Chapter 1 Your Brand Affiliate Account

1 Becoming a Brand Affiliate

1.1 Applying to Become a Brand Affiliate

You may apply to become a Brand Affiliate by completing, signing, and returning an online or hardcopy Brand Affiliate Agreement to the Company. You are not required to purchase any Products or materials to become a Brand Affiliate.

You can have access to a Business Portfolio from the Company's website, which contains the Policies and Procedures, the Sales Compensation Plan, a Brand Affiliate Agreement, a Business Entity Form, a Joint Participation Form and other sales and demonstration materials to assist you in starting and conducting your independent business.

1.2 One Individual per Brand Affiliate Account

Only one individual may apply for a Brand Affiliate Account and submit a Brand Affiliate Agreement to the Company. If the individual also wants to include a spouse or Co-habitant on the Brand Affiliate Agreement, then the spouse or Co-habitant may also be included on the Brand Affiliate Agreement. Except for the addition of spouses or Co-habitants or as otherwise provided in a specific Authorized Market, if more than one Person wants to participate in a Brand Affiliate Account, then the Persons must apply either as a Business Entity or as a Brand Affiliate Account with joint participation as set forth in Sections 1.10 and 1.10A of this Chapter 1 respectively.

1.3 Age Requirements

You must be at least 18 years old to become a Brand Affiliate.

1.4 Minors

(Not Applicable)

1.5 Legal Residency

Your Brand Affiliate Agreement must be filed and your Brand Affiliate Account maintained in the market where you are a legal resident or citizen and where you have a legal right to do the business. If you are unable to prove your legal residency, citizenship, or legal right to do business in the market where you have filed your Brand Affiliate Agreement, the Company may declare your Brand Affiliate Agreement void from its inception. You may only file to be a Brand Affiliate in an Authorized Market.

1.6 Former Brand Affiliates

If you have been a Brand Affiliate you may only apply to become a new Brand Affiliate under your original Sponsor unless you meet the criteria in Section 3.3 of this Chapter 1 for signing up under a new

Sponsor.

1.7 Spouses and Co-habitants

If the spouse or Co-habitant of a Brand Affiliate wants to become a Brand Affiliate, the spouse or Co-habitant must be added to the Brand Affiliate Account previously formed by the other spouse or Co-habitant. If the spouse or Co-habitant of a former Brand Affiliate wants to become a Brand Affiliate, then the spouse or Co-habitant must apply to become a Brand Affiliate under the Sponsor of the spouse's or Co-habitant's former Brand Affiliate Account unless the applicable inactive period regarding Business Activity of the former Brand Affiliate has lapsed as set forth in Section 3.3 of this Chapter 1.

1.8 Acceptance of your Brand Affiliate Agreement

The Company reserves the right to reject any application for a Brand Affiliate Account at its own discretion. You become an approved Brand Affiliate upon the acceptance and processing of your Brand Affiliate Agreement by the Company. In the event the Company gets more than one Brand Affiliate Agreement from an applicant, the first Brand Affiliate Agreement received at the corporate office in United States is the one that determines who your Sponsor is.

1.9 Tax Payer Identification Number

In compliance with the Personal Data Protection Act 2012 (No. 26 of 2012) ("PDPA"), the Company no longer collects, uses, and discloses Singapore National Registration Identity Card (NRIC) Numbers or other national identification numbers of Spouses, Co-habitants, Additional Participants, and Participants under a Business Entity. The Company continues to collect, use, and disclose the NRIC Numbers of Principal Brand Affiliates of individual Brand Affiliate Accounts, and of Brand Affiliate Accounts with Joint Participation, as required by law for tax reporting purposes. Subject to compliance with the PDPA, the Company may place a sales order or Bonus hold on your account until you provide or present your NRIC Number or any other required identity document number to the Company for verification. In the event you sign up using a Business Entity, you must provide the Business Registration Number for the Business Entity.

1.10 Business Entities

A Business Entity may apply to become a Brand Affiliate by completing, signing, and returning a Business Entity Form, signed by all the Participants, together with a Brand Affiliate Agreement. In addition, the following other requirements apply to Business Entities:

- (a) Each Participant must be a citizen or legal resident and have the legal right to do business in the market where the Business Entity's Brand Affiliate Agreement has been filed, and must be able to provide proof of such. If the Business Entity is unable to provide this proof upon the Company's request, the Company may declare the Brand Affiliate Agreement void from its inception. You should be aware that merely being listed as a member of a Business Entity does not necessarily grant you any legal right to do business;
- (b) Bonuses will be issued in the name of the Business Entity. The Company will not have any

liability to you if the Business Entity or any Participant in the Business Entity fails to allocate and pay any portion of the Bonuses received by the Business Entity among the multiple Participants in the Business Entity, or for any incorrect allocation and payment; and

- (c) One Participant will be designated as the Authorized Representative of the Business Entity and the Company may rely and act on any information provided by the Authorized Representative.

1.10A Brand Affiliate Account with Joint Participation

You may apply to add some other individual(s) as Additional Participant(s) to jointly participate in your Brand Affiliate Account by completing, signing, and returning a Joint Participation Form, signed by you as the Principal Brand Affiliate and each of the Additional Participants, together with a Brand Affiliate Agreement. In addition, the following other requirements apply to a Brand Affiliate Account with joint participation:

- (a) Each of the Additional Participants must be a citizen or legal resident and has the legal right to do business in the market where the Principal Brand Affiliate has filed his Brand Affiliate Agreement, and must be able to provide proof of such. Each of the Participants should be aware that merely being listed as an Additional Participant in your Brand Affiliate Account does not necessarily grant any legal right for that Participant to do business;
- (b) The Principal Brand Affiliate is the sole individual authorized to take any action on behalf of the Brand Affiliate Account with respect to the Brand Affiliate Agreement (including the execution of any such agreements) or any other matter relating to the Company, and that the Company shall be entitled to rely on the authority and instructions of the Principal Brand Affiliate with respect to all matters pertaining to the Brand Affiliate Agreement (including amounts payable as Bonuses thereunder) or the Company;
- (c) Each of the Additional Participants is jointly liable for the acts and omissions of any of the Participants in connection with the Brand Affiliate Account, and the Company may take action against the Brand Affiliate Account for a violation of the Policies and Procedures by any of the Participants; and
- (d) All Bonuses and other benefits generated by or attributable to the Brand Affiliate Account (including through the efforts of the Additional Participants) shall be paid or provided directly to the Principal Brand Affiliate and none of the Additional Participants, whether individually or collectively, shall have any claim against the Company with respect to such Bonuses or other benefits.

1.11 Changing to a Business Entity

If you want to change the form of your Brand Affiliate Account from an individual to a Business Entity, you may do so at any time. This change is subject to any applicable legal requirements and requires the completion and delivery of a Business Entity Form to the Company.

1.12 Temporary Accounts

(Not Applicable)

1.13 Mandatory Training

When you sign up to become a Brand Affiliate, submit a Letter of Intent (LOI), or at other stages of your Nu Skin business, the Company may require that you complete specific training or educational courses regarding the Sales Performance Plan, the Policies & Procedures, and/or other relevant topics. Such trainings and courses will be provided by the Company at no cost to you, and will not be unreasonable in length or content. If you fail to complete a training or course that has been designated as mandatory by the Company, the Company may elect to suspend your right to receive awards in accordance with Section 3.6 (e) of Chapter 6 of these policies.

2 Privacy Policy

2.1 Collection of Personal Data

The Company is aware of and responsive to your concerns regarding how information about you is collected, used and shared as a result of you becoming a Brand Affiliate. The Company respects your privacy and is committed to protecting the privacy of Brand Affiliates and complying with the PDPA. By entering into the Brand Affiliate Agreement, you are aware that your personal data will be processed by the Company in accordance with the terms and conditions set out in the Nu Skin Privacy Notice, as may be modified from time to time. Any amendment to the Privacy Notice will be published on the Nu Skin websites and will become applicable as of the date of publication. By entering into the Brand Affiliate Agreement, you hereby declare to be aware of the content of the Nu Skin Privacy Notice and accept to abide by its terms. The Nu Skin Privacy Policy may be viewed at the Company's web site at: https://www.nuskin.com/content/nuskin/en_SG/corporate/Privacy.html. You are advised to check the Company's website regularly to ensure that you have read the most recent version of the Privacy Notice.

2.2 Your collection of other Brand Affiliates' / Customers' Personal Data

As the information provided to you by customers or other Brand Affiliates may include personal data (as defined in the PDPA), you hereby agree and undertake to comply with the PDPA with respect to the treatment of such personal data and shall further comply with such reasonable directives and/or requests of the Company for the purposes of complying with the PDPA.

