“Nu Skin® is taking the science of the sources of ageing to a completely new level by studying the genetic origins of how and why we age.”

Dr. Joseph Chang, Chief Scientific Officer Executive Vice President Product Development

THE FUTURE OF LOOKING AND FEELING YOUNG

Based on years of unparalleled research in skin and nutritional science, Nu Skin® has ushered in a new era with our exclusive ageLOC® science.

With our exclusive ageLOC® science, you can unlock your youthful potential. The ageLOC® brand is a comprehensive approach – targeting the ultimate sources of ageing to diminish the look and feel of ageing. Get ready to discover the products that will improve different aspects of your life. It’s time to unlock the new you.

INNOVATIVE. COLLABORATIVE.

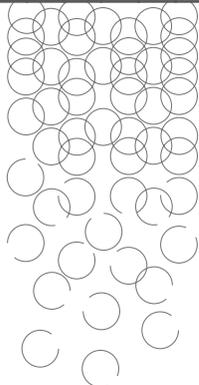

Scientific innovation has established Nu Skin® as a leader in the health and beauty industries. Our proprietary product formulations and technologies enable us to set new industry standards in the sources of ageing, with real solutions that exhibit demonstrable results. Our team of in-house scientists demonstrates our commitment to research and development by collaborating with leading research institutions. These collaborative relationships help us to develop next-generation skin care and nutritional products.

ageLOC® SCIENCE

Nu Skin® has taken the latest insights of how to impact the visible signs of ageing to a new level. In collaboration with some of the world's leading anti-ageing researchers, Nu Skin® scientists have identified key groups of genes called age-related super markers or arSuperMarkers, that influence how we seem to age. Nu Skin®'s exclusive ageLOC® science targets these ultimate sources of ageing to develop products that help you look and feel younger.

ageLOC®

“Nu Skin® uses gene chip technology to identify functional groups of age-related super markers – what we call Youth Gene Clusters. Our research on Youth Gene Clusters helps us to better understand the mechanism of the visible signs of how we look as we are ageing.”

Helen Knaggs, Ph.D., Vice President
Global Research & Development

IDENTIFYING THE SOURCE

The scientific community has open access to the Human Genome, but Nu Skin®'s breakthrough ageLOC® science gives us the ability to interpret it in a meaningful way. In a recent discovery, Nu Skin®, along with anti-ageing and genetics experts, identified key groups of genes called Youth Gene Clusters. Nu Skin® believes that finding and identifying these functional groups of genes is crucial to addressing the visible signs of ageing at the source.

Clinical study results, genomic analyses and substantiated research have led Nu Skin® scientists to identify genes of which the expression profile shares characteristics associated with youthfulness. The expression of these genes is responsible for the visible signs of ageing on our skin.

REBALANCING YOUTH

Once these key groups of genes have been identified, it is necessary to understand how their activity can reflect a more youthful skin profile. Rebalancing this profile is a subtle process, it is not as simple as turning them all on or off. Some skin markers may need to be turned down and others turned up. Nu Skin®'s proprietary ageLOC® science creates new opportunities to support younger looking skin and body.

NU SKIN.

FROM THE OUTSIDE IN

Nu Skin® is a leader in the skin care industry with scientifically advanced ingredient technologies and skin beneficial formulas comprised of high quality ingredients. And now, together with ageLOC® science, our skin care products are going a step further by helping to unlock the secret to a younger looking you – today and in the future.

ageLOC[®] LumiSpa[™]

1 step. 2 minutes. 7 benefits.

ageLOC®
LumiSpa™

ageLOC® LumiSpa™ is designed to do more than just clean the surface of the skin, it is a 7-in-1 solution for youthful looking skin.

The thoughtful design of ageLOC® LumiSpa™ results in a quick two-minute thorough cleansing that will leave your skin feeling renewed and refreshed, revealing a radiant and youthful looking complexion. Created by Nu Skin and dermatologist tested, ageLOC® LumiSpa™ is inspired by gene expression technology of structural skin protein production. Every ageLOC® LumiSpa™ experience will leave you looking forward to the next one.

ageLOC® LumiSpa™ is a waterproof and rechargeable handheld personal skin care device. Used together with the specially formulated ageLOC® LumiSpa™ Activating Cleansers, it simultaneously changes the appearance, smoothes and cleanses the facial skin.

Clinically **Proven** Benefits:

- Reduced appearance of pores
- Smoothness
- Softness
- Radiance
- Clarity
- Freshness
- Thoroughly cleansed skin

* Firm Silicone head can be bought separately.

ageLOC® LumiSpa™ Activating Cleansers

ageLOC® LumiSpa™ features 3 facial cleanser options designed for different skin types: normal/combo, dry and oily skin. These compelling skin cleansing products are formulated using Nu Skin's proprietary ageLOC® ingredient blend. Optimally designed to be used together with the ageLOC® LumiSpa™ device, they form a system that joins efficacy and innovation. The ageLOC® LumiSpa™ system offers youthful, healthy-looking skin when used as directed - because after using it, your skin will not only be cleansed but it will also look smooth and soft.

ageLOC® LumiSpa™ Activating Cleanser for Normal to Combination skin

This cleanser contains a gentle cleansing system for normal to combination skin with coco-betaine, combined with Glycerine to help balance and complement this formula.

100ml

Item No. 97001492

ageLOC® LumiSpa™ Activating Cleanser for Dry skin

This cleanser contains agents for dry skin as Sodium Lactate, Sodium PCA, Glycine, Fructose, Niacinamide, Squalane and Inositol to help protect the skin's natural moisturising factors.

100ml

Item No. 97001494

ageLOC® LumiSpa™ Activating Cleanser for Oily skin

This cleanser contains functional cleansing agents for oily skin that includes a combination of sulfates and betaine.

100ml

Item No. 97001493

ageLOC® LumiSpa™ Silicone Heads

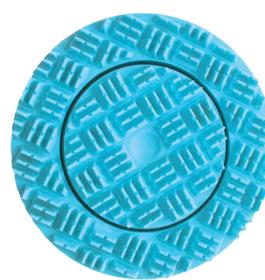

ageLOC® LumiSpa™ features 2 heads: Normal and Firm. With its soft silicone head, ageLOC® LumiSpa™ moves at the precise frequency needed to exert its beneficial effect on the skin, resulting in smoother, softer skin after the first use. Their gentle, nonabrasive silicone surfaces are hygienic and generally easier to clean than bristle heads commonly found on the market.

ageLOC® LumiSpa™ Normal Silicone Head

A universal head suitable for most skin types. Its flexible silicone gently glides to wipe away dirt and loose dead skin cells.

Item No. 97310013

ageLOC® LumiSpa™ Firm Silicone Head

The firm head offers a more pronounced exfoliating option.

Item No. 97310015

CUSTOMISED SKIN CARE

Imagine anti-ageing skin care as individual as you are. Experience it with ageLOC Me® state-of-the-art technology and breakthrough anti-ageing formulations.

ageLOC me

Nu Skin® has redefined skin care with ageLOC Me®, an entirely new approach to anti-ageing. Featuring five cutting-edge cartridges (1 day moisturiser, 1 night moisturiser and 3 anti-ageing serums combined in one step through the device), one unique delivery device and one smart Skin Assessment, ageLOC Me® is anti-ageing skin care like you have never seen, felt, or imagined.

EXPERT SKIN ASSESSMENT

ageLOC Me® eliminates the guesswork, making it easier to find the ideal customised daily skin care regimen including your anti-ageing serum, Day and Night moisturisers.

ageLOC® ANTI-AGEING FORMULAS

Represent Nu Skin®'s most sophisticated anti-ageing skin care formulations in an exceptional way with revolutionary ageLOC® technology that targets the sources of the visible signs of skin ageing.

A UNIQUE SKIN CARE EXPERIENCE

ageLOC Me® transforms your daily regimen into a truly luxurious, touchless and hygienic experience through a first-of-its-kind delivery device.

CUSTOMISED FOR YOU
by you

ageLOC Me® Skin Care System includes:

1 ageLOC Me® Device, 1 ageLOC Me® Reference Set (5 initial ageLOC Me® cartridges: 1 Day moisturiser with fragrance and SPF 25 – 28ml, 1 Night moisturiser without fragrance – 28ml and 3 Serum – 12ml each), 1 ageLOC Me® quick start guide, 1 ageLOC Me® Skin Assessment card, 1 ageLOC Me® travel container and 4 AA batteries.

