CAN I USE MY FAVORITE SHAMPOO AND CONDITIONER WITH AGELOC NUTRIOL INTENSIVE SCALP & HAIR SERUM?

We've specifically developed ageLOC Nutriol Scalp & Hair Shampoo and Conditioner to complement and highlight the scalp health and visibly rejuvenating benefits of ageLOC Nutriol Intensive Scalp & Hair Serum. To get the fastest, greatest benefits, we suggest using the system as a whole.

DO YOU SPRAY THE SERUM ON YOUR HAIR OR YOUR SCALP?

You need to part your hair to spray the serum directly onto your scalp. Getting hair a bit wet can make it more manageable for your treatment.
