Frequently Asked Questions

Q: Can I use services like PayPal, Omise, 2C2P, Pay Solution, Prompt Pay, GB Prime Pay?

A: Yes, Brand Affiliates can use payment gateways to accept credit cards and authorize/process payments at their discretion, subject to assumption of any risk or liability arising from compliance with Payment Card Industry (“PCI”) standards, including all applicable data, privacy, and security laws.

Q: I have friends all over the world, can I sell products to friends in other markets?

A: Brand Affiliates may only sell products purchased from the market where the Brand Affiliate resides. Online customers are only permitted to purchase and receive product(s) from the market in which the customer resides. Brand Affiliates may sell products to customers residing in another market only through Company produced tools and platforms.

Q: Is paid advertising permitted?

A: Paid advertising must be directed only to people who like your page or engage with you, e.g. a Boosted Facebook post to followers. Brand Affiliates may not use any other form of paid advertising, referrals, or other means to target specific demographics or aggregate/drive traffic to a social media platform or selling site (e.g. banner/pop-up ads, paid influencer posts, AdWords ads, and Cost per Mile).

Q: Is Search Engine Optimization (SEO) permitted?

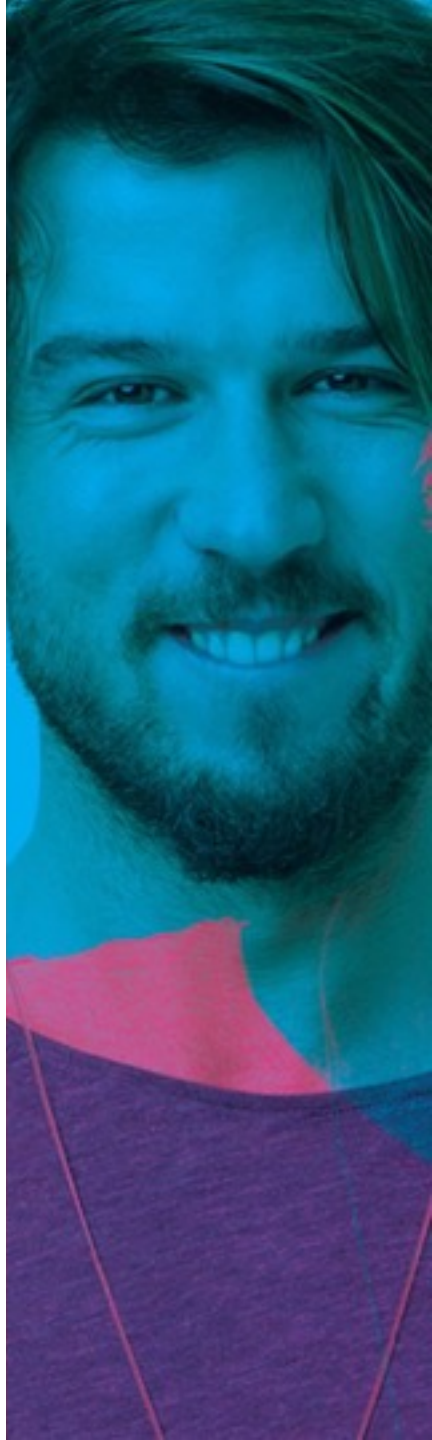

A: SEO features in any form are prohibited and cannot be used. Keywords used in the page title, meta description, ALT tags, and/or in the pages body content that would otherwise be used to directly attract customers are prohibited.

Q: Can I use automated messaging and chatbots?

A: Automated messaging and chatbots are permitted, but limited to targeting only people who follow/like your page or who actively engage with you on your page (e.g. likes a post or makes a comment).

Q: Can I recruit online?

A: It is prohibited to actively recruit in public forums, such as discussion groups, message boards, blogs, comment sections, and employment-based websites. You may, however, actively recruit in personal social media platforms as well as private forums, such as closed groups, when such recruiting does not violate the admin/moderator rules or terms and conditions of such group or site.

Q: How does Nu Skin ensure a level playing field for social sellers?

A: Direct selling is driven by relationships that are built through person-to-person interactions. In order to ensure that all customers receive personalized care and meaningful communication and Nu Skin provides a level playing field for social sellers, Nu Skin has limited the use of selling sites, including business entities, electronic storefronts, “boutiques” and any other similar entity, to those with less than 10 employees or less than USD\$50,000 of total monthly revenue from sources other than Nu Skin.

Q: Why can't I do raffles or contests to engage my followers?

A: Games of chance are highly regulated by state and federal governments and many social media platforms have very details policies, as well. As a result, contests, Sweepstakes, etc. are strictly prohibited.

Q: What if I have questions about what is or isn't allowed?

A: Please reference additional documents in the Compliance Corner section of the Nu Skin website referenced below. If you have additional questions, please don't hesitate to contact the TH Compliance team at thcompliance@nuskin.com
