

TULONG BALIK ESKWELA 2015

A Force for Good Back-to-School Supplies Drive for the benefit of CHILD Foundation Inc.

5 June 2015 (Friday), 10:00 AM - 12:00 NN at the ERC Room 220 of the Philippine General Hospital

We encourage you to champion the right to education by taking part in our Force for Good Tulong Balik Eskwela 2015--a school supplies drive for the benefit of CHILD kids diagnosed with life-threatening CHD (Congenital Heart Disease). Get to know them on the turnover program on June 5, 2015, and spend Force for Good day by being a light of hope to these brave children, equipping them with what they need for their schooling. Be inspired to help even more as we tour the Pediatric-Cardiology Ward after the program, to meet the confined patients and see the status of the institution that we support. Here's how:

1. Purchase the FFG Tulong Balik Eskwela 2015 ticket for Php 600 each (inclusive of school bag and school supplies for one (1) child, and donor lunch). Tickets are available in all Walk-in Centers starting May 7, 2015.

School supplies include:

- Notebooks
- Writing pad
- Plastic and brown envelopes
- Writing materials
- Lunchbox
- School bag
- And many more!

2. Write your name on the sticker that comes with your FFG ticket, and stick it on the pledge banner at our Ortigas Walk-in Center, signifying your commitment to helping the kids of CHILD through Tulong Balik Eskwela. You can also put the sticker on the banner during the turnover program.

3. Join us for the official supplies turnover program on June 5, 2015 at the Philippine General Hospital (PGH), and get ready to enjoy an afternoon with the kids of CHILD as well as tour the pediatric ward of PGH.
