

## Lip Balm <sup>SPF</sup> 15

*Shield the delicate skin on your lips from harmful rays and environmental damage. Sunright® Lip Balm SPF 15 protects your lips with SeaLastin®, a Nu Skin exclusive ingredient derived from seaweed that supplements your skin's collagen and elastin support structures. Sunright® Lip Balm also contains rich emollients to keep your lips feeling moisturized, soft, and smooth.*

### Features and Benefits

- Provides SPF 15 protection to the delicate skin on your lips
- Leaves lips looking smooth and glossy
- Pleasant vanilla flavor
- Can be worn alone or under lipstick
- Exclusive SeaLastin®, derived from seaweed harvested off the coast of France, helps supplement the skin's collagen and elastin support structures
- Emollient-rich sunflower oil softens and moisturizes the skin
- Vitamin E delivers antioxidant relief against the harsh effects of the sun, wind, and cold
- Plant-derived candelilla wax acts as a skin conditioner
- Silica, a naturally derived mineral powder, provides a gentle glide for smoother feel and application

### Active Ingredients

Ethylhexyl Methoxycinnamate (7.5%),  
Benzophenone-3 (2.5%).