In particular, without being exhaustive:-

- (a) You shall inform the persons whose personal data you collect of the use for which their personal data has been collected and obtain their written consent in relation thereto;
- (b) You shall not on or after 2 January 2014, send any marketing message(s) to any Singapore telephone number unless:-
 - (i) (a) you have checked and confirmed in accordance with the PDPA that the Singapore telephone number is not listed on the Do Not Call registry implemented under the PDPA or (b) the user of that Singapore telephone number has given clear and unambiguous

- consent (in written or other form so as to be accessible for subsequent reference) to the sending of such marketing message to such Singapore telephone number;
- (ii) the marketing message includes clear and accurate information identifying yourself as the person sending the marketing message and how you can be contacted; and
 - (iii) you do not conceal or withhold your calling line identity.
- (c) You shall not retain any personal data longer than may be necessary, i.e. when the use for which personal data had been collected has expired, or the consent for its use has expired, or you are no longer allowed to retain it; and
 - (d) You shall respond to (and provide reasonable assistance to the Company in responding to) any request or query by customers and/or other Brand Affiliates for information as to their personal data or how it may have been used and/or for the correction of such personal data.

3 Maintaining Your Brand Affiliate Account

3.1 Keeping your Brand Affiliate Agreement, Business Entity Form and Joint Participation Form current

- (a) As a Brand Affiliate, it is your duty to keep the information contained in your Brand Affiliate Agreement, Business Entity Form or Joint Participation Form current and accurate. You must immediately inform the Company of any changes affecting the accuracy of information contained in these documents. The Company may terminate a Brand Affiliate Account or declare a Brand Affiliate Agreement void from its inception if the Company determines false or inaccurate information was provided. If you fail to update your Brand Affiliate Agreement, Business Entity Form or Joint Participation Form, holds may be placed on your account or other disciplinary action may be taken, including termination.
- (b) You must submit a Details Amendment Form (applicable to individuals only), a new Brand Affiliate Agreement, Business Entity Form or Joint Participation Form (as the case may be) with “Amended” written across the top to change your Brand Affiliate Account information. Any Details Amendment Form or amended Brand Affiliate Agreement must be signed by you. A Business Entity’s amended Brand Affiliate Agreement must be signed by the Authorized Representative of the Business Entity. An amended Business Entity Form must be signed by the Authorized Representative and all new Participants of the Business Entity. The amended Brand Affiliate Agreement of a Brand Affiliate Account with joint participation must be signed by the Principal Brand Affiliate. An amended Joint Participation Form must be signed by all Participants in the Brand Affiliate Account. The Company may charge a fee for processing changes to the Details Amendment Form, Brand Affiliate Agreement, Business Entity Form or Joint Participation Form. The Company may refuse to accept any amendments.

3.2 Adding a New Participant

You may not allow a Person to engage in any Business Activity for, or have a Beneficial Interest in, your Brand Affiliate Account, unless your Brand Affiliate Account is a Business Entity or is a Brand Affiliate

Account with joint participation and that Person has applied to become a Participant and such application has been accepted by the Company. The Company may reject any such application in its sole discretion. If the Company rejects the application, the Person may not participate in the Brand Affiliate Account.

3.3 Starting a Brand Affiliate Account under a New Sponsor

If you are a former Brand Affiliate, you may establish a new Brand Affiliate Account under a new Sponsor only if you have not engaged in any Business Activity (whether for your Brand Affiliate Account or the Brand Affiliate Account of another Person) for the indicated inactive period:

Account type during the 24 months preceding the most recent Business Activity	Inactive Period
If you ever achieved Brand Representative or higher	12 months
Brand Affiliate only	6 months

When the Company concludes that an inappropriate Sponsor change has occurred or has been solicited, the second-in-time Brand Affiliate Account may be returned to and be merged with the first-in-time Brand Affiliate Account and the Company may pursue other remedies listed in Chapter 6.

3.4 One Brand Affiliate Account per Individual

You are not allowed to have a Beneficial Interest in more than one Brand Affiliate Account except as follows: (i) marriage of two Brand Affiliates who each had a Brand Affiliate Account prior to the marriage, (ii) inheritance of a Brand Affiliate Account by an existing Brand Affiliate, or (iii) as otherwise approved in writing by the Company.

3.5 Acquisition of Beneficial Interest in and Merger of Brand Affiliate Accounts

- (a) Overview. Occasionally, a Brand Affiliate wishes to form a partnership with another existing Brand Affiliate and merge the two Brand Affiliate Accounts or acquire a Beneficial Interest in a Brand Affiliate Account. Except as provided in this Section 3.5, the formation of a partnership between Brand Affiliates, the merger of Brand Affiliate Accounts, or the acquisition of a Beneficial Interest in a Brand Affiliate Account by a Brand Affiliate who has engaged in any Business Activity, is prohibited.
- (b) Acquisition of Beneficial Interest. Except for those circumstances that may be approved by the Company in its sole discretion, if you have engaged in any Business Activity, you may not, at any time, acquire a Beneficial Interest in a pre-existing Brand Affiliate Account under a different Sponsor (whether by purchase, merger, partnership, or otherwise) unless (i) you have

terminated your Brand Affiliate Account and had no Business Activity for the applicable inactive period described in Section 3.3 of this Chapter 1, and (ii) the Brand Affiliate Agreement for the Brand Affiliate Account in which you want to acquire a Beneficial Interest was submitted to the Company after the applicable inactive period for your Business Activity as described in (i) above. The prohibitions of this Subsection (b) supersede the provisions of subsection (c) of this Section 3.5.

- (c) Merger. The Company may, in its sole discretion, consider mergers of Brand Affiliate Accounts in the following limited cases: (a) vertical mergers with (i) your immediate upline sponsor, or (ii) to merge with a Brand Affiliate that is on your first level; and (b) any other merger as may be approved by the Company in its sole discretion.
- (d) Company Review and Additional Requirements. In any case involving the proposed formation of a partnership, mergers, or acquisitions of a Beneficial Interest, the Company will, in its sole discretion, decide whether to approve a requested exception to these Policies and Procedures. During its review the Company may impose additional requirements that it deems necessary, including upline notifications and/or approvals.

4 Transferring and Terminating your Brand Affiliate Account

4.1 Transferring Brand Affiliate Accounts

You may not transfer your Brand Affiliate Account or any rights therein, unless you have received the prior written consent of the Company, which will not be unreasonably withheld. The Company will not consent to any proposed transfer if it determines that the proposed transfer is not substantive and is being done to avoid the requirements of these Policies and Procedures. The Company will not recognize any assignment, and the transferee will have no rights until the transfer has been approved by the Company. Any exceptions and waivers the Company has made to the Contract for the benefit of a Brand Affiliate Account will terminate upon the transfer unless otherwise provided in a written agreement by the Company.

4.2 Transfers Upon Death

- (a) Individuals. If you are an individual, upon your death, your Brand Affiliate Account may be passed on to your heirs, or other beneficiaries whether by will, intestate succession, or otherwise. The transfer will be recognized by the Company when a court order or proper legal document addressing the transfer to a qualified transferee is submitted to the Company. The Company encourages you to make appropriate arrangements in consultation with an estate-planning attorney for the transfer of your Brand Affiliate Account.
- (b) Participant in a Business Entity. If you are a Participant in a Business Entity, upon your death your interest in the Brand Affiliate Account will be transferred according to the Business Entity's legal documents and applicable law governing the transfer, provided that all Persons of the transferee are qualified to hold an interest in a Brand Affiliate Account under these

Policies and Procedures. The transfer of your interest will be recognized by the Company when a court order or proper legal documents addressing the transfer to a qualified transferee are submitted to the Company.

- (c) During any time that a Brand Affiliate Account may be temporarily without an owner, or a gap in ownership occurs due to probate or other court procedures, the upline Executive Brand Director or above will be responsible for operating this Brand Affiliate Account. As payment for their services, the upline Executive Brand Director or above will be entitled to a service fee. This fee will be an amount equal to 15 percent of the Brand Affiliate Account's net Bonuses, which the Company will deduct from the Brand Affiliate Account's net Bonuses.

4.3 Divorce

In the event of a divorce, the Company will neither determine the division of nor divide a Brand Affiliate Account or a Team. Generally, the Company will not divide Bonuses or other rewards. The Company may, however, in its sole discretion, on a case-by-case basis, divide Bonuses on a simple, fixed-percentage basis, pursuant to a court order or the written consent of both parties. IF THE COMPANY AGREES TO DIVIDE BONUSES ON A SIMPLE, FIXED PERCENTAGE BASIS, THE PARTIES TO THE BRAND AFFILIATE ACCOUNT AGREE TO HOLD THE COMPANY HARMLESS FROM ANY AND ALL LIABILITIES, LOSSES, COSTS, DAMAGES, JUDGMENTS, OR EXPENSES, INCLUDING REASONABLE ATTORNEY'S FEES, RESULTING OR ARISING FROM, DIRECTLY OR INDIRECTLY, ANY ACTS OR OMISSIONS BY COMPANY IN DIVIDING THE BONUSES. The Company has the right to withhold Bonuses in the event of a dispute among spouses regarding a Brand Affiliate Account. The Company may charge a fee to Brand Affiliates each month as payment for its services in dividing Bonus payments.

4.4 Right to Terminate

You may terminate your Brand Affiliate Account at any time. Please see Section 3.9 of Chapter 6 for details.

