin, they offer a simple solution to many skin care needs. Select from the Nu Skin masks to give your skin the special care it requires.

Epoch® Glacial Marine Mud™

Nurtures and renews skin. Featuring zinc and sea botanicals to revitalize skin, this mud mask removes dead skin cells and draws out excess oil and impurities. Nu Skin offers three ways to customize Glacial Marine Mud with Epoch Rare Earths™ Mineral Infusions: **Clarifying**—brightens your complexion; **DeStressing**—decreases puffiness; and **Firming**—helps skin regain its youthful resiliency.

Glacial Marine Mud
01 110800 6.8 oz. tube

Clarifying Mineral Infusions
01 102808 12 packets (.035 oz. each)

DeStressing Mineral Infusions
01 102806 12 packets (.035 oz. each)

Firming Mineral Infusions
01 102807 12 packets (.035 oz. each)

Face Lift™ with Activator

Instantly lifts, firms, and tones skin. Featuring two formulas—original and sensitive—this mask provides an immediate, temporary reduction in the appearance of fine lines and wrinkles.

Original Formula
01 110262 Powder and Activator
01 110263 Powder only (2.65 oz.)
01 110264 Activator only (4.2 oz.)

Sensitive Formula
01 110265 Powder and Activator
01 110266 Powder only (2.65 oz.)
01 110267 Activator only (4.2 oz.)

Clay Pack

Keeps skin looking clear. Featuring natural kaolin clay, this mask draws out oil and pore-clogging impurities, leaving skin soft and smooth.

01 110254 2.5 oz. jar

Introducing a Soothing Moisture Mask

Creamy Hydrating Masque™ Nourishing Treatment

Don't let weather or dry skin steal your natural, healthy glow. Quench your skin's thirst for moisture with Creamy Hydrating Masque. Featuring cactus extract, pine cone extract, and saccharide isomerate, this mask provides intense moisturization to dry and sensitive skin.

01 1202711 3.4 oz. tube

Quench Your Skin's Thirst

Cacti flourish in arid weather. Even in the driest environment, cutting open a cactus reveals a liquid reservoir. This is because it is efficient at retaining what little moisture it receives. Utilizing the moisture-retaining ability of cactus extract, **Nu Skin Creamy Hydrating Masque™ Nourishing Treatment** helps your skin stay moist and radiant, bringing out a natural dewy glow.

Saccharide isomerate—a hydration magnet—and pine cone extract also

help reduce dryness, binding moisture to the skin. Thick and rich, Creamy Hydrating Masque can be used two to three times a week to hydrate and soothe dry or sensitive skin.