Item No. 97001640

ageLOC Me® SKIN CARE SYSTEM

Customised for you, by you

ageLOC Me® is a first-of-its kind anti-ageing skin care system combining customisation, skin care and innovation. The ageLOC Me® Skin Care System contains 1 ageLOC Me® Device as well as 1 month's supply of anti-ageing products called the Reference Set.

ageLOC Me® DEVICE

- First-of-its-kind touchless delivery device
- Makes the daily skin care routine more streamlined, fast, easy and fun
- Delivers a precise dose at the right time, every time
- Hygienic and clean delivery

ageLOC Me® REFERENCE SET

- Enables you to learn about your skin's needs and your preferences
- Proprietary ageLOC® formulations
- Anti-ageing ingredients provided in 3 Serum cartridges delivered in one step - providing a wide array of active ingredients.
- Stored in airless, patented cartridges, this vacuum filling ensures the most optimal product delivery

The ageLOC Me® Reference Set is also available for individual sales. 5 ageLOC Me® cartridges (1 Day/1 Night/3 Serum)

Item No. 97001643

ageLOC Me® SKIN ASSESSMENT

- Intelligent and exclusive skin assessment algorithm based on Nu Skin®'s experience and expertise
- Customisation based on you, your skin and your preferences
- Eliminates the guess work and makes the skin care product selection much more precise
- Enables you to fine-tune your regimen when needed

YOUR 4 STEPS TO INDIVIDUAL SKIN CARE

1. Discover the ageLOC Me[®] Skin Care System and learn about your skin

2. Personalise your skin care regimen with the ageLOC Me[®] Skin Assessment

3. Experience your customised skin care regimen

4. Fine-tune your regimen to adjust to the season, your skin ageing concerns or a location change

ageLOC Me[®] CUSTOM SET

Get your custom-made skin care with ageLOC Me[®] Skin Assessment. This online evaluation tool is your pathway towards a personalised skin care regimen with about 2,000 product combinations, thanks to a specific series of questions concerning your environment, your skin ageing concerns and your preferences. After taking the Skin Assessment, use your personal skin care code to buy your tailored cartridges.

Complete the ageLOC Me[®] Skin Assessment to get your personal code.

ageLOC Me[®] DAY AND NIGHT MOISTURISER

The Day and Night formulas are designed to work together in way to provide a comprehensive hydration. The moisturisers help improve cellular turnover to refine texture and reveal smoother, softer skin. Customise your moisturisers according to your preferences with the ageLOC Me[®] Skin Assessment.

ageLOC Me[®] SERUM

The serums target a wide range of ageing concerns, such as the appearance of lines and wrinkles, uneven skin tone, pore size, discoloration, skin's firmness, etc. Your 3 specific cartridges will depend on the skin care needs you highlighted through your Skin Assessment.

ageLOC Me[®] TRAVEL CONTAINER

Bring your ageLOC Me[®] products with you when travelling with this handy travel container featuring 3 jars for your Day and Night moisturisers and your Serum. This travel container fits up to 7 days' worth of product.

Item No. 97001644

ageLOC Me[®] LEATHER CASE

This luxurious, genuine leather case features a stand for your ageLOC Me[®] Device and 3 compartments to hold additional ageLOC Me[®] cartridges and batteries. It's the perfect accessory to transport your ageLOC Me[®] and show off this unique product.

Item No. 86999185

arNOX Activity – *in vitro* experiment

ADDITION OF arNOX INHIBITOR

This experiment shows how an *in vitro* arNOX inhibitor affects arNOX enzyme activity.

DESCRIPTION OF BENEFITS

ageLOC® ingredients have been shown to protect the skin from oxidative stress by reducing the expression of free radicals associated with the arNOX enzyme. This may help slow down the appearance of skin ageing that may be caused by accelerated free radical production.

*arNOX activity measured *in vitro* through Ferricytochrome C Reduction, nmole/min/1.5mg epidermis.

NU SKIN 180°

Turn your complexion around.

Gentle yet powerful, the Nu Skin 180° Anti-Ageing System is Nu Skin's cell renewal specialist. Featuring hydroxy acids, this advanced system targets the visible signs of ageing by enhancing your skin's natural cell renewal rate and diminishing the appearance of fine lines and wrinkles. Nu Skin 180° is your turning point for a younger looking skin.

NU SKIN 180° AHA FACIAL PEEL AND NEUTRALIZER

Wipe away dull, aged skin.

Utilising a 10% lactic acid solution, this scientifically proven formula that helps to reduce the visible signs of ageing, protects and helps to keep the skin's appearance young and fresh. Effective on its own or as part of your Nu Skin 180° System, this powerful facial peel helps stimulate cell turnover to create a smoother, younger look.

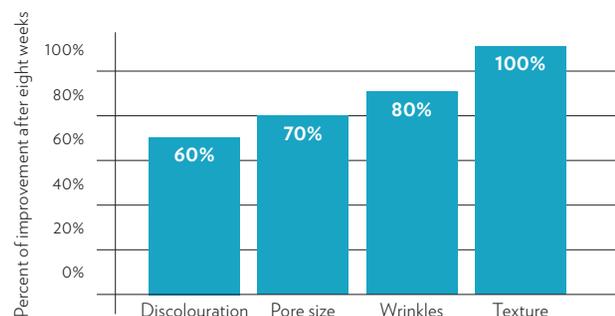

2 jars
(each jar is 25ml and contains 18 pads)

Item No. 97101249

NU SKIN 180° EIGHT-WEEK REGIMEN

In a Nu Skin 180° clinical study conducted at a third-party testing lab, clinical graders assessed the skin's appearance improvements of 50 participants. After eight weeks, 100% of these participants showed some improvement in overall radiance. According to the clinical grader assessments, the percentage of participants who exhibited improvements within the individual attributes and overall radiance was as follows:

NUTRICENTIALS®

Nutricentials® products are formulated with topically applied nutrients proven to naturally enhance the healthy appearance of the skin. With key nutrients from the local daily diets around the world, Nutricentials® products are great for sensitive skin and help to keep skin looking healthy and radiant.

NORMAL TO DRY SKIN RANGE

Normal to dry skin needs greater water-holding capacity. These products provide the perfect basis for your daily skin care regimen while protecting the skin's moisture barrier.

CREAMY CLEANSING LOTION

Protects the skin's moisture barrier each time you cleanse.

This gentle, soap-free cleanser thoroughly removes impurities and debris without stripping critical skin lipids.

150ml

Item No. 97110310

pH BALANCE TONER

Primes skin for hydration and nourishment.

Featuring strawberry extract, which gives skin its ideal pH while helping to diminish the appearance of pores.

150ml

Item No. 97110312

MOISTURE RESTORE DAY SPF 15 NORMAL TO DRY SKIN

Hydrates and protects skin.

Featuring colourless carotenoids, this lotion enhances the skin's resistance to the environmental conditions that may negatively impact the skin.

50ml

Item No. 97102728

NIGHT SUPPLY NOURISHING CREAM

Promotes skin flexibility and resiliency while you sleep.

This rich formula contains phosphatidylcholine, which enhances the skin's renewal process as it increases the cell membranes' flexibility and resiliency.

50ml

Item No. 97102705

NUTRICENTIALS® COLLECTION

Combination to oily skin

Collection of six products: Pure Cleansing Gel, pH Balance Mattifying Toner, Celltrex® Ultra*, Celltrex® CoQ10 Complete*, Moisture Restore Day SPF 15 Combination to Oily Skin and Night Supply Nourishing Cream, all presented in an attractive toiletries bag.

Item No. 97136438

COMBINATION TO OILY SKIN RANGE

Combination to oily skin needs to efficiently retain its own moisture without producing excess oils. These products help minimise shine and free pore-blocking debris while promoting skin softness.

PURE CLEANSING GEL

Deep cleans and clarifies pores.

This soap-free foaming formula contains papain, an enzyme from papaya that frees pores of excess oil and debris.

150ml

Item No. 97110309

pH BALANCE MATTEFYING TONER

Reduces shine and the appearance of pores.

Featuring strawberry extract to help pores look less noticeable and promote a radiant complexion.

150ml

Item No. 97110313

MOISTURE RESTORE DAY SPF 15 COMBINATION TO OILY SKIN

Healthy looking skin without the oil and shine.

This lotion enhances the skin's natural resistance to the environmental conditions that may negatively impact the skin and helps to control excess oil and shine.

50ml

Item No. 97102727

NIGHT SUPPLY NOURISHING CREAM

Promotes skin flexibility and resiliency while you sleep.

This rich formula contains phosphatidylcholine, which enhances the skin's renewal process as it increases the cell membranes' flexibility and resiliency.

50ml

Item No. 97102705

*See page 32 for more information on this product.

NU SKIN CLEAR ACTION® SYSTEM

Clearing beyond the breakout.

Collection of four products: Nu Skin Clear Action® Foaming Cleanser, Nu Skin Clear Action® Toner, Nu Skin Clear Action® Day Treatment and Nu Skin Clear Action® Night Treatment.

Item No. 97110391

NU SKIN CLEAR ACTION®

This comprehensive, clinically proven system will give you smoother, clearer looking skin as it fights past, present and future visible signs of breakouts. Nu Skin Clear Action® products are formulated with ingredients that deliver key benefits substantiated through clinical trials.

NU SKIN CLEAR ACTION® FOAMING CLEANSER

Deep cleaning for silky-smooth results.

Formulated to disrupt the breakout causing union of oil, bacteria and debris, this unique foaming cleanser features salicylic acid to clear pores and reduce most breakouts – leaving skin fresh and clean without feeling tight or dry.

100ml

Item No. 97110388

NU SKIN CLEAR ACTION® TONER

Keeps your complexion calm and shine free.

This advanced toner soothes angry, red skin and manages oil levels with liquorice extract (soothes irritated skin), zinc PCA (helps control sebum levels) and a special blend of vitamins C and E (replenishes the natural antioxidant supply that is lost when your skin is fighting breakouts).

150ml

Item No. 97110387

NU SKIN CLEAR ACTION® DAY TREATMENT

Multi-action for one result – clear skin!