Chapter 2 Operating Your Business

1 Business Ethics

1.1 DSA Code of Ethics

The Company is a member of the Direct Selling Association (DSA) in the United States and in many markets around the world and abides by the DSA Code of Ethics. Along with the ethical guidelines of this Section, you are encouraged to read the DSA Code of Ethics and adopt its principles in your business operations. The DSA Code of Ethics can be found at www.dsa.org.

1.2 Purpose of Your Business

The primary purpose of your business and the Company is to sell high quality Products to retail customers. As part of this process you may sponsor other Brand Affiliates in the business to build your sales organization. However, the recruitment of other Brand Affiliates is not your primary focus, but rather an integral part of your fundamental obligation to sell Products and increase the sales of Products to retail customers by your Team.

1.3 General Ethics

You must operate your Brand Affiliate Account in an ethical, professional, and courteous manner. This means, among other things, the following:

- You must comply with the Contract and with applicable law.
- You must operate your Brand Affiliate Account honestly.
- You should indicate to prospective customers and Brand Affiliates who you are, why you have contacted them, and what Products you are selling.
- You may not make false or misleading claims about potential earnings under the Sales Compensation Plan or about the benefits of using the Company's Products.
- You may not pressure any Brand Affiliates or prospective Brand Affiliates to operate in a financially irresponsible way, including, but not limited to, pressuring them to buy more Products or Business Support Materials and Services than they can reasonably use or sell, or to maintain specific inventory requirements.
- You must not encourage or recommend that Brand Affiliates or prospective Brand Affiliates incur debt in order to participate in the business.
- You must explain how to return Products or cancel an order.
- You must not represent to prospective Brand Affiliates that they are required to purchase Products or Product packages to become Brand Affiliates or to become Brand Representatives. Prospective Brand Affiliates must be informed that they may purchase Products individually and not in Product packages.

1.4 Non Disparagement

You may not make any misleading, unfair, inaccurate, or disparaging comparisons, claims, representations, or statements about:

- the Company;
- its Products, or commercial activities;
- other Persons;
- other companies (including competitors); or
- other companies' products, services, or commercial activities.

1.5 Harassment

You must operate your Brand Affiliate Account in a manner that is free of harassment, intimidation, threats, and abuse. Harassment of any kind will not be tolerated, including, but not limited to, race, religion, physical and verbal abuse, or soliciting, encouraging, or consummating any inappropriate or unwelcome written, verbal, electronic or physical relationships, sexual advances, requests for sexual favors, or other physical, verbal, or visual behavior of a sexual nature, with another Brand Affiliate, Company's employee or customer.

1.6 No Contact of Vendors or Scientific Advisory Board Members

You may not contact, either directly or indirectly, the Company's vendors, suppliers, scientific advisory board members, basic research partners, universities, or any other advisors or consultants of the Company without the prior written consent of the Company.

1.7 Anti-Corruption

to you that are returned (1) after expiry of the return period specified in paragraph (ii) above; and (2) within the period of 12 months from the date of purchase.

The Company does not refund the original shipping costs on Products that you return. In order for the Company to correctly back out the applicable Bonuses on returned Products, you must keep the sales order number from the invoice. You must provide the sales order number to the Company at the time you request a refund. You may also return individual Products that are purchased as part of a kit or package. The form of the refund will be based on the original form of payment such as a bank transfer or a credit card charge. Instead of a refund, the Company may choose other alternatives such as a Product credit. The return of Products may affect your eligibility to receive Bonuses and your pin level, and if Bonuses have already been paid on the returned Products, then the Company will recoup your Bonuses as set forth below in Section 6.9 of this Chapter 2. The Company does not provide refunds for Products or Business Support Materials and Services purchased from another Brand Affiliate. 5 Retail Sales and Customer Returns

5.1 Retail Sales

Products purchased from the Company may only be sold to retail customers, used for Product demonstrations, or for your own personal use. You are authorized to resell Products you purchase from the Company to retail customers. Subject to the terms hereinbelow, you may establish your own retail prices for Products and may keep all of the profits you earn from retailing the Products to your retail customers.

The Company has established suggested retail prices for Products based on competitive pricing in each market. Maintaining retail pricing for non-Brand Affiliates helps to preserve the value of the Company's Products and business opportunity.

5.2 No Wholesaling of Products

You may not sell or distribute Products to Persons who intend to resell the Products, or have resold Products in the past. You are prohibited from selling to Persons, either directly or indirectly, who ultimately (i) resell the Products through a retail store, (ii) resell the Products over the Internet, regardless of the form of Internet distribution channel, unless it has been approved by the Company in writing, (iii) import the Products into an Unopened Market, or (iv) use any other method of distribution that violates the primary purpose of your direct selling business and that of the Company. You must take reasonable steps to ensure that Persons who purchase Products from you do not intend to violate this Section 5.2.

5.3 Retail Sales Receipts

You must provide Retail Sales Receipts to your customers in accordance with the following requirements:

- (a) You must provide the customer with two copies of the completed Retail Sales Receipt at the time of the sale. All blanks in the section referring to the seven-day refund policy on the back of the receipt must be completed. The Retail Sales Receipt should be completed and include the items ordered, the amount of the sale, and the customer's name, address, telephone number, the date of the sale, your name, business address, and business telephone number.
- (b) You must keep a copy of the Retail Sales Receipt for your records. You must keep copies of all Retail Sales Receipts on file for at least four years.

5.4 Money-back Guarantees, Customer Refunds, and Exchanges for your Retail Customers

- (a) You must offer a seven-day money-back guarantee to your retail customers. This means that you must, for any reason and upon request, give a full refund of the purchase price to the customer. The only requirement is that the customer must request the refund within seven business days of purchase and return the unused portion of Product. You must make a refund for returned Products within 10 days of the customer's request. The Company encourages you to honor your retail customers' requests for refunds or Product exchanges even if made more than seven business days after the date of retail sale.
- (b) If your retail customer purchases a Product directly from you, and your retail customer returns the Product to you for a refund, then you are responsible for, and must provide the retail customer with, a refund without any reimbursement from the Company. The Company encourages you to honor your retail customer's request for refunds even if made more than seven business days after the date of sale.
- (c) If your retail customer purchases a Product directly from you, and your retail customer returns the Product to you for a Product exchange, then you are responsible for the Product exchange, and the Company will only replace the exchanged Product if returned within 30 days from the date of the retail sale and the Product is defective.

6 Sales Compensation Plan

A complete copy of the Sales Compensation Plan has been provided to you. The Sales Compensation Plan is a part of the Contract, and you are bound to its terms. The Sales Compensation Plan may be changed by the Company at any time with 30 days prior notice. A current copy of the Sales Compensation Plan may be found at www.nuskin.com.sg.

6.2 Exceptions to Sales Compensation Plan

The Company, in its sole discretion, has the right to hold, maintain, or promote a Brand Affiliate to any pin level in the Sales Compensation Plan without regard to fulfillment of pin level requirements, or

waive any other obligation or requirement of the Sales Compensation Plan. Unless otherwise agreed in writing by the Company, the Company may terminate any exception granted pursuant to this Section 6.2 of this Chapter 2 at any time and for any reason.

6.3 No Compensation for Sponsoring

You do not receive any compensation for sponsoring other Brand Affiliates. You are not entitled to any Bonus, compensation or commissions for Product that is purchased for personal use. Your level of compensation will be based on your hard work, your sale of Products, and the sales of your Team.

6.4 No Guaranteed Income

You are neither guaranteed a specific income nor assured any level of profit or success. Generating meaningful compensation as a Brand Affiliate requires considerable time, effort, and commitment to the business. You should operate your Brand Affiliate Account in a financially responsible and businesslike manner—you should not (i) incur debt to purchase Products or Business Support Materials and Services, (ii) quit your current employment until you are confident that you can afford to do so, and (iii) incur expenses that exceed the amount of your Bonuses. This is not a “get rich quick” program. Your profit comes only through the successful sale of Products and the sales of other Brand Affiliates within your Team.

6.5 Manipulation of Sales Compensation Plan

Maintaining the integrity of the Sales Compensation Plan is of vital importance to the Company. You must abide by the terms and conditions of the Sales Compensation Plan and you may not, in any form, use false identification numbers, false names, false Brand Affiliate Accounts, buy additional Product to maintain a pin level, warehouse Products, or use any other form of manipulation that violates the terms and conditions of the Sales Compensation Plan or its spirit and intent.

6.6 Bonuses

In addition to the retail profits you can earn from your resale of Products, you can also receive a Bonus under the Sales Compensation Plan, subject to the following:

- (a) You may not receive any Bonuses if you are in violation of the Contract;
- (b) The requirements for receiving a Bonus and the terms for determining the amount of the Bonus may be changed by the Company at any time upon 30 days prior notice;
- (c) Bonuses may be paid by wire transfer, or any other method chosen by the Company;
- (d) No interest accrues on Bonuses when the payment of such has been delayed by the Company for any reason; and
- (e) The Company will pay no Bonuses until the aggregate accrued monthly Bonuses are equal to 10 US dollars (or the equivalent amount in local currency). If your Brand Affiliate Account is terminated, any unpaid accrued Bonuses under the 10 US dollar minimum (or the equivalent amount in local currency) will be forfeited.

