

Masks for Every Need

 NU SKIN®

# Nourish. Tone. Treat.

Masks serve many purposes. They can add extra hydration, draw out impurities, or even tone and firm to reduce the appearance of wrinkles. Because masks provide extended treatment time to the outer surface of the skin, they offer a simple solution to many skin care needs. Select from these Nu Skin® masks to give your skin the special care it requires.

## Epoch® Glacial Marine Mud™

Nurtures and renews skin. Featuring zinc and sea botanicals to revitalize skin, this mud mask removes dead skin cells and draws out excess oil and impurities. Nu Skin offers three ways to customize Glacial Marine Mud™ with Epoch® Rare Earths™ Mineral Infusions: **Clarifying**—brightens your complexion; **DeStressing**—decreases puffiness; and **Firming**—helps skin regain its youthful resiliency. Excellent for normal to oily skin types.

## Polishing Peel™ Skin Refinisher

Provides skin smoothing results clinically proven to be equivalent to a professional microdermabrasion session without ever leaving home. Polishing Peel™ features pumpkin enzymes to resurface, soften, and polish the skin, and bentonite clay to remove dull skin cells and toxins. A convenient alternative to professional microdermabrasion treatments, Polishing Peel™ delivers a fresh, healthy complexion. To maintain a polished appearance, use three times the first week and twice a week thereafter.