Protects and revitalises your complexion. Mandelic acid reduces the appearance of visible signs of past breakouts as it quickly fades dark spots on the skin's surface. Salicylic acid works to penetrate pores and dissolve clogs. Combined in a lightweight gel, these two ingredients along with humectants such as gluconolactone support the skin's natural resiliency and promote a clear, even complexion, so you can face every day with confidence.

30ml

Item No. 97110389

NU SKIN CLEAR ACTION® NIGHT TREATMENT

Minimise the visible signs of breakouts while you sleep.

Featuring salicylic acid and retinol to diminish the appearance of visible remnant marks associated with past breakouts, this night time formula helps to deliver a smooth, clear, evenly toned complexion.

30ml

Item No. 97110390

HYDRATE AND REPLENISH

We all need a moisturiser that is adapted to the special needs of our skin. There are lots of different factors that influence the level of moisturisation it needs; like fluctuating temperature, pollution, etc. Nu Skin® offers a broad range of facial moisturisers from light to rich. These facial moisturisers can be added to your core daily skin regimen to help you achieve the right hydration for a healthier appearance.

LIGHT MOISTURISATION

NaPCA MOISTURE MIST
Dewy-fresh skin is just a spray away.
Packed with natural moisturising ingredients like NaPCA, hyaluronic acid and urea, this oil-free formula helps your skin to maintain a regular moisture level. The cool, refreshing mist is also ideal for the body.

250ml
Item No. 97101226

ENHANCER
A natural balancing act to soothe and hydrate.
With conditioning panthenol and soothing aloe vera, Enhancer soothes the skin and limits moisture loss. Use liberally to keep skin comfortable and support its natural moisture balance.

100ml
Item No. 97110308

RICH MOISTURISATION

REJUVENATING CREAM
A moisture boost for drier skin types.
Formulated to address the special needs of dry skin, this cream improves your skin's moisture-binding capabilities with the hydrating power of hyaluronic acid. Daily use not only improves moisture, but also helps to keep dryness from returning.

75ml
Item No. 97110258

MOISTURE RESTORE INTENSE MOISTURIZER
Maximum moisture for distressed skin.
Richer than Rejuvenating Cream, Moisture Restore addresses the needs of extremely dry skin. Featuring pistachio oil, aloe vera and oxidative stress fighting vitamin E, this rich moisturiser strengthens the skin's natural lipid barrier to give suppleness and plasticity to dry or flaky skin.