6.7 Required Retail Sales; Retail Sales Verification

You are not eligible to receive a Bonus in any month unless you have completed verified sales to five

different customers and comply with our Policies and Procedures and guidelines . You must retain documentation of retail sales for at least four years to verify that you have met these retail sales requirements. You must make this documentation available to the Company at the Company's request. If you cannot document the required retail sales you are in breach of the Contract. The Company may recover all Bonuses paid for orders in any month for which you cannot provide retail sales documentation. The Company regularly audits Brand Affiliate compliance with this Section. In order to protect you and the Company, you must obtain the written consent of your retail customers regarding the potential disclosure to the Company of their personal data that may be obtained as the result of a retail sale. The purposes of the disclosure may include (i) retail sales verification in accordance with these Policies and Procedures or an associated investigation, and (ii) collection of aggregated general data about retail sales and the Company's customer base; and (iii) disclosure to third parties if the Company has a good faith belief that it is required to do so by law or legal process, to respond to claims, or to protect the rights of the Company. It is suggested that you procure such a written consent on your Retail Order and Receipt Form.

6.8 Timing

An order for Products is included in the Bonus and Brand Representative qualification computations for a given period only if received by the Company on or before the last business day of that period. If the Company places Products on backorder, Sales Volume for those Products will only be included in the Bonus and Brand Representative qualification computations in the period the Products are shipped.

6.9 Bonus Recovery

- (a) In addition to any other recovery rights provided in these Policies and Procedures, the Company has the right to require you to repay any Bonuses paid to you:
 - (i) on Products returned under the Company's refund policy;
 - (ii) on Products returned in relation to any incident of Brand Affiliate misconduct;
 - (iii) that were mistakenly paid by the Company; or
 - (iv) in the event you violate the provisions of Section 6.5 of this Chapter 2, in addition to any other remedies available to the company, the Company shall have the right to adjust your pin level and recalculate your Bonuses for the period in which such activities occurred by disregarding the volume from Products that were returned, that were purchased in order to maintain Brand Representative pin levels, or any other activity that violate Section 6.5 of this Chapter 2. You must repay any Bonuses that were paid to you in excess of the adjusted Bonus that is calculated by the Company as set forth above.
- (b) If you are obligated to repay any Bonuses to the Company, the Company will have the right to recover such amount by (i) requiring a direct payment of the amount from you, or (ii) withholding the amount from your present or future Bonus payments.
- (c) Extension of the Company's refund policy, whether required by applicable law, or instances in which Brand Affiliate misconduct, misrepresentation, or other extenuating circumstances

necessitates a Company refund in excess of its stated refund policy, will be considered on a case-by-case basis. In the event the Company is required to make a refund that exceeds the terms of its refund policy, the Company may recoup Bonuses paid to you on those Products as well.

6.10 Payment Corrections

It is your duty to make sure that the Bonuses paid to you are correct. If you discover an error in your payment you must notify the Company within 90 days after the receipt of your Bonus. If you fail to notify the Company of any errors or disputes with respect to a Bonus payment within this 90 day period, you will be deemed to have accepted the payment as full and complete payment of any Bonuses earned during such Bonus period and you will have no further right to dispute the Bonus payment or seek payment of any additional Bonus.

All promotional materials, including, but not limited to, flyers, business cards, and Executive Brand Director Business Support Materials registered in accordance with Addendum B of these Policies and Procedures, may be distributed through personal contact only. 6 Retail Store, Trade Show, and Service Establishment Sales Policy

You are also prohibited from selling to any Person who will ultimately sell the Products through retail stores as set forth in Section 5.2 of Chapter 2. You may, with the prior consent of a retail establishment, place Company-produced Advertising Material and/or Personalized Advertising Material within the establishment. However, all Advertising Material must be contained within one Company-produced brochure holder. Furthermore, the brochure holder and Advertising Material must not be visible to the general public in a manner as to attract the general public into the retail establishment.

6.2 Trade Show Booths

You may not sell any Products of the Company or promote the Company’s opportunity at flea markets, swap meets, bazaars, supermarkets, exercise clubs, athletic leagues and games, malls or any other similar gatherings where the opportunity or Products may be displayed.

6.3 Service Establishments

If you own or are employed by a service-related establishment you may provide the Company’s Products to customers through this establishment as long as you are providing proper prescreening and ongoing support to your customers as called for by the Contract. In any event, no Product banners, or other Advertising Material may be displayed visibly to the general public in a manner as to attract the general

public into the establishment to purchase Products.

- (a) A service-related establishment is one whose revenue is earned primarily by providing personal service rather than by selling products and whose use by customers is controlled by membership or appointment.
- (b) Brand Affiliates may only sell Products through service-related establishment that provide services related to the Products. For example, Pharmanex Products may be sold through the offices of doctors and other healthcare professionals, health clubs, or gymnasiums. Nu Skin Products may be sold through barber shops, beauty salons, nail boutiques, or tanning centers.

6.4 The Company's Right of Final Determination

The Company reserves the right, in its sole discretion, to make a final determination as to whether an establishment is service-related or is a proper place for the sale of the Products.

7 Internet

7.1 Use of the Internet in Brand Affiliate Business

You may use the Internet to promote the Company, including its Products, only if such use is specifically authorized by Sections 7.2 or 7.3 of these Policies and Procedures and is in compliance with all of the provisions of these Policies and Procedures including Sections 2, 3, 4 and 5 of this Chapter 3, as well as the written guidelines for internet use established by the Company and all applicable laws, regulations and guidelines including but not limited to the Singapore Code of Advertising Practice. All other uses of the Internet to promote the Company or its Products or its Sales Compensation Plan are prohibited.

7.2 Permitted Internet Activities

All Brand Affiliates may utilize the Internet as follows:

- (a) You are allowed to utilize Company produced Brand Affiliate websites.
- (b) You may use generic (i) business opportunity websites, (ii) splash pages, or (iii) social media with links to Company websites. These generic pages may not contain the Company's trademarks or other copyrighted material and may not contain information on the Company, its Products or its business, or pictures of Products or corporate facilities/personnel. They also must not contain any false or misleading information.
- (c) You may use the internet, including social networking sites, blogs, social media and applications, and other sites that have content that is based on user participation and user generated content, forums, message boards, blogs, wikis and podcasts (e.g., Facebook, Twitter, Flickr etc.) to (1) communicate preliminary information about the Company or your involvement with the Company, (2) direct users to a Company Internet Marketing Site or a registered Executive Brand Director Internet Marketing Site and (3) post Company produced Business Support Materials that have been approved by the Company for posting on personal blogs or social networking sites; provided, however, that such communication and use must be (i) incidental to the

primary use of such forum, site, blog, board, wiki or podcast or other form of internet use, and (ii) may not be an Internet Marketing Site. As set forth in Section 7.3 of this Chapter, only Executive Brand Directors may maintain an Internet Marketing Site. The Company has the right to make the determination, in its sole discretion, whether your use of the Internet is permitted under this section or whether such use is a prohibited Internet Marketing Site. Additionally, you must comply with Company published guidelines governing use of the Internet. These guidelines may change from time to time and it is your responsibility to know the current guidelines and comply with them. In case of a violation, in addition to taking disciplinary action against you in accordance with Chapter 6 of these Policies and Procedures, the Company may require you to immediately remove any information or marketing site that is in violation of Company policies.

Examples of Permitted Uses by Non-Executive Brand Directors

If you maintain a personal Facebook page where you post a variety of information, you could post information that that you are a Nu Skin Brand Affiliate, information about Nu Skin events you have participated in, and preliminary information about Nu Skin, and direct readers to a Company Internet Marketing Site or an approved Executive Brand Director Internet Marketing Site for more information.

If you maintain a personal blog or social network site, you may blog in a particular post that you are a Nu Skin Brand Affiliate and that others can sign up as Brand Affiliates, and to contact you if they are interested in discussing the business with you.

Examples of Non-Permitted Uses by Non-Executive Brand Directors

A Facebook page that is primarily devoted to Nu Skin, that includes posted marketing materials such as videos or before and after photos, or if it is a fan page or similar page that utilizes the Company's trademarks, would be considered an Internet Marketing Site, and would be a violation of policy for non-Executive Brand Directors.

A blog or social network site that is primarily about the Products or opportunity, i.e., that is the focus of your postings and discussions, that is titled with a Nu Skin trademark or slogan, or utilizes marketing content, would be an Internet Marketing Site, and would be a violation of policy for non-Executive Brand Directors.

The foregoing examples are provided for illustration purposes only, and are not intended as an exhaustive list of permitted or non-permitted uses of the Internet or the conditions or factors the Company will consider in determining whether any particular use of the internet is an Internet Marketing Site.

