## Good to Great

Why do some people make the leap to greatness, and others don't? According to Collins and his research team, good is the enemy of great. This is one of the key reasons why only a few become great. We don't have a great school, principally because we have a good school. Few people attain great lives, in large part because it is just so easy to settle for a good life. Is the disease of "just being good" incurable?

Undaunted curiosity. We can change the way we are now with a little extra effort—by keeping an unsatisfied curiosity. Be it attaining a great life, or healthier skin. Good-to-great transformations never happen in one fell swoop; it is a process that works over the long haul.

Prepare yourself for a truly transformational experience. Featuring a powerful line-up of four products, ageLOC™ Transformation is our most advanced anti-aging system ever, delivering unsurpassed anti-aging benefits.