75ml
Item No. 97111259

MEDIUM MOISTURISATION

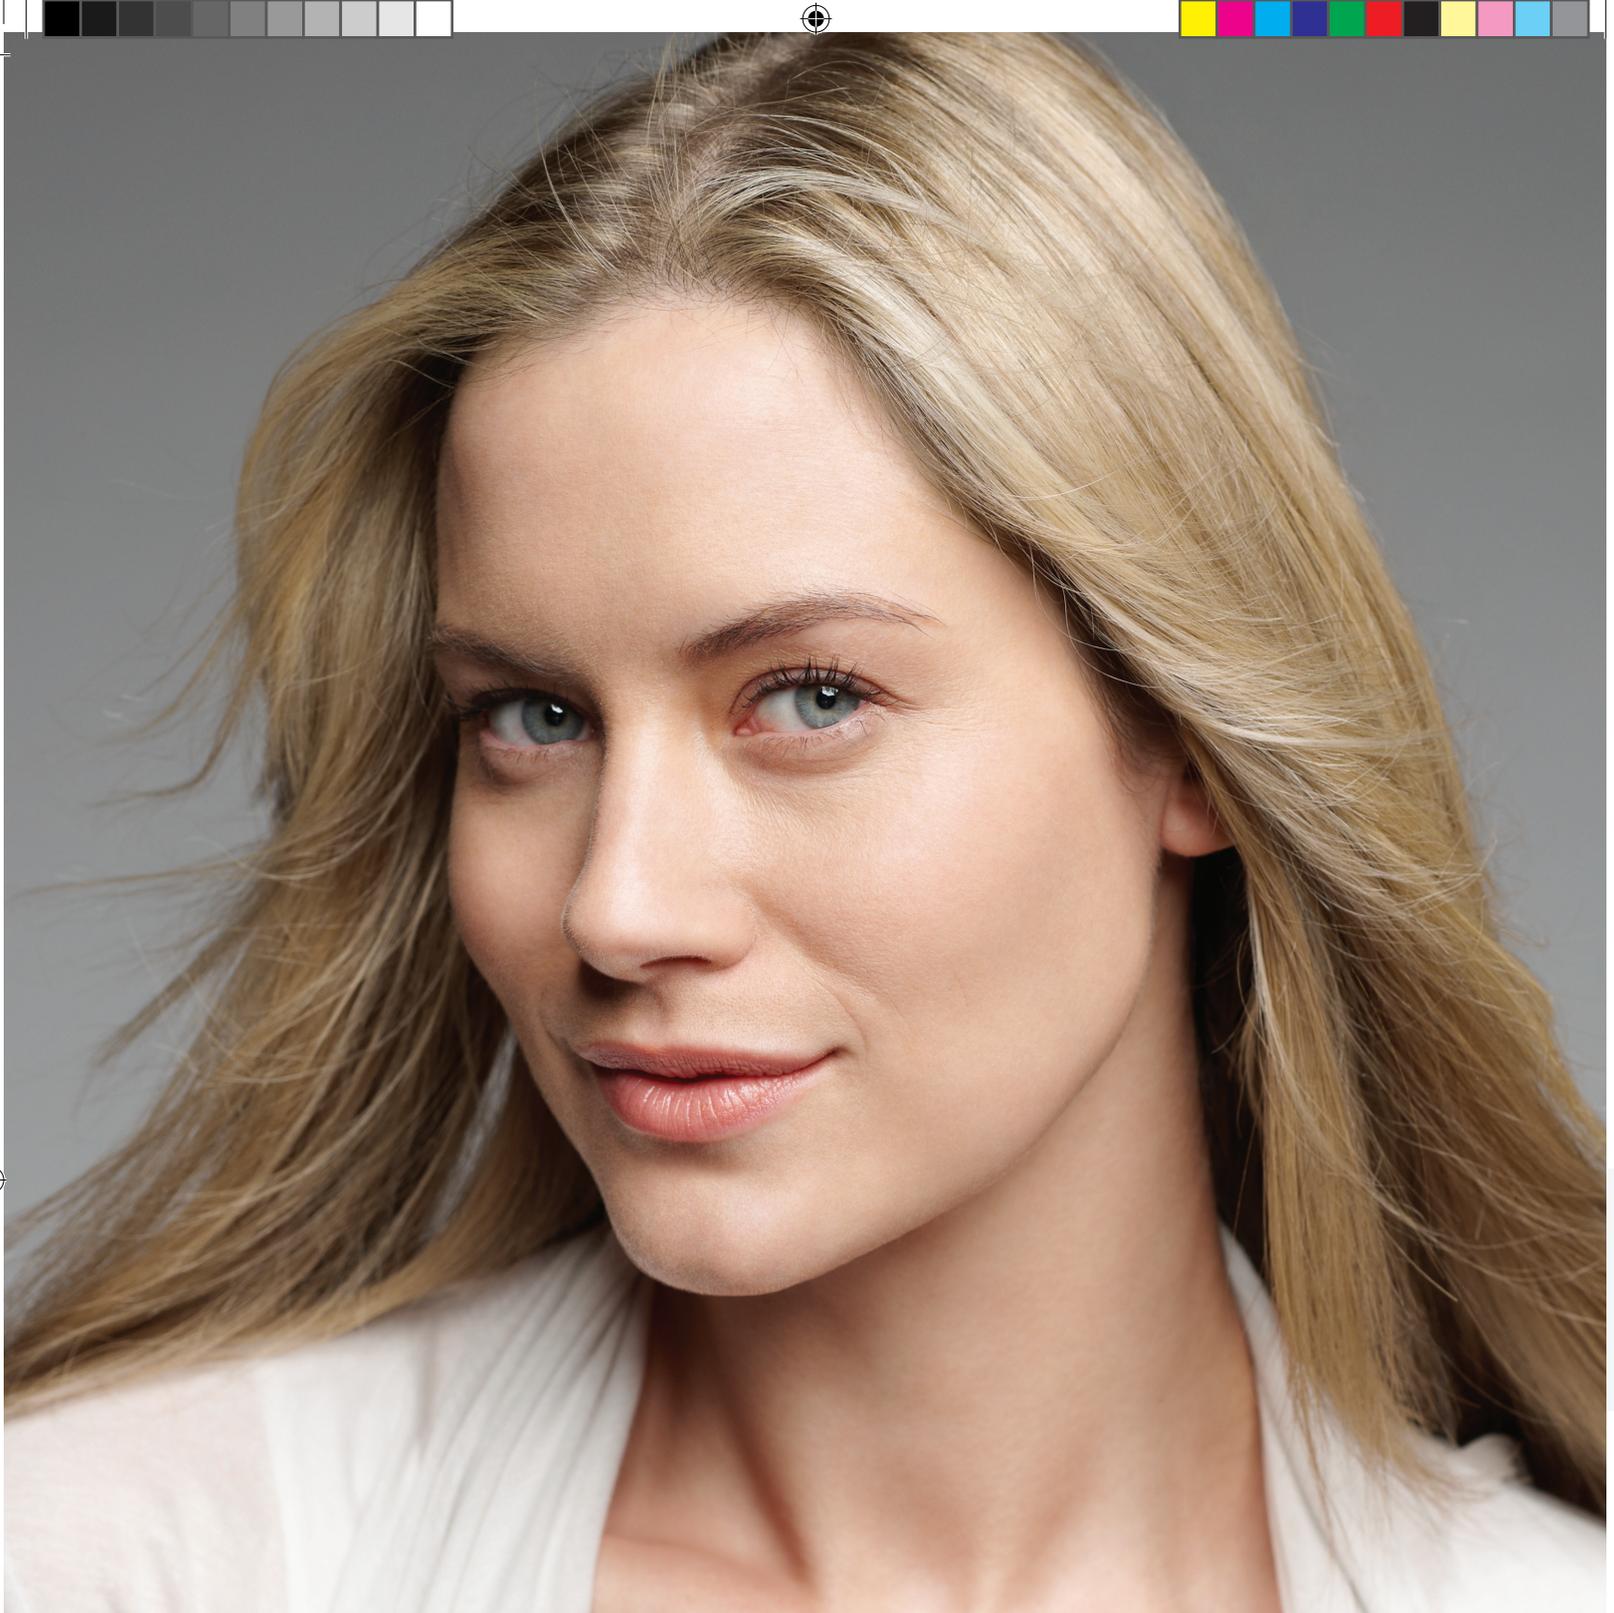

NaPCA MOISTURIZER
Helps skin hold on to precious moisture.
With vitamin E and the natural humectant NaPCA, this cream penetrates quickly to supplement the skin's own moisture-binding capacity. The dewy-light after-feel makes this moisturiser ideal for all skin types.

75ml
Item No. 97110257

INTENSIVE EYE COMPLEX
Intense moisture meets delicate skin - beautifully!
Formulated with brown seaweed to fortify the skin's natural ability to absorb and retain moisture, this cream keeps the delicate skin around the eyes properly hydrated while helping to soften the appearance of fine lines and wrinkles.

15ml
Item No. 971101233

TARGETED SOLUTIONS

Developed with leading research institutions, Nu Skin® targeted solutions contain cutting-edge formulas to complement your core system and diminish the visible signs of skin ageing, the impact of stress and environmental exposure to enhance a healthy looking, youthful appearance.

ageLOC® TRU FACE® ESSENCE ULTRA

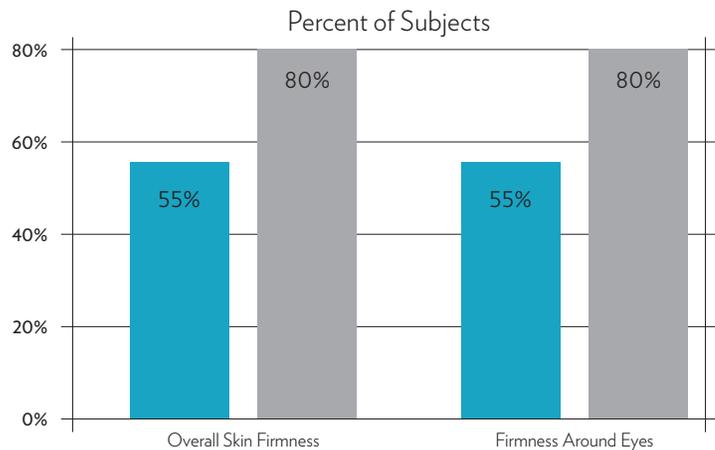

Get firm with your skin!

Nu Skin's firming specialist now employs ageLOC® science, to focus on the sources of the visible signs of skin ageing. Formulated with Ethocyn® and an antioxidant network, ageLOC® Tru Face® Essence Ultra promotes the key components of a firm skin and helps to protect it from oxidative stress. Featuring these key ingredients, this product will help you contour and firm your skin for a more youthful looking appearance.

60 capsules

Item No. 97003906

ageLOC® Tru Face® Essence Ultra CLINICAL RESULTS

- Week 1
- Week 12

These results represent the highest response to a Tru Face® Essence product that Nu Skin® has ever seen in these time frames!

THIRD-PARTY CLINICAL STUDY

In a clinical study, over 55% of the subjects reported improvements both in overall firmness and firmness around the eyes in as little as one week. By week 12, an impressive 80% of subjects were showing improvements in these same areas.

TRU FACE®

By adding Nu Skin® Tru Face® products to your core regimen, you can enhance the benefits of daily maintenance, targeting the visible effects of ageing to keep your skin looking smooth, supple and even-toned.

ageLOC® TRU FACE ESSENCE DUET

Dare to reveal contoured and toned looking skin on your neck and décolleté

This dual vial system combines 2 powerful ageLOC formulas, a serum and a cream to contour and tone the skin on the neck and décolleté. In the left vial, a plush opaque cream, enriched with ingredients that provide a deep moisturisation and smoothness to the skin. Visibly improves your skins' radiant complexion. In the right vial, a luxurious transparent serum helps diminish the appearance of sagging skin. Take the next step in your targeted anti-aging solutions!

30ml (2x15ml)

Item No. 97001570

TRU FACE® INSTANT LINE CORRECTOR

Instant correction of the appearance of fine lines and wrinkles.

This powerful cream fills and relaxes facial lines, immediately reducing the appearance of lines and wrinkles for up to 12 hours, reducing the effects of years of habitual facial movements.

HAIR CARE

Transform the condition of your lifeless locks in just seven days with Nu Skin® Hair Care. With regular use, these scientifically advanced products correct and protect your hair from mechanical, environmental and biological aggressors – giving you visibly younger, healthier looking hair.

NU SKIN® HAIR CARE CONSUMER USE STUDY*

Formulated with scientifically proven technologies. Tested and proven to get visible results, Nu Skin® Hair Care improves the condition of your hair by smoothing the cuticle for increased strength, shine and manageability.

*Based on results from a consumer use study in which 42 participants volunteered to use a complete set of the Nu Skin® Hair Care products for seven days. Caucasian and Asian participants between the ages of 18-64 and with medium to long hair were selected and randomly assigned to use a pair of shampoo and conditioner every day and the weekly conditioning regimen once within the week.

BALANCING SHAMPOO

Just the right balance of cleansing and moisturising.

Some shampoos strip away natural moisture, leaving hair dry, exposed and dull. Nu Skin® Balancing Shampoo gently removes impurities, returning the look of youthful strength and health to your hair.

250ml

Item No. 97101351

MOISTURIZING SHAMPOO

An oasis for overworked tresses.

If overheating, over-treating and over-colouring have left your hair looking dull and feeling weak, quench your hair's deep thirst with Nu Skin® Moisturizing Shampoo. Featuring cotton bloom extract, natural sterols and shea butter, this nourishing cleanser gives strength to the cortex for visibly more radiant and replenished hair.

250ml

Item No. 97101350

CLARIFYING SHAMPOO

Reveal clean, shiny, manageable hair.

Formulated with shea butter seedcake extract, Nu Skin® Clarifying Shampoo attaches to build-up – including nicotine, chlorine and environmental pollutants – and washes away the visible signs of ageing. Your hair will feel clean, shiny and manageable and it will look stronger and healthier.

250ml

Item No. 97101352

RICH CONDITIONER

Indulge in a youthful shine.

Developed with a low pH to seal the hair cuticle for increased moisture retention, Nu Skin® Rich Conditioner contains shea butter to drench the hair with lipids that mimic natural oils. And meadowfoam repairs damage and protects from breaking and weakening, so your hair behaves, feels and looks like younger, shinier hair.

250ml

Item No. 97101354

WEIGHTLESS CONDITIONER

All the conditioning without the weight.

Featuring meadowfoam complex to repair damage and amino acids to maximise manageability, Nu Skin® Weightless Conditioner gives you luscious conditioning without dragging your hair down. This unique formula improves the condition of the hair shaft, promoting younger looking hair that feels full and looks radiant.

250ml

Item No. 97101353

RENU HAIR MASK

Lock in lustre all week long.

Nu Skin® ReNu Hair Mask provides critical hydration by penetrating the hair shaft and strengthening damaged hair. Featuring CS7, an innovative cuticle smoothing agent that acts as cuticle glue to seal and strengthen each cuticle, this mask prevents split ends and breakage, making hair smooth, shiny and manageable.

Item No. 97111377

EPOCH[®]

Nu Skin[®] partnered with award-winning ethnobotanists to create the Epoch[®] product line. Designed in balance with nature, Epoch[®] features efficacious plant wisdom from indigenous cultures. Experience Epoch[®] and discover a new way of caring for your body and the world around you.*

*Nu Skin[®] donates US\$0.25 from each Epoch[®] product sale to the Nu Skin Force for Good Foundation[®] – giving back to the communities that share their wisdom with us.

EPOCH® SOLE SOLUTION®
Enhances healthy looking heels, toes and soles.

For those who need more than a moisturiser, Sole Solution® helps to give you smooth, healthy looking feet. Featuring crushed allspice berry (*Pimenta dioica*) – traditionally used by people of Central America to soothe the feet of persistent dryness on the heels.

125ml

Item No. 97101220

EPOCH® ICEDANCER
Refresh and tonify the skin of your legs.

When you have been on your feet all day, soothe the skin on your legs with this alcohol-free gel, formulated with natural wild mint (*Mentha arvensis*), used by Native American tribes for its soothing properties. With a combination of horse chestnut, eucalyptus and peppermint oil, this clear cooling formula can be applied right over stockings to quickly tonify your legs.

100ml

Item No. 97102803

EPOCH® FIREWALKER®
Soothes feet.

Formulated with Hawaiian ti plant extract (*Cordyline terminalis*) – traditionally used by Polynesian firewalkers to absorb heat and to cool and soothe the skin, this ethnobotanical cream soothes and refreshes the skin of the feet. Babassu seed oil (*Orbignya phalerata*) provides the perfect amount of moisturisation.

100ml

Item No. 97110826

EPOCH® BAOBAB BODY BUTTER
Quench your skin's thirst.

This deliciously rich cream quenches your skin's thirst with shea butter macadamia nut oil and the fruit of the African baobab tree. These time-tested ethnobotanicals promote smooth, supple skin that stays touchably soft all day, helping to enhance skin resiliency.

125g

Item No. 97102781

FACE AND BODY

Incorporating some of nature's most distinct ingredients, Epoch® face and body formulas contain skin beneficial botanicals that soothe and condition.

MALAWI SEEDS OF HOPE PROJECT

What goes around comes around, because US\$0.25 from every Epoch® Baobab Body Butter sale will be donated to the Nu Skin Force for Good Foundation® for the Malawi Seeds of Hope project. Life would be insupportable in some parts of Africa without the baobab tree. One baobab tree can store as much as 120,000 litres of water in its swollen trunk. During the dry season, these living reservoirs provide water and nourishment to the communities that surround them – keeping these communities alive.

The Malawi Seeds of Hope reforestation initiative focuses on planting and conserving trees, including the baobab, in local villages, providing and protecting precious resources for the people of Malawi.

For more information, please visit www.forceforgood.org

EPOCH® EVERGLIDE

Soothe your skin while you shave.

You will enjoy a smooth, close, comfortable shave with Everglide. Features mullein, a botanical used by Southwest Native Americans for its soothing properties.

SCHOOL OF AGRICULTURE FOR FAMILY INDEPENDENCE (SAFI)

SAFI is focused on helping the people of Malawi learn better agricultural techniques, such as farming, drip irrigation, forest conservation and much, much more. The Mtalimanja Village, which welcomed the first group of Malawian farmers and their families in September 2007, is the most ambitious, far-reaching project Nu Skin® has ever undertaken to help the people in Malawi – not just for a season or a year, but for generations to come. By purchasing the Epoch® Force for Good Collection, in addition to the US\$0.25 donated to the Nu Skin Force for Good Foundation® from each Epoch® product sold, Nu Skin® will donate €4 to the SAFI project.

For more information, please visit www.forceforgood.org

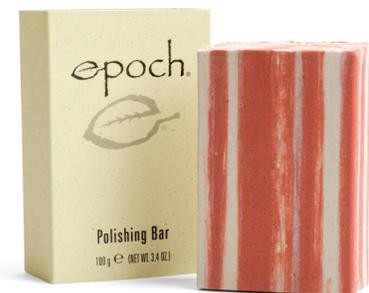

EPOCH® BLEMISH TREATMENT

 PHARMANEX®

FROM THE INSIDE OUT

In addition to helping you look your best, we are committed to optimising the way you feel. Pharmanex® offers a complete approach, with food supplements formulated to nourish and protect your body. With dedicated scientists and affiliations with scientific institutions around the world, our research and development engine produces innovative products.

NUTRITIONALS

Customised products.

Pharmanex® has created great supplements that provide the body with good levels of interesting vitamins and minerals. It is important to have a varied and balanced diet, and a healthy lifestyle.

LIFEPAK®+

Staying healthy throughout one's life begins with eating right. There is a growing number of scientific evidence demonstrating the health benefits of specific nutrients. A healthy diet needs to have a balance of macronutrients (fats, proteins and carbohydrates) and micronutrients (vitamins and minerals) to meet the needs for human nutrition.

LifePak®+ will bring you a wide range of vitamins and minerals that will target nine important functions of your body.

60 sachets containing 4 tablets

 85433743: CZ, GB, HU, NL
 85883742: AT, BE, CH, DE, FR, IT, LU
 85893742: DK, ES, IE, IS, PL
 85833742: PT, RO, SK

LIFEPAK®+

Your foundation for a lifetime of health.

Pharmanex® has created a comprehensive micronutrient supplement that provides the body with beneficial levels of important vitamins and minerals, as well as a complete arsenal of botanicals. LifePak®+ provides health benefits that are substantiated by science.

9 FUNCTIONS IN ONE FORMULA

1 Contribute to normal cognitive function.
 2 Contribute to the maintenance of normal skin.
 3 Contribute to the protection of cells from oxidative stress.

4 Contribute to the maintenance of normal bones.
 5 Contribute to the maintenance of normal vision.
 6 Contribute to normal blood clotting.

7 Contribute to the normal function of the immune system.
 8 Contribute to normal energy-yielding metabolism.
 9 Contribute to the normal thyroid function.

Don't let your guard down
 Your body is constantly exposed to sunlight, pollution and stress that can weaken your skin's protective barrier. With its advanced formula, LifePak®+ provides vitamin C, which contributes to the protection of cells from oxidative stress.

ADR AUTOMATIC DELIVERY REWARDS
 ESSENTIAL NUTRITIONALS ADR PACKAGE, WHICH CONTAINS LIFEPAK®+, MARINE OMEGA AND JVI®
 For more information on how to benefit from this special promotion, ask your Distributor.

SUPPORT FOR A STRONG FOUNDATION

To sustain optimal health, a balanced diet containing vitamins, minerals and other nutrients is recommended, together with a healthy lifestyle. With the demands of a busy routine, the additional intake of selected nutrients can complement your normal diet on a daily basis. LifePak[®]+, JVi[®] and Marine Omega are specifically designed to help provide you with the nutritional foundation to strive in today's world.

MARINE OMEGA

Marine Omega is a food supplement high in omega-3 fatty acids, containing eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA), which provides about 1,3 g/day of omega-3 fatty acids. EPA and DHA from fish and krill oil, contribute to the normal function of the heart. In addition, DHA contributes to the maintenance of normal brain function and normal vision.

JVi[®]

Joie de Vivre — Get a taste for life

JVi[®] is a beverage based on fruit and vegetable concentrates, juices and puree, carefully selected to indulge your taste buds. Because when Europe's finest fruits and vegetables unite with the imperial fruits: wolfberry, sea buckthorn and acerola, it is you who eventually reaps the rewards. The latter are known for their high content of vitamins and minerals, especially vitamin C, and have traditionally been consumed in South American and Asian cultures, as part of a healthy diet.

This orange coloured beverage contains carotenoids and is rich in vitamin C, which contributes to:

- The protection of cells from oxidative stress
- The normal function of the immune system
- Normal collagen formation for the normal function of skin

Partner up with JVi[®] to reinforce your body's protection and for a radiant look from inside out.

HOW DO I KNOW MY CAROTENOID LEVELS?

The Pharmanex® BioPhotonic Scanner, developed by scientists at a top American research university, is a unique tool that measures carotenoid levels non-invasively in skin tissues using the long-accepted science of Raman spectroscopy.

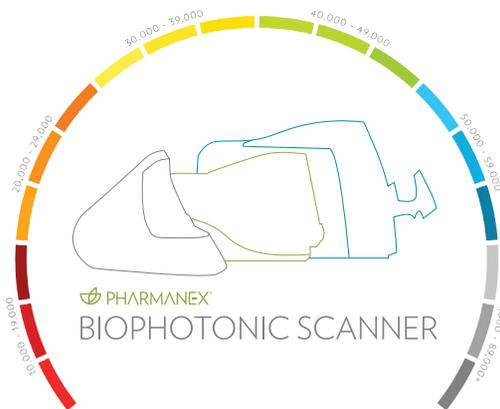

By simply placing the palm of your hand in front of the Scanner's safe, low-energy blue light, you will obtain a reading representing the carotenoid levels in your skin - your Skin Carotenoid Score (SCS) - within seconds.

The BioPhotonic Scanner technology is patented and is a fast and convenient way to determine whether your products, such as LifePak®+ and JVi®, are increasing your Skin Carotenoid Score.

MONEY BACK GUARANTEE

After taking SCS Certified products, if your SCS does not increase, your money will be refunded*.

*Visit www.nuskin.com for complete guarantee details.

PHARMANEX® S3 BIOPHOTONIC SCANNER

It is the next generation of business innovation being smaller, faster and portable. The S3 was named a 2014 bronze winner from the International Design Excellence Awards (IDEA) and was selected as a winner in the 2015 BIG Innovation Awards. According to BIG, the Scanner empowers users to track improvements to their skin as they make changes to their diet and lifestyle.

Available since April 2014 to all qualified Distributors.

TR90® PROGRAMME GUIDE

Doing exercises adjusted to your personal lifestyle, adapting your eating habits and setting your goals are a really important topic in this programme.

An important part of the TR90® programme is a well balanced eating plan including proteins. Proteins are important nutrients to contribute to the maintenance of muscle mass. After that it is time to start thinking about your exercise pattern. Are you used to doing sports or not? Don't worry, this guide will help you get through this journey.

SOLUTIONS

Formulated to meet the demands of everyday life.

Today's lifestyles demand more from our bodies than ever before. Our Pharmanex® Solutions products contain high-quality ingredients in safe and beneficial amounts. Each one provides the targeted nutrients our bodies need to keep up with our daily routines – providing real-life solutions for real-life demands.

FLEXCRÈME™

FlexCrème™ is a unique and proprietary mixture of cetylated fatty acid esters including Cetyl Tallowate.

REISHIMAX GLp

Reishi is a wood-rotting fungus occurring as a shelf-like form on the sides of trees and stumps. In old Chinese texts, Reishi is a highly praised mushroom. For more than 2000 years, the people of Asia have included this rare, deep forest Reishi mushroom as part of their dietary habits.

85433519: CZ, HU, RO, SK

Would you like more information on a Pharmanex® product? Then visit www.nuskin.com

R² DAY

Helps you to feel recharged and take control of a new day.

R² Day offers a wonderful blend of key ingredients such as *Cordyceps sinensis*, Pomegranate and *Panax ginseng*. Ginseng targets the following three dimensions to:

- Increase physical performance.
- Improve concentration and coordination.
- Helps to maintain optimal stamina.

180 capsules

Item No. 85893895: DK, GB, IE, SE
 85153895: IT, PT
 85283895: CZ, ES, PL
 85433895: HU, RO, SK
 85883895: DE, AT, BE, LU, FR, NL

R² – REFRESH AND RECHARGE

R² provides an exclusive combination of ingredients and breakthrough science. When combined, the benefits of R² are doubled to help you experience the freedom of mind and body working in harmony.

R² NIGHT

Helps you to start each day feeling refreshed.

R² Night contains a blend of carefully selected botanical extracts: red orange, broccoli seed and grape seed. In addition, it also contains selenium, a beneficial mineral that contributes to the protection of cells from oxidative stress.

60 capsules

Item No. 85893894: DK, GB, IE, SE
 85153894: IT, PT

The formula for great skin

Healthy, beautiful looking skin can be a reality for everyone, regardless of age. By following a few simple rules and then caring for your skin with efficacious products, you have the formula for youthful, smoother, healthy looking skin now and in the future.

AGE GROUP	TYPICAL SKIN FEATURES	TAKE ACTION	RECOMMENDATIONS
20's	Even though your skin is moist, smooth and supple, your skin cell renewal rate is beginning to slow. The result is accumulation of excess dead skin cells that give your complexion a dull appearance.	This is a great time to establish a beneficial skin care regimen. <ul style="list-style-type: none"> • Use a cleanser developed to help remove dirt and dead cells to uncover your youthful radiance. • Follow with a toner to give skin its ideal pH. • Apply a product to preserve youthful skin structure. • Try at-home microdermabrasion to quickly and gently polish your skin, removing dull skin cells and toxins. • Try a weekly spa session at home to remove toxins. 	<ul style="list-style-type: none"> • Pure Cleansing Gel • pH Balance Mattefying Toner • Nu Skin Clear Action® Foaming Cleanser • Nu Skin Clear Action® Toner • Celltrex® CoQ10 Complete • Moisture Restore Day SPF 15 Combination to Oily Skin • Tru Face® Skin Perfecting Gel • Polishing Peel • ageLOC® Edition Nu Skin Galvanic Spa System® II
30's	The effects of excessive sun exposure and environmental pollution are beginning to show on your complexion. As structural skin protein production declines, paired with repetitive facial movements, you may start noticing wrinkles around your eyes, mouth and forehead.	Keep a cleanser, toner, moisturiser and sunscreen as part of your daily regimen and include a product that increases the production of structural skin protein to help fill in and smooth over those noticeable lines. <ul style="list-style-type: none"> • Find a product that contains polyhydroxy acids (PHAs) to help stimulate cell renewal and enhance skin's radiance for a smoother, more youthful looking complexion. • Try at-home microdermabrasion to quickly and gently polish your skin, removing dull skin cells and toxins. • Try a weekly spa session at home to remove toxins. 	<ul style="list-style-type: none"> • ageLOC® Gentle Cleanse & Tone • Pure Cleansing Gel • pH Balance Mattefying Toner • ageLOC® Radiant Day SPF 22 • Moisture Restore Day SPF 15 Combination to Oily Skin • ageLOC® Transforming Night • Tru Face® Line Corrector • Tru Face® Instant Line Corrector • Tru Face® Revealing Gel • Polishing Peel • ageLOC® Edition Nu Skin Galvanic Spa System® II • ageLOC Me® Skin Care System
40's	Your skin's sebum production slows down, resulting in dryer skin. Your skin is more fragile and is beginning to sag. Elasticity is reducing and you may notice deeper wrinkles. In short, your complexion has lost its youthful glow.	You may benefit from an antioxidant rich cleanser and a hydrating moisturiser. <ul style="list-style-type: none"> • Find a product containing pro-collagen peptides that help soften the appearance of lines and wrinkles around the mouth, eyes and forehead. • Choose a product designed to help key component of firm skin production and fight the early visible signs of skin ageing. • Consider a comprehensive, intense system to jump-start your skin care regimen. • Try a weekly spa session at home to remove toxins. 	<ul style="list-style-type: none"> • ageLOC® Gentle Cleanse & Tone • Creamy Cleansing Lotion • pH Balance Toner • ageLOC® Radiant Day SPF 22 • Moisture Restore Day SPF 15 Normal to Dry Skin • ageLOC® Transforming Night • Night Supply Nourishing Cream • Tru Face® Line Corrector • ageLOC® Tru Face Essence Ultra® • ageLOC® Future Serum • Nu Skin® 180® Anti-Ageing System • ageLOC® Edition Nu Skin Galvanic Spa System® II
50's+	The pigment cells in your skin may clump together more, creating "age spots". Your skin has lost much of its firmness and tone and may be drier, itchy and more sensitive. Your skin is thinner and more fragile.	In addition to cleansing, toning and moisturising, consider a skin brightening system to reduce skin discoloration and achieve a more even tone. <ul style="list-style-type: none"> • Choose a product designed to help increase the production and inhibiting the breakdown of structural skin protein to help firm up sagging and undefined skin around the chin, eyes and jaw. • Try a weekly spa session at home to remove toxins. 	<ul style="list-style-type: none"> • ageLOC® Gentle Cleanse & Tone • Nu Skin® 180® Face Wash • Tru Face® Priming Solution • ageLOC® Radiant Day SPF 22 • Celltrex® Ultra • Moisture Restore Intense Moisturizer • ageLOC® Transforming Night • Tru Face® Line Corrector • Tru Face® Revealing Gel • ageLOC® Tru Face Essence Ultra® • ageLOC® Future Serum • ageLOC® Edition Nu Skin Galvanic Spa System® II

No matter what your age is, always remember to use a daily sunscreen to help protect your skin from the sun's harmful rays and include fresh fruits and vegetables in your diet.

The above information is a guide to typical skin features through different ages. Lifestyle, environment and genes all play a part in how your skin looks and feels, so you may find that products suited to your skin's specific needs may fall under a different age category than your actual age.

Individualised hair care regimen guide

Which Nu Skin® hair care products will suit my hair?*

Hair Type/Condition	SHAMPOO	CONDITIONER	WEEKLY TREATMENT
Normal to oily & fine hair	Balancing Shampoo	Weightless Conditioner	Clarifying Shampoo & ReNu Hair Mask (once a week)
Normal to oily hair seeking sleek, straight styles	Balancing Shampoo	Rich Conditioner	Clarifying Shampoo & ReNu Hair Mask (once a week)
Oily hair desiring volume	Balancing Shampoo	Weightless Conditioner	Clarifying Shampoo & ReNu Hair Mask (once a week)
Very oily hair	Balancing Shampoo	Weightless Conditioner	Clarifying Shampoo & ReNu Hair Mask (1 or more times a week)
Very dry hair	Moisturizing Shampoo	Rich Conditioner	ReNu Hair Mask (1 to 2 times a week)
Very dry & heavily treated hair	Moisturizing Shampoo	Rich Conditioner	ReNu Hair Mask (2 or more times a week)
Dry to normal hair	Moisturizing Shampoo	Weightless Conditioner	ReNu Hair Mask (once a week)
Dry to normal hair seeking sleek, straight styles	Moisturizing Shampoo	Rich Conditioner	ReNu Hair Mask (once a week)
Highly exposed to environmental pollution (swimmers hair)	Moisturizing Shampoo	Rich Conditioner	Clarifying Shampoo & ReNu Hair Mask (1 to 2 times a week depending on hair's condition)
Course & curly hair	Moisturizing Shampoo	Rich Conditioner	Clarifying Shampoo & ReNu Hair Mask (once a week)
Thick hair preferring products with ethnobotanical ingredients	Epoch® Ava puhi moni Shampoo and Light Conditioner	Epoch® Ava puhi moni Conditioner	Clarifying Shampoo & ReNu Hair Mask (once a week)
Hair with dandruff problems	Epoch® Ava puhi moni Anti-Dandruff Shampoo	Conditioner of your choice	Clarifying Shampoo & ReNu Hair Mask (once a week)
Hair loss or hair thinning	Nutriol® Shampoo	Conditioner of your choice	Nutriol® Hair Fitness Treatment & ageLOC® Edition Nu Skin Galvanic Spa System® II

*The results will vary depending on hair density, type, texture, condition and personal style.