7.3 Executive Brand Director Internet Marketing Site

In order to protect the integrity of the Network and to ensure that marketing content on the internet is only created and posted by Brand Affiliates with significant experience and knowledge relating to the

Company and its Products, only Executive Brand Directors (as defined in Section 4.1 of this Chapter 3) may create or maintain an Internet Marketing Site. Such Internet Marketing Sites shall be considered Business Support Materials and Services and shall be subject to Sections 4 and 5 of this Chapter 3. In addition to the requirements set forth in Section 4 of these Policies and Procedures with respect to Executive Brand Director Business Support Materials and Services, Executive Brand Director Internet Marketing Sites are subject to the following rules:

- (f) If the Company notifies you to remove or delete any information from your Executive Brand Director Internet Marketing Site, or to make any modifications or add additional information such as income disclaimers, you must make the requested changes within 24 hours (or a shorter period as the Company may require in its sole discretion) or shut down the Executive Brand Director Internet Marketing Site until such changes have been made.

7.4 Additional Restrictions on Internet Use

All Brand Affiliate websites, whether Executive Brand Director Internet Marketing Sites or Company produced Brand Affiliate websites, and any other form of internet use allowed by these Policies and Procedures, including internet video and audio, social media, and other sites that have content based on user participation and user generated content must comply with the following rules:

You are prohibited from sending unsolicited email regarding your website or Brand Affiliate Account to individuals who have not specifically requested information regarding the Company’s business opportunity or Products. In the event an individual who has formerly agreed to receive email information concerning the business opportunity and/or Products later requests that you cease sending the individual email, you must honor this request

immediately.

8 Lead Generation Services; No Speaking Fees

8.1 Lead Generation Services

Before you sell, purchase, or use any lead in the promotion of the business, you must verify that the lead has been properly obtained and is legal for use in the area where you are contacting the identified lead. This includes but is not limited to ensuring the lead’s compliance with “Do Not Call” lists in the country, market, region, or state where the lead’s address is located. Any violation of laws related to leads is the sole responsibility of the persons providing and contacting the leads. The person committing the violation must indemnify the Company for any costs or damages arising from regulatory or personal challenges to the use of the lead.

8.2 No Speaking Fees; Meetings

You may not charge a fee to speak at any Brand Affiliate meeting. However, you may be reimbursed for your reasonable out-of-pocket expenses (e.g., travel, hotel, meals) that you incur in attending and speaking at a meeting. In the event you are putting on a meeting or other function, you may charge a fee to Brand Affiliates attending the meeting or other function, but such fee must not be more than is necessary to cover the costs of such meeting or other function.

For any photographs, articles, videos or such other materials that you will be using or providing during any Brand Affiliate meeting, you represent to the Company that you will obtain the requisite licence or consent from the respective owners (of any copyright and/or other intellectual property that may subsist in the aforesaid materials) for the use of the aforesaid materials during the Brand Affiliate meeting as well as by the Company for the purposes set out in Section 2, Chapter 1 of these Policies and Procedures. You further represent to the Company that you have obtained the requisite consent in relation to any personal data that will be collected, used and shared during any Brand Affiliate meeting and you will abide by the Privacy Policy set out at Section 2, Chapter 1 of these Policies and Procedures.

You may not refuse or deny the participation of any Company representative at any Brand Affiliate meeting. The Company may record all or part of any Brand Affiliate meeting which includes but is not limited to any presentation you make at any Brand Affiliate meeting.

Notwithstanding the above and subject to the exception in Section 4, Chapter 3 of these Policies and Procedures regarding Executive Brand Director Business Support Materials, you acknowledge that Brand Affiliates may only use Business Support Materials that have been produced and distributed by the Company for the promotion of the business, the Products and the Sales Compensation Plan of the Company.

9 No Recording of Company Events or Employees

You may record any Company sponsored event, or any speech or other presentation made by an employee or other representative of the Company at any meeting, event or otherwise **if** it is only for

your own private use, and is not posted, distributed, copied or broadcast in any format or media, and is not shown to any other Brand Affiliates, prospective Brand Affiliates or customers regardless of the setting. Except for recordings for private use as described in this Section 9, you may not record any Company sponsored event, record any speech or other presentation made by an employee or other representative of the Company at any meeting, event, or otherwise without the prior written consent of the Company.

Chapter 4 Sponsoring

1 Becoming a Sponsor

1.1 Requirements

You may only act as a Sponsor if you meet all the requirements and accept all the responsibilities described in the Contract.

1.2 The Placement of New Brand Affiliates

You may refer Persons to become Brand Affiliates of the Company by having them submit a Brand Affiliate Agreement to the Company. Upon acceptance by the Company of the Brand Affiliate Agreement form, applicants are placed directly below the Sponsor listed on the Brand Affiliate Agreement. Although a newly sponsored Brand Affiliate may be referred to as part of your Team, this does not create in you any form of ownership interest in that Brand Affiliate Account or with respect to any information regarding that Brand Affiliate Account. All Brand Affiliates are part of the Network, and the Network and any information regarding the Network are an asset that is owned solely by the Company and not the Sponsor.

1.3 Business Portfolio

Not Applicable.

1.4 Distribution of Company Leads

When the Company receives inquiries from individuals concerning the Company's Products or business opportunity, the Company refers these individuals to Brand Affiliates according to its discretion.

2 Responsibilities of a Sponsor

2.1 Training of Your Team

You must supervise, train, support, and have on-going communication with (i) any Brand Affiliate that you sponsor, and (ii) your Team in a manner consistent with the terms of the Contract. Your responsibilities include, but are not limited to:

- (a) Provide regular retail sales and organizational training, guidance, and encouragement to your Team;
- (b) Exercise your best efforts to make sure that all Brand Affiliates in your Team properly understand and comply with the terms and conditions of the Contract and applicable national and local laws, ordinances, and regulations;
- (c) Intervene in any disputes arising between a customer and any of your Team and attempt to resolve the disputes promptly and amicably;
- (d) Maintain contact with your Team and be available to answer questions;

- (e) Provide training to ensure that the Product sales and opportunity meetings conducted by your Team are conducted in accordance with the Contract, current Company literature, and in accordance with any applicable laws, ordinances, and regulations;
- (f) Monitor the activities of those you personally sponsor and those in your Team and work in good faith with the Company to prevent the violation of these Policies and Procedures and manipulation of the Sales Compensation Plan;
- (g) Supervise and assist your Team's efforts to sell the Company's Products to retail customers; and
- (h) Cooperate with the Company regarding investigations of your Team, and, upon request from the Company, provide all relevant information pertaining to any investigation.

2.2 Line Switching

You may not encourage, entice, or otherwise assist another Brand Affiliate to transfer to a different Sponsor. To do so constitutes an unwarranted and unreasonable interference with the contractual relationship between the Company and its Brand Affiliates. This prohibition includes, but is not limited to, offering financial or other tangible incentives for another Brand Affiliate to terminate an existing Brand Affiliate Account and then re-sign under a different Sponsor. You agree that a violation of this rule inflicts irreparable harm on the Company and agree that injunctive relief is an appropriate remedy to prevent that harm. The Company may also impose penalties on any Brand Affiliate Account that solicits or entices an existing Brand Affiliate to change lines of sponsorship.

2.3 No Purchase of Products or Business Support Materials and Services Required

You may not require any Brand Affiliate or prospective Brand Affiliate to purchase any Products or any Business Support Materials and Services, or imply that any such purchase is required.

2.4 Correct Information on Company Forms

You may not encourage or assist any Brand Affiliate or prospective Brand Affiliate to provide false or inaccurate information in their Brand Affiliate Agreement or any other Company form.

2.5 Your Team's Communication with the Company

You may not discourage, attempt to prevent or prevent, for any reason, any Brand Affiliate from directly contacting the Company, or the Company from directly contacting any Brand Affiliate. It is your duty to facilitate communication between any Brand Affiliate in your Team and the Company at the request of a Brand Affiliate in your Team or at the request of the Company.

3 International Business

3.1 International Business

Subject to the Contract, you may conduct business activity as a Brand Affiliate in any Authorized Market. If the market is an Unopened Market, then you are limited to providing business cards and conducting, organizing or participating in meetings where the number of attendees at any given meeting, including you, does not exceed five. You may not use flyers, cold calling, mass emailing, advertising or mass

soliciting of any kind in order to promote attendance at these meetings. In Unopened Markets you may not:

- (a) Import or facilitate the importation of, sell, gift, or distribute in any manner, Company Products or Product samples;
- (b) Place any type of advertisement or distribute any promotional materials regarding the Company, its Products or the opportunity, except for any Company Approved Business Support Materials that the Company may have specifically authorized for distribution in a designated Unopened Market;
- (c) Solicit or negotiate any agreement for the purpose of committing a citizen or resident of an Unopened Market to the opportunity, a specific Sponsor or specific line of sponsorship. Furthermore, Brand Affiliates may not sign up citizens or residents of Unopened Markets in an Authorized Market or by using Brand Affiliate Agreement forms from an Authorized Market, unless the citizen or resident of the Unopened Market has, at the time of sign up, permanent residence and the legal authorization to work in the Authorized Market. It is the Sponsor's responsibility to ensure compliance with residency and work authorization requirements. Membership or participation in, or ownership of a corporation, partnership or other legal entity in an Authorized Market does not by itself fulfill the residency or legal authorization to work requirements. If a Participant in a Brand Affiliate Account fails to provide verification of residency and work authorization when requested by the Company, the Company may, at its election, declare a Brand Affiliate Agreement void from its inception;
- (d) Accept money or other consideration, or be involved in any financial transaction with any prospective Brand Affiliate either personally or through an agent, for purposes relating to the Company's Products or the opportunity, including renting, leasing or purchasing facilities for the purpose of promoting or conducting Company-related business, or
- (e) Promote, facilitate or conduct any type of activity which exceeds the limitations set forth in these Policies and Procedures or which the Company, in its sole discretion, deems to be contradictory to the Company's business or ethical interests in international expansion.

