

## *AP-24® Gentle Action Dental Floss*

Easy on gums, AP-24® Gentle Action Dental Floss slides into hard-to-reach areas, expanding to help loosen and remove debris. It also delivers AP-24® to critical spots—between teeth and gums—to clean and freshen your mouth.

## *AP-24® Anti-Plaque Toothbrush*

Utilizing a new channel bristle technology, this toothbrush delivers and holds more toothpaste against teeth while you brush. Extremely gentle to gums, it also features a hand-friendly shape.

## *The AP-24® Oral Care System— Complete Protection*

Effective oral health care requires more than brushing in the morning and evening—it requires all day attention. Regular products don't provide the same level of protection as AP-24®.

A complete system of products developed for the entire family, the AP-24® Oral Care System helps remove plaque and fight cavities throughout the day.

### *The AP-24® Oral Care System*

To provide greater protection against gum disease while suppressing the corrosive effects of harmful bacteria, scientists at Nu Skin have developed a revolutionary solution: the AP-24® Oral Care System.

When used as directed, the AP-24® system helps control cavities by battling plaque, minimizing the mouth's exposure to harmful bacteria that cause gum disease. And as AP-24® cleans your mouth, it leaves you feeling refreshed and invigorated.

### *AP-24® Anti-Plaque Fluoride Mouthwash*

Great for the whole family, AP-24® Anti-Plaque Fluoride Mouthwash fights plaque and provides anti-cavity protection without disrupting the naturally balanced microflora (bacteria) that are essential to a healthy mouth. This mouthwash provides long-lasting freshness without the negative side effects of alcohol.

### *AP-24® Whitening Fluoride Toothpaste*

This great-tasting toothpaste brightens and whitens. Featuring a proprietary formula that contains no harmful peroxides, AP-24® Whitening Fluoride Toothpaste will give you the smile you've always wanted by helping remove stains and control tartar.

### *AP-24® Anti-Plaque Fluoride Toothpaste*

This cavity-fighting toothpaste with patented AP-24® technology helps prevent plaque buildup. Its pleasant vanilla mint flavor leaves you with a clean, just-brushed feeling that lasts.

### *AP-24® Anti-Plaque Breath Spray*

With its tasty vanilla mint flavor, AP-24® Anti-Plaque Breath Spray was designed to keep your mouth feeling fresh throughout the day. Spray it on for a clean, just-brushed sensation when you can't brush. Contains plaque-fighting AP-24®.