GLOSSARY

ageLOC® - Nu Skin®'s anti-ageing platform that includes science used to develop and market products that target the visible signs of skin ageing at its sources.

Allspice berry (*Pimenta dioica*) - a spice used by the indigenous people of Central America to relieve persistent dry skin on the feet.

Aloe vera (*Aloe barbadensis*) - recognised for its soothing and conditioning properties.

Alphahydroxy acid (AHA) - an acid that increases skin cell turnover, helps reduce the appearance of fine lines and wrinkles and promote smoother, clearer skin.

Amino acid - a building block of protein. More than 20 different amino acids are used by the body to manufacture different proteins in muscle, hair, skin, blood and other tissues.

Antioxidant - a compound which helps protect from oxidative stress.

AP-24® - a patented oral care ingredient that leaves a smooth, clean feeling on the teeth.

arNOX - a powerful free radical generator found on the surface of cells and within the body. arNOX is an age-related enzyme that is believed to contribute as a source of ageing skin. arNOX activity levels in the human body have been shown to be associated with a person's youthful appearance.

arSuperMarkers - age-related super markers or "arSuperMarkers" is a term Nu Skin® coined that describes components of body chemistry that influence how we age.

Ascorbic acid - also known as vitamin C. Vitamin C contributes to the protection of cells from oxidative stress and contributes to normal collagen formation for the normal function of skin.

Ava puhi extract (*Zingiber zerumbet*) - nectar from the bulb of the ava puhi plant. Used for centuries by Polynesians to soften and condition hair.

B Vitamins - a family of water soluble vitamins that have many beneficial properties. These include thiamine (vitamin B1), riboflavin (vitamin B2), niacin (vitamin B3), pantothenic acid (vitamin B5), pyridoxine (vitamin B6), biotin (vitamin B8), folic acid (vitamin B9) and the cobalamins (vitamin B12).

Babassu oil (*Orbignya oleifera*) - extracted from kernels of the babassu palm. Used for generations by indigenous South American cultures as a natural moisturiser.

Bentonite clay - this natural clay, derived from volcanic ash, acts as a magnet to remove dulling skin cells and toxins, then polishes skin for a fresh, bright complexion.

Biophotonics - a field of study that uses light to measure biomarkers in living organisms.

Brown seaweed - highly mineralised and rich with amino acids and antioxidants. Aids in the absorption and retention of moisture.

Burdock root extract (*Arctium lappa*) - historically used to help troubled complexions.

Cactus - an extract that helps the skin look moist and radiant.

Calcium - is the most abundant mineral in the human body. Calcium contributes to normal blood clotting, normal energy-yielding metabolism, normal muscle function and the normal function of digestive enzymes. Calcium is also needed for the maintenance of normal bones and teeth.

Carotenoids - an important category of fat soluble compounds. Abundantly found in nature and responsible for many of the reds, oranges and yellows we see in fruits and vegetables. Some examples of carotenoids are beta-carotene, lycopene, lutein and astaxanthin.

Cetylated fatty acid esters - an all natural form of a fatty acid treated with alcohol and used by the body as an emulsifier and lubricant.

Chamomile extract (*Anthemis nobilis* and *Chamomilla recutita*) - known for its soothing, conditioning and softening effects.

Citrus aurantium amara - used by various cultures throughout China and the Caribbean, especially Haiti, as a refreshing, natural deodoriser. Though originating in China, *Citrus aurantium amara* was introduced into Europe in the eleventh century. The fruit of the *Citrus aurantium amara* (a small orange called a Seville orange) became very popular, not only for its delightful sweet and sour taste, but also for its refreshing scent and deodorising properties.

Clematis vitalba leaves - used for generations by Native Americans to soothe flaky, dry skin.

Coenzyme Q10 (CoQ10 or Ubiquinone) - topically, coenzyme Q10 promotes essential cellular energy for a radiant, youthful appearance.

Collagen - a protein that provides structure, strength and elasticity to the skin and other tissues throughout the body.

Colostrum - colostrum is the mother's first milk produced after the birth of her offspring. Differs from regular milk in that it has a higher concentration of specific type of proteins.

Colourless carotenoid (*Dunaliella salina extract*) - a unique antioxidant produced from algae grown in the Mediterranean Sea. Helps protect the skin from environmental hazards.

Copper - Copper contributes to normal energy-yielding metabolism, normal functioning of the nervous system, normal hair pigmentation, normal skin pigmentation, normal function of the immune system and the protection of cells from oxidative stress.

Cordyceps sinensis - a mushroom prized in China since ancient times.

Cordyline terminalis - Hawaiian ti leaves treasured for hundreds of years by Polynesians for their skin-soothing properties.

Cortex - surrounds the core of the hair. The hair cortex gives hair its special qualities such as elasticity and curl. The cortex also contains granules of melanin, the hair's pigment which is produced when the hair is growing in its follicle.

Cotton bloom extract - smoothes the cuticle, protects the keratin structure and moisturises naturally with seven actively synergistic oligosaccharides.

CS7 - smoothes cuticles to provide shine that lasts through repeated shampooing.

Cuticle - is the outermost portion of the hair shaft. The cuticle is responsible for much of the mechanical strength of the hair fibre. Made of flattened cells that overlap like the tiles on a terracotta roof, the cuticle protects the inside of the hair shaft from damage.

DHA (Docosahexaenoic acid) - is an omega 3 fatty acid that contributes to normal brain function and normal vision. Fish oil is a good source of DHA.

Di- and tri-peptides - derived from hydrolysed rice protein; improve the skin's recovery process after stress; stimulate cell turnover and synthesis of structural proteins for improved firmness and decrease the appearance of lines and wrinkles.

DNA (Deoxyribonucleic acid) - the genetic material found in nearly every cell of the human body. DNA contains the genetic information necessary for building and maintaining an organism. DNA usually exists as a double strand held tightly together, creating a double helix.

EPA (Eicosapentaenoic acid) - is an omega 3 fatty acid. Together with DHA, EPA contributes to the normal function of the heart. Fish oil is a good source of EPA.

Ethocyn® - an anti-ageing ingredient that has been clinically proven to improve the key component of firm skin.

Ethnobotanicals - plants used by indigenous cultures for skin benefits.

Eucalyptus - combined with menthol and peppermint oil to provide a cooling and invigorating sensation on the skin as well as a bold refreshing scent.

Free radicals - unstable molecules in the body that seek neighbouring molecules, making a continuing chain reaction of free radical formation and molecular stress. This chain reaction can lead to oxidative stress on cell membranes, DNA and tissue proteins.

Genes - the basic unit of heredity in living organisms. Genes are functional sections of DNA that hold the information to build, maintain and regenerate cells and pass genetic traits to offspring. Some of these traits are immediately visible, such as eye colour or number of limbs and some express themselves later on in life, such as rate of ageing, health.

Ginkgo biloba - a botanical extract from the ginkgo tree that will help you to maintain memory with age decline and preserve cognitive function.

Gluconolactone - a polyhydroxy acid found naturally in skin cells. Its molecular structure makes it gentle and non-irritating to the skin while providing clinically proven anti-ageing benefits such as antioxidant protection, moisturisation and skin barrier.

Green tea (*Camellia oleifera* and *Camellia sinensis*) - used as a cosmetic ingredient, it is an antioxidant that helps to soothe troubled skin and even out skin tones. Green tea contains several molecules of polyphenols.

Hibiscus flower extract (*Hibiscus rosa-sinensis*) - used throughout Polynesia, Southeast Asia and Central and South America for creating an infusion to cleanse, soften and soothe.

HMW Complex - this exclusive Nu Skin® ingredient combination includes hypnea musciformis extract, mugwort extract and willow herb. It works to soothe the skin.

Horse chestnut (*Aesculus hippocastanum*) - an extract from a flowering tree that invigorates the skin.

Hyaluronic acid - a moisturising compound found naturally in the skin. Selected for its capacity to bind moisture to the skin's surface.

Hydroxytyrosol - a polyphenol found in extra virgin olive oil that promotes smooth, flawless skin.

IBR-Dormin® (*Narcissus tazetta* extract) - a natural compound in the narcissus bulb. Scientifically shown to enhance cellular durability and improve the skin's natural defence against environmental stress.

Immunoglobulins - a general term for antibodies. In response to exposure to foreign substances, all mammals produce these specific proteins.

Job's tears extract (*Coix Lacryma-jobi*) - derived from seeds of an ornamental grass. Historically used in Asia to soothe the skin.

Joboba oil (*Simmondsia chinensis*) - a natural moisturiser derived from the seeds of a desert shrub that helps hair and skin look and feel soft.

Kelpadellie extract (*Macrocystis pyrifera*) - brown marine kelp extract, beneficial for the synthesis of structural skin components, contributes to a firm and soft looking skin.

Krill oil - marine oil extracted from crustaceans offering a natural combination of phospholipids, astaxanthin and EPA/DHA fatty acids.

Lactic acid - see Alphahydroxy acid.

Lavender extract (*Lavandula angustifolia*) - used since ancient times as a cleansing ingredient.