3.2 Meetings in an Authorized Market with Attendees from an Unopened Market

If you have a meeting in an Authorized Market with people who are visiting from an Unopened Market, those people visiting from the Unopened Market are subject to all the restrictions that arise out of their residence or citizenship in an Unopened Market. This means, among other things, that they may not submit a Brand Affiliate Agreement to become Brand Affiliates or purchase Product for import (including for personal use).

3.3 The International Sponsor Agreement

If you wish to conduct business in an Authorized Market that is not your Resident Market, you must comply with all applicable laws of that specific Authorized Market, including but not limited to, all immigration, visa, and registration requirements. In addition, prior to conducting any Business Activity in an Authorized Market that is not your Resident Market, you must sign an International Sponsor

Agreement if you did not already sign one when you submitted your Brand Affiliate Agreement. The Company, in its sole discretion, reserves the right to reject or revoke your authorization as an International Sponsor in any Authorized Market. When you sign an International Sponsor Agreement; the Company grants to you the right to sponsor new Brand Affiliates in an Authorized Market other than your Resident Market. The International Sponsor Agreement does not grant to you the right to market Products in any Authorized Market other than your Resident Market.

3.4 Mainland China

The Company's business model in Mainland China is different from the business model used in any other market. Mainland China is not an Authorized Market and before conducting business there you must know and comply with all the current rules and conditions that the Company has in place for operating in Mainland China.

3.5 Express Prohibition of Pre-Marketing in Certain Markets

The Company reserves the right to designate certain markets wherein all pre-marketing conduct is expressly prohibited. It is your responsibility, prior to each instance of conducting pre-market opening activities in an Unopened Market, to verify through current contact with the Company that the market in which you plan to conduct those activities is not a prohibited market.

3.6 Remedies

In addition to other remedies allowed by the Contract, if you fail to comply with any provision of Section 3 in this Chapter 4, you may be prohibited from participating in the affected international market for a period deemed appropriate by the Company and may be subject to the remedies set forth in Chapter 6. This prohibition could include, but is not limited to the following: restricting your right to sponsor new Brand Affiliates in the affected international market; prohibiting the payment of Bonuses to you and your upline on volume you have generated by your Team in the respective international market. In all markets, for a period of up to one year, you may not be entitled to privileges traditionally afforded Brand Affiliates such as recognition at corporate events or in corporate literature.

3.7 Petition for Permission to Participate

If you have been unable to participate in a market because of non-compliance with Section 3 of this Chapter 4, you must petition the Company in writing for written permission to participate in the market after the period of prohibition has passed.

3.8 No Waiver

The provisions of Section 3 of this Chapter 4 do not waive the Company's rights as set forth elsewhere in these Policies and Procedures or in the Contract.

Chapter 5 Restrictive Covenants

1 Ownership of Network

You acknowledge and agree that: (i) the Network is protected as a valuable, proprietary, trade secret asset that is owned by the Company; (ii) the Network has been developed for the exclusive benefit of the Company and Brand Affiliates as they promote authorized business activities and Products of the Company through the Network; (iii) the protection of the Network is fundamental to the ongoing success of both the Company and its Brand Affiliates; and (iv) a violation of your obligations under this Chapter 5 inflicts irreparable harm to the Network, to the Company and to fellow Brand Affiliates. Based on the foregoing, you agree that the breach of your obligations under Chapter 5 of these Policies and Procedures would constitute an unwarranted and unreasonable interference with the contractual relationship between the Company, its Brand Affiliates and customers, and damage the competitive business interest and integrity of the Company and Network.

2 Restrictive Covenants

2.1 Non-Solicitation

- (a) **Sale of Third-Party Products and Services.** You may not, in any manner, directly or indirectly, promote, market or sell the products or services of another Business Entity or Individual to the Network unless you have a pre-existing business relationship with that Brand Affiliate prior to one of you becoming a Brand Affiliate. For example, if you own a hair salon, and as a Brand Affiliate you sponsor one of your customers, who then becomes a Brand Affiliate, then you may continue selling your customer your services and hair products from your salon. Notwithstanding the foregoing, you may not offer third-party products, services or opportunities in conjunction with the sale of Products, or package third-party products, services or opportunities with Products, or offer or promote third-party products, services or opportunities at Company or Brand Affiliate meetings, calls or any other Company-related functions without the prior written consent of the Company.
- (b) **Recruit to another Direct Sales Company.** You may not, in any manner, directly or indirectly, recruit, solicit, or sponsor any Brand Affiliate or customer, to (i) form a relationship with, (ii) promote, sell or purchase the products or services of, (iii) participate as a salesperson of, (iv) or otherwise associate with, a Direct Sales Company, or encourage any Brand Affiliate or customer to do so or to terminate their relationship with the Company.
- (c) **Survival of Obligation.** Your obligations under this Subsection survive for a period of two years from the date of your resignation, termination, transfer or other change in ownership status of your Brand Affiliate Account.
- (d) **Injunctive Relief.** In addition to other compensatory damage awards to the Company,

temporary and permanent injunctive relief is an appropriate remedy to prevent further damage to the Network and the Company.

2.2 Exclusivity

- (a) You acknowledge and agree that a Brand Affiliate or Brand Affiliate Account, and any Person who has a Beneficial Interest in the Brand Affiliate Account (including spouses and Co-habitants), which has achieved the pin level of Executive Brand Partner or higher, is being compensated, publicly recognized and otherwise promoted by the Company as a key Brand Representative. As a Brand Affiliate with an Executive Brand Partner or higher pin level, you are reasonably expected to exclusively sell Company Products, train Brand Affiliates in your Team, and promote the Company's business. Therefore, as a condition to receiving ongoing Leading Bonus compensation on Brand Representative Levels 3 through 6 on your Team, and recognition as an Executive Brand Partner-level or higher at Company events, you may not be engaged in any Business Development Activity for any other Direct Sales Company.
- (b) If you engage in Business Development Activity for any other Direct Sales Company while you are a Brand Affiliate with a pin level of Executive Brand Partner or higher, then your Brand Affiliate Account will not be eligible to receive any Leading Bonus on levels 3 to 6 on your Team during any period in which you, your spouse, your Co-habitant, or any Person with a Beneficial Interest in your Brand Affiliate Account, (i) engage in any Business Development Activity, or (ii) maintain a Beneficial Interest in any form with respect to such Direct Sales Company, regardless of the number of Brand Representatives on your first level or other qualifications for payment on levels 3 to 6.
- (c) Within 5 business days of the first engagement in any Business Development Activity for any other Direct Sales Company, you agree to notify the Company that you, your spouse, your Co-habitant, or any Person with a Beneficial Interest in your Brand Affiliate Account, is engaged in such Business Development Activity. You further agree that upon engaging in such Business Development Activity, you will no longer be eligible to receive Leading Bonuses on Brand Representative Levels 3 through 6 as set forth in the preceding paragraph. You further agree that you (i) will be liable to refund to the Company any such Brand Representative Leading Bonuses paid to you during any period following your engagement in any such Business Development Activity whether or not you provide the notice to the Company as required by this paragraph (c), and (ii) the Company will have the right to recover any such amount by offsetting such liability against any other Bonuses, past, present or future, that may be payable to you under the Sales Compensation Plan. Failure to notify the Company of your engagement in any Business Development Activity for any other Direct Sales Company will be considered a violation of these Policies and Procedures and may result in other action being taken by the Company, including termination of your Brand Affiliate Account.

2.3 Confidential Information

As a result of your position as a Brand Affiliate, you have access to Confidential Information that you acknowledge to be proprietary, highly sensitive and valuable to the Company's business, which

information is available to you solely and exclusively for purposes of furthering the sale of Company Products and prospecting, training and sponsoring third parties who wish to become Brand Affiliates, and to further build and promote your business. You and the Company agree and acknowledge that, but for your agreement of confidentiality and nondisclosure, the Company would not make Confidential Information available to you. During any term of the Brand Affiliate Agreement, and for a period of four years after the termination or expiration of the Brand Affiliate Agreement, you will not, for any reason, on your own behalf, or on behalf of any other Person:

- Disclose any Confidential Information related to or contained in the Network to any third party directly or indirectly;
- Disclose, directly or indirectly, the password or other access code to the Network;
- Use the Confidential Information to compete with the Company, or for any purpose other than promoting the Company;
- Solicit any Brand Affiliate or customer of the Company or of the Network, or in any manner attempt to influence or induce any Brand Affiliate or customer of the Company, to alter their business relationship with the Company;
- Use or disclose to any Person any Confidential Information related to or contained in the Network that was obtained while your Brand Affiliate Agreement was in effect; or
- Recruit or attempt to recruit an existing Brand Affiliate for another Direct Sales Company.

