KEY INGREDIENTS

- **Shea Butter**—moisturizes and improves skin's ability to maintain moisture.
- **Agave Extract**—helps calm and soothe agitated skin.
- **Caffeine**—gives skin a more energized appearance.
- **Hollyhock Extract**—provides antioxidants to protect skin from free radicals.

USAGE/APPLICATION

After cleansing and toning face at the end of the day, open one pouch and unfold mask. Position and smooth the soft cotton sheet over the contours of your face and adjust around eyes, nose, and mouth. Leave the mask on for 10-20 minutes and then peel off. Gently massage remaining serum into skin—do not rinse.

COMPLEMENTARY PRODUCTS

- **pH Balance Toner**—restores skin to its optimal pH level, allowing moisturizers to work more effectively.
- **Creamy Cleansing Lotion**—protects the skin's delicate moisture barrier while effectively cleansing the skin of dirt, oil, and impurities.
