

Social Sharing Guidelines

Our business model is based on person-to-person selling—leveraging the power of word of mouth.

While technology keeps changing, people sharing their enthusiasm for Nu Skin will continue.

Nu Skin supports and will continue to support active participation in social media. As a Brand Affiliate, you represent Nu Skin. It is imperative for social media use to be consistent with Nu Skin's image and brand standards and policies.

TO BOTH PROTECT AND ENHANCE NU SKIN'S REPUTATION WHEN USING SOCIAL MEDIA, FOLLOW THESE BASIC GUIDELINES AS WELL AS OUR DETAILED POLICIES AND PROCEDURES. PLEASE ONLY POST AND ENGAGE WITH CONTENT THAT MEETS THESE GUIDELINES. VIOLATION OF THESE GUIDELINES WILL DAMAGE NU SKIN'S REPUTATION AND MAY RESULT IN THE ACTIONS TAKEN BY NU SKIN PURSUANT TO POLICIES AND PROCEDURES.

KEY PRINCIPLES ARE THE SAME— NO MATTER THE PLATFORM

TODAY'S AUDIENCES CAN BE SKEPTICAL ABOUT PRODUCT CLAIMS, OPPORTUNITY CLAIMS, THE DIRECT SELLING INDUSTRY AS A WHOLE, AND THEIR ABILITY TO THRIVE IN THIS BUSINESS MODEL.

KEEP THEIR PERSPECTIVE IN MIND WHEN COMMUNICATING WITH THEM.

BECAUSE THEY OFTEN THINK MESSAGES ARE...

ALWAYS TAKE CARE TO...

“Too good to be true”

KEEP IT REAL
be straightforward
and don't overstate

“Too little information”

BACK IT UP
Provide specifics that
alleviate concerns

“Too much too soon”

EASE THEM IN
Meet your audience
where they are

SOCIAL SHARING FAQ

Q: What information shall I include on my selling site?

A: In order to support the sale of products to customers, you may include information about the products, such as description, benefits, and ingredients. You may not post any promotional, training or recruiting content on selling sites. In addition, all selling sites must include the following disclaimer: “Independent Brand Affiliate Produced Website - This website is not produced or approved by Nu Skin Enterprises Inc. or its affiliated companies.”

Q: Why am I only allowed to share average results about the products and opportunity?

A: Because others may decide to purchase products or join the business based on the experiences you share with them, it’s important to make sure prospects have accurate information and realistic expectations. Although many Brand Affiliates and customers have experienced extraordinary results, many have not. Because of this, all representations must be consistent with approved product benefits and average compensation figures. Just because something is true doesn’t mean you can say it.

Q: Do I need to use a disclaimer when talking about income/lifestyle potential?

A: Yes. Please see the Opportunity Testimonial Guidelines for required disclaimers and when to use them.

Q: Why do I have to disclose that I am a Brand Affiliate?

A: Advertising requirements in many markets require that disclosure needs to be given whenever a company provides compensation. Disclosure must be clear, prominent, and in immediate proximity to the post, not in a general “about” section, overwhelmed by other content/text, or in a hyperlink. For individual social media posts, use hashtags to disclose your relationship with Nu Skin (e.g., #NSbrandaffiliate, #affiliate).

Q: Why can’t I sell on online marketplaces (Facebook Marketplace, Sendo, Shopee, Lazada, Tiki, Ebay etc.)?

A: The Company believes the use of social media is simply an extension of the one-to-one direct selling relationship. Products promoted in brick and mortar stores and online marketplace sites are just the opposite and do not support interaction with the customer.

Q: Am I allowed to show product names on social media platforms?

A: Company tradenames, product names, and Company pictures may be used in individual posts. Company tradenames, product names, or logos cannot be used when naming or branding a Brand Affiliate’s social media platform.

SOCIAL SHARING FAQ

Q: Why do I need to use a disclaimer when talking about success trips?

A: Because incentives you receive from Nu Skin (including trips) are considered compensation, it's important to provide the right context to avoid confusion as to the number of Brand Affiliates who actually earned them. When talking abouts success trip qualification, this disclaimer should be used: "Of our 8,204 Vietnam Active Brand Affiliates and 1,000 Brand Representatives as of 2020, 219 Brand Representative accounts qualified for an incentive trip in 2020."

Q: How does the return policy work with social selling?

A: All Brand Affiliates who choose to use social media platforms must disclose to customers and adhere to Nu Skin's product refund and exchange policy for retail customers. The Company reserves the right to refund retail customers, in its sole discretion, if it determines that its refund/exchange policies have not been followed, and bonus commission deductions will be withheld from the selling Brand Affiliate.

Q: Can I publicly share product prices?

A: Although product prices can be included on your selling site, you may not promote or share specific pricing or discounts on social media.