Upon non-renewal, resignation or termination of your Brand Affiliate Account, you will promptly destroy or return to the Company all Confidential Information. The obligations of this Section 2.3 will survive the termination or expiration of the Brand Affiliate Agreement.

2.4 Confidentiality of Brand Affiliate Account Information

As a result of your position as a Brand Affiliate, you may, at the sole discretion of the Company, be provided access to information about other Brand Affiliate Accounts and their Teams for the sole purpose of allowing you to provide business support to these Brand Affiliate Accounts and their Teams. This information is highly confidential and you may not disclose information about a Brand Affiliate Account and his Team to other Brand Affiliates or to any other party. By accessing such information, you expressly agree to these restrictions and acknowledge that, but for your agreement of confidentiality and nondisclosure, the Company would not make such information about other Brand Affiliate Accounts and their Teams available to you.

2.5 Non-Disparagement

In consideration of the Company's recognition, Bonuses, and other compensation that you receive as a Brand Affiliate, you will not disparage the Company, or any other company or person, including but not limited to other Brand Affiliates, the Company's Products, the Sales Compensation Plan, the Policies and Procedures or Company employees. Disparagement may result in termination of your Brand Affiliate Account.

2.6 Remedies

You acknowledge that the Company would suffer irreparable harm as a result of any unauthorized

disclosure or use of Confidential Information, including the Network, or recruiting current Brand Affiliates for another Direct Sales Company in violation of Section 2.1 of this Chapter 5, and that monetary damages are insufficient to compensate the Company for such harm. Therefore, if you are in breach of any of the requirements of this Chapter 5, the Company is entitled to an injunction or temporary restraining order without prior notice to you, restraining any unauthorized disclosure or use of Confidential Information, which relief may be in addition to any other available legal remedy, including damages. In any such action, if the Company prevails, you agree that you will reimburse the Company for its costs and reasonable attorneys' fees incurred in connection with taking the necessary legal action. As to the Company, you waive all bonding requirements otherwise applicable to a temporary restraining order and/or Injunction.

2.7 Enforceability

In the event that any provision of this Chapter 5 should ever be deemed or adjudged by a court of competent jurisdiction or an arbitrator with proper jurisdiction, to exceed the limitations permitted by applicable law, then the remaining provisions will nevertheless be valid and enforceable to the maximum extent allowable as determined by such court or arbitrator, and such provisions will be reformed to the maximum allowable limitations as determined by such court or arbitrator. The remainder of the prohibitions and protections in this Chapter 5 will remain in full force and effect.

Chapter 6 Enforcement of Contract

1 The Contract

You agree that the relationship between you and the Company is based entirely on the written Contract. The Contract may be amended by the Company as provided in these Policies and Procedures. You may not amend the Contract unless the amendment is in writing and signed by you and the Company. Neither you nor the Company may claim that the Contract (i) has been altered or amended by any practice or course of dealing or course of action, (ii) has been modified or amended verbally by an officer or employee of the Company, or (iii) that there is a quasi-contract or an implied in fact contract between you and the Company.

2 Acts of Participants in a Brand Affiliate Account

The acts of any Participant, spouse, partner or agent of a Brand Affiliate will be considered to be the acts of the Brand Affiliate Account and subject to the terms and conditions of the Contract.

3 Procedures for Investigation, Discipline and Termination

3.1 Reports of Alleged Violations

All reports of violations must be in writing and sent to the attention of the Company's Compliance Review Committee (CRC) by an individual who has personal knowledge of the alleged violation. The Company may also investigate an alleged violation of which it becomes aware of through its own independent resources or internal investigations. The Company may take action on its internal investigations at any time and is not bound by the time limits set forth in Section 3.2 of this Chapter 6.

3.2 Time Limit for Reports of Violations

IN ORDER TO PREVENT STALE CLAIMS FROM DISRUPTING THE BUSINESS ACTIVITIES OF BRAND AFFILIATE ACCOUNTS AND THE COMPANY, THE COMPANY WILL NOT TAKE ACTION ON ANY ALLEGED VIOLATION OF THE TERMS AND CONDITIONS OF THE CONTRACT NOT SUBMITTED IN WRITING TO THE COMPANY'S CRC, WITHIN TWO YEARS OF THE FIRST OCCURRENCE OF THE ALLEGED VIOLATION. ALLEGED VIOLATIONS WILL BE REFERRED TO AS "DISPUTES," WHICH IS FURTHER DEFINED IN THE GLOSSARY OF DEFINED TERMS IN ADDENDUM A.

3.3 Balance of Rights of Privacy

The Company's investigative procedures and Dispute resolution process is intended to balance your rights of privacy and the rights of other Brand Affiliates and the rights of the Company. Therefore, until the Dispute has been submitted to arbitration, all information and evidence received by the Company will be released only to you and other Brand Affiliates involved in the Dispute as the Company deems necessary. Before releasing any information, the Company will consider (i) the complexity of the Dispute; (ii) the duty to balance privacy rights and disclosure obligations. If the Dispute is referred to

arbitration, all information and evidence will be made available in accordance with the rules and procedures for arbitration of Disputes described in Chapter 7.

3.4 Procedure

Your rights under the Contract depend on you meeting all of your obligations under the Contract. If the Company determines that you have breached the terms of the Contract, then based on the nature of the Dispute, the Company, in its sole discretion, may proceed as follows: (i) immediately terminate your Brand Affiliate Account or take any other appropriate action as provided in Section 3.7 of this Chapter 6; (ii) proceed directly to arbitration in accordance with Chapter 7, or (iii) process the alleged Dispute according to the following procedures:

You may provide information about individuals that have relevant information, together with their names and addresses, other appropriate contact information, and copies of all relevant documents. If you fail to respond to the written notice or fail to provide all relevant facts and information, the Company may take action that it deems appropriate. The Company has the right to prohibit the activities of your Brand Affiliate Account (placing Product orders, sponsoring, receiving Bonuses, etc.) from the time the written notice is sent to you until a final decision issued.
- (c) **CRC.** The Company will review any information submitted by you within the 10-day period or by collateral sources and any information that the Company has independently discovered. The CRC will make a final decision regarding the Dispute and the action that the Company will take, if any, and will send you a copy of the decision of the CRC. The Company may, at its sole option, send a copy of the decision of the CRC to other interested parties.

3.5 Compliance Appeals Committee (CAC)

If the Company takes immediate action as provided in Section 3.7 of this Chapter 6, or the CRC has issued a decision regarding the Dispute, then you will have 10 business days from the date of the written notice to submit in writing your appeal to the CAC. Your written notice should include a description of your objection to the Company's immediate action or the CRC decision. Within 90 days of receipt of your written notice, the CAC will review your appeal and provide written notice (i) of its final decision, (ii) that its review will require additional time, or (iii) that the matter should proceed directly to arbitration under Chapter 7. If the CAC has decided that the matter should proceed directly to arbitration, and you do not desire to participate in the arbitration, then you will still be bound by the decision in the arbitration. When the CAC has made a final decision, it will send you written notice and you will have 60 days from the date of the CAC decision to request arbitration of the CAC decision.

3.6 Company Actions for Breach of Contract

Once the Company determines that a breach of the Contract has occurred, the Company may, in its sole discretion, terminate your Contract. In addition to, or in lieu of terminating your Contract, the Company may take any other action it deems appropriate, including any or all of the following:

- (a) Notify you in writing of the Company’s concerns and of the Company’s intent to discontinue your rights under the Contract if your non-performance continues;
- (b) Suspend your rights under the Contract;

3.7 Immediate Action

If the Company determines, in its sole discretion, that a Dispute requires immediate action, or the Company has previously notified you that it will take immediate action for violations or actions similar to those described in such notice, then the Company may take any immediate action or remedy that it deems appropriate, including termination of your Brand Affiliate Account, or your right to receive any Bonuses. The Company will provide you with written notice of its action. You will have 10 business days to appeal the Company’s action as provided in this Chapter 6.

3.8 Remedies

The Company reserves the right, at its sole discretion, to exercise any remedy available to it. Any failure or delay by the Company in exercising such remedies will not operate as a waiver of such remedies.

