TRME PROMOTION 2026

The TRME Promotion (the “Promotion”) is subject to the following conditions:

- The Promotion will be valid from Tuesday, January 6th, 2026, 10.00 AM CET until Friday, February 6th, 2026, 11.59 PM CET **for as long as promotional stocks last in the warehouse serving the relevant subregion or Participating Market** (as defined below).

For the avoidance of doubt, this means that if the promotional stock of a certain SKU has been sold out in the warehouse serving a certain subregion or Participating Market, the Promotion will end in respect of the corresponding Promotional Product (as defined below) for that subregion or Participating Market. This will be the case even if there is still promotional stock of other Promotional Products available in said warehouse and the Promotion continues for those other Promotional Products in the same subregion or Participating Market, or if there is still promotional stock of the same SKU available in a different warehouse serving other Participating Markets and the Promotion continues for that SKU in those other Participating Markets.

- The Promotion will be valid for the following markets: Austria, Belgium, Canary Islands, Czech Republic, Denmark, Germany, Great Britain, Finland, France, Hungary, Iceland, Ireland, Italy, Luxembourg, The Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Spain, Sweden and Switzerland (the “**Participating Markets**”).

- The Promotion will consist of a **15% discount on both the Retail Price and the Member Price of the following products (“Promotional Products”)**:
