# Bonus Statuses: Glossary

**Payable:** the scan card was linked to the SCS product ADR subscription in the right timeline. Also payment and delivery have been made. A potential scanner bonus payment has been added to the selected period commission calculation. This can be part of the scanner activity.

**Waiting:** The scanner card has been linked to the ADR subscription, but the ADR subscription containing the SCS product has not yet been paid in full. The bonus is pending: the order is awaiting confirmation.

**Paid:** The scanner bonus is already paid with the rewards of the selected period.

**Not linked to ADR:** the scan card is still not linked to an ADR subscription

**Expired:** The system has tried to generate a scanner bonus for 89 days from the day a scan card was linked to an ADR subscription. Once the status is EXPIRED, the scan card cannot be part of the scanner activity anymore.

**Dates out of range:** The ADR subscription linked to the scan does not meet the 90/15 days scan/ADR date rule requirement.

**ADR ended:** The ADR subscription that was linked to the scan card was cancelled or the qualified product was removed from the ADR subscription.

**Scan card is active:** The last modification to an ADR subscription and/or scan card was done in the past few hours. The system needs at least 4-5 hours to process all data and to show the final status.

# Scanner deactivation

**Declined** rental and loss & damage waiver **payments** result in **Scanner deactivation** on the **25th** of the month of payment default.

Between the 07 and the 25 of the month, check your emails and voicemail messages from your Scanner support to avoid the deactivation of your Scanner.

Deactivated Scanners lead to **lease termination** if payment is not cleared upon deactivation.

Remaining declined payments lead to a **Sales on Hold (SOH)** placed on your account.

# Loss & Damage waiver

The principle of the waiver is in case of repair (in case of damage) or replacement (in case of loss or theft) of the Scanner, **you are asked to compensate Nu Skin only for a maximum amount.**

Nu Skin will pay the difference of the total cost of the repair or replacement.

**Paying the monthly Loss & Damage waiver does not exempt you from paying the maximum amount of the compensation.**

# Lease termination

Should you wish to terminate your Scanner Agreement and return your Scanner, keep in mind these timelines:

Ship your Scanner back

You do not pay any rental payments for the month of the return

**01** of the month

Contact your local support  
& send back your Lease Termination form

**15** of the month

Your Scanner is shipped back physically in Nu Skin warehouse

# Lease termination

Should you wish to terminate your Scanner Agreement and return your Scanner, keep in mind these timelines:

# Lease termination

Nu Skin considers your **lease termination as effective as soon as your Scanner is returned to Nu Skin**, not when your Lease Termination form is sent back.

**The equipment shall be properly packaged and fully insured at your expense in the same operating order, condition, and appearance as on the date you received it.**