3.9 Termination of Your Contract

- (a) Subject to the conditions of this Section 3.9 of Chapter 6, (i) you may terminate your Brand Affiliate Account at any time by providing the Company with a signed written notice of termination; (ii) the Company may terminate your Brand Affiliate Account as provided in this Chapter 6; and (iii) the Company may terminate your Brand Affiliate Account without notice if you have not engaged in any Business Activity on your account for a period of 12 or more consecutive months.
- (b) If you terminate your Brand Affiliate Account, then termination becomes effective on whichever is later: (i) the date the Company receives your written notice of termination, or (ii) the date specified in your written notice.
- (c) Termination of your Brand Affiliate Account results in the loss of all rights and benefits as a Brand Affiliate, including the permanent loss of your Team. After your Brand Affiliate Account has been terminated, whether by you or the Company, you may apply to become a Brand Affiliate again by submitting to the Company a new Brand Affiliate Agreement. The requirement that you must submit a new Brand Affiliate Agreement is mandatory regardless of whether you are applying to be a Brand Affiliate under your former Sponsor or a new Sponsor.
- (d) Upon termination of a Brand Affiliate Account for whatever reason, if there is any pending investigation of, and/or unresolved legal issue related to the Brand Affiliate Account, which includes any alleged breach or actual breach of the Contract, then the Team may not roll up until all pending investigations and/or legal issues have been resolved by the Company and all penalties have been fully satisfied.
- (e) The obligations of the Contract described in Chapter 5 will survive the cancellation, termination or expiration of the Contract. Any other provisions, or parts thereof, which, by their nature, should survive cancellation, termination, or expiration will also survive.

Chapter 7 Arbitration

1 What is Mandatory Arbitration

In order to expedite the resolution of all Disputes, the Company has instituted a mandatory arbitration procedure. Arbitration is the referral of a Dispute to an impartial third party selected by you, the Company and any other Brand Affiliates involved in the Dispute. An arbitrator acts as a judge, listens to the parties' evidence, and renders a binding decision. The arbitrator's decision is a judgment that is enforceable in a court of law. The object of arbitration is the final disposition of differences of the parties in a faster, less expensive, and perhaps less formal manner than is available in ordinary court proceedings.

2 Arbitration is Mandatory and Binding as to all Disputes

YOU AND THE COMPANY AGREE THAT MANDATORY AND BINDING ARBITRATION IS THE SOLE MEANS TO RESOLVE ANY AND ALL DISPUTES. YOU WAIVE ALL RIGHTS TO JURY OR COURT TRIALS TO RESOLVE A DISPUTE. THE ARBITRATION IS FINAL AND THE DECISION CANNOT BE APPEALED. UTAH WILL BE THE EXCLUSIVE VENUE FOR ARBITRATION OF ALL DISPUTES.

3 Definition of a Dispute

A "Dispute" means "Any and all past, present or future claims, disputes, causes of action or complaints, whether based in contract, tort, statute, law, product liability, equity, or any other cause of action, (i) arising under or related to this Contract, (ii) between you and other Brand Affiliates arising out of or related to a Brand Affiliate Account, or your business relationships as independent contractors of the Company, (iii) between you and the Company, (iv) related to the Company or its past or present affiliated entities, their owners, directors, officers, employees, investors, or vendors, (v) related to the Products, (vi) regarding the Company's resolution of any other matter that impacts your Brand Affiliate Account, or that arises out of or is related to the Company's business, including your disagreement with THE Company's disciplinary actions or interpretation of the Contract."

4 Mediation

Mediation is a process whereby a neutral third party attempts to resolve a Dispute between contending parties. The object of the mediator is to increase the parties' mutual understanding of the Dispute and persuade them to adjust their positions towards each other and hopefully reconcile the Dispute. If all the parties that participated in the CRC proceeding agree to mediation, then the Company will facilitate a mediation that will be held in Salt Lake City, Utah at the offices of the Company's outside counsel. The mediation will be conducted in the English language. All fees and costs of the mediation will be borne equally by the parties in the mediation. If not all the parties agree to the mediation, then the Dispute will be submitted to arbitration as provided in this Chapter 7.

5 Request for Arbitration

For easy reference, all parties that participated in the CAC proceeding, and that will participate in the arbitration, including the Company, may be referred to as “Participants” in this Chapter 7. Within 60 days from the date of the CAC’ decision, any Participant, who is not satisfied with the CRC’ decision, will notify, in writing, all the other Participants in the CAC proceeding that the Participant requests that the Dispute be referred to arbitration before a neutral third party arbitrator (“Petition for Arbitration”). Failure to submit a timely Petition for Arbitration will constitute acceptance of the CAC decision and the Participant agrees to abide by the terms of the decision. Within a reasonable time after receipt of the Petition for Arbitration, the Company, through its outside counsel, will contact all the Participants regarding an arbitration date and provide a list of potential arbitrators.

6 Arbitration Procedure

6.1 Rules of Arbitration; Location

The arbitration will be conducted by a professional arbitrator that has been agreed to by the Participants. The arbitration will be conducted in accordance with the Utah Uniform Arbitration Act. The arbitration will be held Salt Lake City, Utah in the offices of Company’s outside counsel.

6.2 Discovery

The arbitrator will have the discretion to order a pre-arbitration exchange of information by the Participants, including but not limited to, production of requested documents, exchange of summaries of testimony of proposed witnesses, and the depositions of witnesses and the Participants. Additionally, subject to the approval of the selected arbitrator, the Participants may submit a pre-arbitration brief outlining the legal causes of action and factual background.

6.3 Date of Arbitration

Unless all the Participants agree to extend the date of the arbitration, the arbitration will take place no later than six months after the date of the Petition for Arbitration.

6.4 Language

The arbitration will be conducted in the English language, but at the request and expense of the requesting Participant, documents and testimonies will be translated into the requesting Participant’s preferred language.

6.5 No Class Actions

No Dispute will be adjudicated, in arbitration or any other judicial proceeding, as a class action.

6.6 Permitted Attendees

Each Participant in the arbitration is limited to the attendance of the Participant, those individuals appearing on the Participant’s Brand Affiliate Agreement, and no more than two attorneys per Participant.

6.7 Fees and Expenses of Arbitrator

All fees and expenses of the arbitrator will be borne equally by the Participants in the arbitration.

6.8 Awards

- (a) The arbitration will be final and binding. It will be a full resolution of all claims and disputes between the Participants in the arbitration. Judgment upon the award rendered by the arbitrator may be entered in any court within the state of Utah. All upline Brand Affiliates and Teams of the Participants will be bound by the final arbitration award.
- (b) Any award by the arbitrator will be in writing and based on the application of the strict rules of law to the facts before the arbitrator. The arbitrator is authorized to award a Participant any sums that are deemed proper for the time, expense, and trouble of arbitration including arbitration fees and attorney's fees. Punitive damages, however, will not be allowed in any Dispute. **NEITHER ANY PARTICIPANT NOR THE COMPANY, NOR ANY OF THE COMPANY'S RELATED ENTITIES, OFFICERS, DIRECTORS, EMPLOYEES, INVESTORS, OR VENDORS, WILL HAVE ANY LIABILITY FOR ANY PUNITIVE, INCIDENTAL, CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES, INCLUDING LOSS OF FUTURE REVENUE OR INCOME, OR LOSS OF BUSINESS REPUTATION OR OPPORTUNITY RELATING TO THE BREACH OR ALLEGED BREACH OF THE CONTRACT OR FOR ANY ACT, OMISSION, OR OTHER CONDUCT ARISING OUT OF THE PARTICIPANT'S STATUS AS AN INDEPENDENT CONTRACTOR AND DISTRIBUTOR OF THE COMPANY'S PRODUCTS.**

6.9 Confidentiality

All arbitration proceedings will be closed to the public and confidential. Except as may be required by law and the Company's use of an arbitrator's award as precedence for deciding future Disputes, neither a Participant nor the arbitrator may disclose the existence, content, or results of any arbitration without the prior written consent of all the Participants.

6.10 Enforcement of Award; Injunctive Relief

Notwithstanding this arbitration policy, any Participant may apply to a court of competent jurisdiction in the county and state of Utah in the United States, or in any other jurisdiction as necessary (i) to enforce an arbitration award or the injunctive relief granted by an arbitrator, or (ii) to seek a temporary restraining order, preliminary injunction, or other injunctive relief before, during the pendency of, or after a decision in any arbitration proceeding. The institution of any action in a court for equitable relief, or to enforce an arbitration award or order, will not constitute a waiver of the obligation of any Participant to submit any Dispute to arbitration.

6.11 Survival

Your agreement to arbitrate will survive any termination or expiration of the Contract or any other agreements between you and the Company.

7 Third Party Claims

In order to protect the Company, its assets, and its reputation from claims or disputes created by outside (non-Brand Affiliate) third parties, the Company requires the following: if any Brand Affiliate is charged with any infringement of any proprietary right of any outside third party (who is not a Brand Affiliate) arising from any of the Company's proprietary assets, or if the Brand Affiliate becomes the subject of any claim or suit related to that Brand Affiliate's business-related conduct or any other action that directly or indirectly negatively affects or puts the Company, its reputation, or any of its tangible or intangible assets at risk, the affected Brand Affiliate will immediately notify the Company. The Company may, at its own expense and upon reasonable notice, take whatever action it deems necessary (including, but not limited to, controlling any litigation or settlement discussion related thereto) to protect itself, its reputation, and its tangible and intangible property. The Brand Affiliate will take no action related to that claim and suit, unless the Company consents, which consent will not unreasonably be withheld.
