

NU COLOUR® BRONZING PEARLS

BRING THE BEST OF NU SKIN TO COLOR

PRODUCT OVERVIEW

Add a little color to your complexion. Featuring silky, pearlized powder spheres in a blend of five different shades, Nu Colour Bronzing Pearls are the perfect touch for any complexion. Brush on face to add a hint of sunkissed radiance for a healthy, vibrant glow.

TARGET AUDIENCE

Women who want to add a natural looking bronze color to their complexion.

BENEFITS

- Adds bronze and sun-kissed color to complexions for a healthy, radiant look.
- Blend of five shades works well for all skin tones.

KEY INGREDIENTS

- **Rice starch**—contributes to gentle application and light oil absorption.
- **Nylon**—a powder that promotes smooth glide and blendability.
- **Silica**—a powder that helps deliver a silky feel.

USAGE/APPLICATION

Use a large powder brush or sponge and glide it over the bronzing pearls (tap brush on side of container to remove excess powder). With swift, even strokes, lightly sweep Bronzing Pearls across the forehead, then down the cheeks, nose, chin, and neck to achieve a total sun-kissed glow, or dust Bronzing Pearls on cheeks alone for a warm blushed look.

FYI

- Nu Colour® Bronzing Pearls not only work for bronzing the whole face and neck, but also can be used as a warm toned blush.

COMPLEMENTARY PRODUCTS

- **Sunright® SPF 35 & Sunright® SPF 50**—Sunright sun care products provide excellent sun and environmental protection with the benefits of anti-aging ingredients. Sun exposure can have damaging consequences, including premature aging of the skin. Protect your entire family with these water-resistant, non-greasy, broad-spectrum sunscreens.
- **Nu Colour® Powerlips Polish Duo Lip Shine**—a silky soft formula that gives your lips a dose of sleek color drenched in a brilliant high shine—all without fading or smudging.
- **Nu Colour® Powerlips Fluid**—an ultra-long-lasting lip color that contains a special blend of good-for-you, skin-nourishing ingredients to help soothe, smooth, and prevent dry-out over time.