Manganese - in biology, manganese ions function as cofactors for a large variety of enzymes with many functions. Contributes to normal energy-yielding metabolism and the protection of cells from oxidative stress.

Marine diatoms (*Diatomaceous earth*) - fine particles from planktonic algae used to gently exfoliate dead skin cells.

Meadowfoam seed oil (*Limnanthes alba*) - natural emollient. Moisturises and conditions skin.

Mentha arvensis - a natural wild mint that cools and revives the skin. Used by south-western Native American tribes.

Micronutrients - nutrients that we need in only small quantities, such as vitamins and minerals. Micronutrients carry out hundreds of vital functions within the body.

Minerals - essential micronutrients that are required in the diet because they cannot be produced by the body. They function as cofactors in many reactions in the body.

Mullein (*Verbascum thapsus*) - a flowering plant indigenous to the American Southwest, which is used by Native Americans for its soothing effects.

Mushroom extract (*Fomes officinalis*) - a natural astringent shown to improve skin tightness and firmness as it diminishes the appearance of pores.

NaPCA (Sodium PCA) - a humectant that attracts and binds moisture to the skin.

Natural sterols - have a high water holding capacity and give hair a moist, smooth feel.

Oligopeptide - a skin conditioning agent that enhances lip definition and fullness.

Omega 3 fatty acids - Omega-3 fatty acids are polyunsaturated fatty acids. Main sources are krill and fish oil, egg and plant oils (flaxseed oil). EPA and DHA are the most important fatty acids.

Oxidation - a reaction caused to the body's cells by the action of free radicals. Over time, oxidised cells become weaker and less able to perform all their functions properly.

Panthenol - member of the vitamin B family. A revitalising moisturiser and conditioner for both skin and hair.

Papain - an enzyme from the tropical fruit papaya that helps eliminate build up in pores.

Pea extract, bamboo extract and glucosamine - a powerful anti-ageing ingredient blend that has been shown to reduce the appearance of fine lines and wrinkles, and increase cell turnover, resulting in visually youthful skin.

Peppermint oil (*Mentha piperita*) - a natural plant oil that cools, invigorates and stimulates the skin.

Phosphatidylcholine - derived from soy. Helps protect cell membranes and maintain skin fluidity.

Photosomes - DNA enzymes derived from marine plankton. They help protect the skin from the negative impact of excessive sun exposure. Lipid encapsulation provides enhanced bioavailability.

Pistachio oil (*Pistacia vera*) - a nut oil rich in fatty acids that moisturises and softens the skin.

Polyhydroxy acids (PHA) - see Gluconolactone.

Polymer technology - creates a solid cream concealer that weightlessly offers smooth, long-lasting, buildable coverage without the use of petrolatum or heavy waxes.

Polyphenols - polyphenols are molecules that plants produce. The pigments that indicate that fruits and vegetables are ripe are also part of the polyphenol family. They are also called phytochemicals or phytonutrients.

Pomegranate - a deep-red, many seeded fruit native to Persia. Pomegranate contains polyphenols such as flavonoids.

Proteins - are large biological molecules consisting of one or more chains of amino acids. Proteins perform a vast array of functions in the body including metabolic reactions, replication of DNA and transport of molecules. Used by the body for building tissues, proteins are found in meat, eggs, dairy products, nuts, grains, fruits and vegetables.

Pumpkin enzymes (*Lactobacillus/Curcubita pepo fruit ferment extract*) - proteolytic enzymes derived from pumpkin that help exfoliate and slough off dead skin cells.

Reishi mushroom (*Ganoderma lucidum*) - Reishi is a wood-rotting fungus occurring as a shelf-like form on the sides of trees and stumps. In old Chinese texts, Reishi is a highly praised mushroom. For more than 2,000 years, the people of Asia have utilised the rare, deep forest Reishi mushroom.

Retinol - a pure form of vitamin A that helps smooth fine lines and wrinkles, increase skin clarity and bring radiance to the complexion. Vitamin A also contributes to normal iron metabolism, to the maintenance of normal skin, vision and immune system.

Saccharide isomerate - binds moisture to the skin, reducing dryness and giving skin a healthy glow.

Salicylic acid - a betahydroxy acid that promotes skin exfoliation.

Selenium - cofactor in the function of the enzyme glutathione peroxidase which contributes to the protection of cells from oxidative stress.

Shea butter (*Butyrospermum parkii*) - a rich emollient that enhances the skin's natural barrier function and increases moisture levels.

Soy lipids (*Glycine soja*) - protect the skin's delicate moisture barrier. Help skin stay soft and hydrated.

Strawberry extract (*Fragaria vesca*) - helps soothe skin and reduce the appearance of pores.

Sunscreen - an active ingredient that helps protect from sun's harmful rays.

Tocopherol - also known as vitamin E, which contributes to the protection of cells from oxidative stress.

Tricalgoxyl® (kelp sulfated oligosaccharides) - extracted from brown algae. Rich in polysaccharides, which provide an optimal environment for abundant-looking hair.

Urea - a highly effective and powerful humectant. Urea penetrates deep into the outermost layer of the skin to hydrate and protect dry, damaged skin. In higher concentrations, urea can help reduce scales and calluses.

Vitamin A - see Retinol.

Vitamin C - see Ascorbic acid.

Vitamin D - a fat soluble vitamin obtained from dietary sources or produced by skin cells when exposed to sunlight. Contributes to the maintenance of normal bones and the normal function of the immune system. Synthesis of vitamin D in the skin by the action of sunlight is insufficient to meet requirements in European countries, especially during winter months when there is little sunlight exposure.

Vitamin E - see Tocopherol.

Vitamin K - this fat soluble vitamin contributes to normal blood clotting and to the maintenance of normal bones.

Vitamins - essential micronutrients that are required in the diet because they cannot be produced by the body. Vitamins can act as antioxidants and coenzymes, compounds necessary for numerous reactions within the body.

Walnut shell powder (*Juglans regia*) - ground from the English walnut to create a mild abrasive for softer, smoother skin.

White tea extract (*Camellia sinensis*) - an antioxidant high in catechins; helps protect and restore the skin's natural resiliency.

Yarrow (*Achillea millefolium*) - a plant extract that helps soothe the skin.

Youth Gene Clusters - functional groups of genes that share characteristics associated with youthfulness. Youth Gene Clusters are a key arSuperMarker.

Zinc - a trace mineral essential to more than 70 enzyme reactions in the body. Zinc contributes to the protection of cells from oxidative stress, the maintenance of normal bones, vision and skin. It also contributes to normal cognitive function.

Zinc PCA - a sebum reducer.

A CULTURE OF GIVING

Nu Skin®'s culture of giving unites the Nu Skin® family of Distributors, customers and employees in innovative humanitarian efforts that multiply the company's ability to nourish and empower children around the world.

NU SKIN FORCE FOR GOOD FOUNDATION®

Since 1996, the non-profit Nu Skin Force for Good Foundation® has granted more than US\$51 million to life-changing projects to help improve the lives of children around the world. Since Nu Skin® covers all administrative and overhead costs for the foundation, 100% of donations from generous Distributors, and from sales of our unique Epoch® personal care line and nourishing VitaMeal are used directly to improve the health, education and economic opportunity of children. Major projects include:

- Teaching sustainable agriculture in Malawi with the Mtalimanja Village School of Agriculture for Family Independence (SAFI) and Seeds of Hope reforestation initiative.
- Providing schools and education resources to island children through Seacology.
- Funding research to find a cure for the devastating skin disease Epidermolysis Bullosa (EB).

For more information or to make a difference with your contribution, please visit www.forceforgood.org

NOURISH THE CHILDREN[®]

Making a difference in lives of children.

Fortunately, with Nu Skin[®]'s Nourish the Children[®] initiative, now one serving of VitaMeal is donated to a child in need every second. Nourish the Children[®] is an innovative business initiative that facilitates ongoing VitaMeal purchases, donations and distribution. This unique social entrepreneurial network of Nu Skin[®] Distributors and customers results in millions of life-saving meals reaching malnourished children around the world every month.

Nu Skin® scientists collaborated with a leading expert in child malnutrition to develop VitaMeal. One bag of VitaMeal holds 30 child-sized meals – enough to provide the vitamins and nutrients necessary to nourish a child for a month. Since 2002, more than 450 million meals have been donated through the Nourish the Children® initiative.

MAXIMISING YOUR IMPACT

For every VitaMeal 5-pack donation, Nu Skin® also donates one bag of VitaMeal. For all other VitaMeal donations, Nu Skin® matches one bag for every eight bags purchased.

With VitaMeal plants in Malawi and China, the Nourish the Children® initiative is also helping create new jobs and economic opportunities.

REWARD YOURSELF WITH SOMETHING THAT REALLY PAYS

AUTOMATIC DELIVERY REWARDS (ADR)
BECAUSE YOU DESERVE THE BEST

THE BEST **PRODUCTS**
THE BEST **PRICES**
THE BEST **SERVICE**

ADR is simply the easiest way for you to receive the products you love. Each month, the products you have chosen are conveniently delivered to you on the day you choose. Enjoy these great benefits of ADR and more:

- Receive 5% off regular product purchase prices.
- Earn up to 30% back on your purchases in the form of product purchasing points.
- Save more than 50% on shipping* through online management.

*Some markets/specific regions or islands are excluded from this discount plan.
