

# NU SKIN CLEAR ACTION® ACNE MEDICATION TONER

## CLEARING BEYOND THE BREAKOUT

### SYSTEM OVERVIEW

Nu Skin Clear Action focuses on more than just the pimple. It's a comprehensive system to help clear the signs of past and present breakouts and to ensure the future healthy look of your complexion.

### PRODUCT OVERVIEW

Keep your complexion calm and shine-free. Nu Skin Clear Action Acne Medication Toner calms the skin and manages present oil levels, promoting a shine-free, clear complexion. Licorice extract soothes irritated skin, while zinc PCA helps control sebum levels. Potassium ascorbyl tocopheryl phosphate (a special union of vitamins C and E) replenishes the natural antioxidant supply that is lost when your skin is fighting breakouts.

### TARGET AUDIENCE

Men and women who have or have had blemish-prone skin, and anyone who experiences breakouts.

### PRODUCT CLAIMS

This product addresses the **PAST** issues of blemish-prone skin in the following ways:

- Potassium ascorbyl tocopheryl phosphate restores the natural antioxidant supply that is lost when your skin is fighting breakouts.
- Restores vibrancy.

This product addresses the **PRESENT** issues of blemish-prone skin in the following ways:

- Contains salicylic acid, a beta hydroxy acid that penetrates pores to eliminate most blemishes.
- Licorice extract (dipotassium glycyrrhizate) soothes the skin and helps reduce the appearance of redness.

This product addresses the **FUTURE** issues of blemish-prone skin in the following way:

- Zinc PCA controls oil, helping prevent shine and future breakouts.

### KEY INGREDIENTS

- **Potassium ascorbyl tocopheryl phosphate**—restores the natural antioxidant supply that is lost when your skin is fighting breakouts.
- **Salicylic acid**—a beta hydroxy acid that penetrates pores to eliminate most blemishes.
- **Licorice extract (dipotassium glycyrrhizate)**—soothes the skin and helps reduce the appearance of redness.
- **Zinc PCA**—controls oil, helping prevent shine and future breakouts.

### USAGE/APPLICATION

Apply morning and night after cleansing. Unlock the pump by twisting the cap counterclockwise. Place a cotton ball on top of open pump and push down three times. Apply to face and neck area, avoiding contact with eyes. Relock pump by twisting cap in a clockwise direction.

### COMPLEMENTARY PRODUCTS

- **Epoch® Blemish Treatment**—a spot treatment that combines proven pore-clearing acne medicine (salicylic acid) with Job's tears, used historically in Asia to reduce redness, and yarrow, used for centuries to help soothe the skin. This product can be used with the Nu Skin Clear Action System in the first few weeks during the "flare up" stage.
- **Epoch® Glacial Marine Mud**—a facial mud mask that draws out impurities, removes dead skin cells, and nurtures skin with more than 50 skin beneficial minerals and trace elements.
- **Pharmanex® Cortitol® Stress Control Formula**—a unique dietary supplement that helps your body modulate healthy levels of cortisol, a stress hormone. Studies show this primary stress hormone can stimulate an over-production of oil from the sebaceous glands in the skin. When this excess

oil mixes with dead skin cells and bacteria, it can cause acne to develop or become worse. Cortitrol combines natural ingredients that have been scientifically shown to have direct cortisol-balancing effects. These balancing effects, in turn, help you cope better and reduce stress.

- **Pharmanex® LifePak® Nano**—complete anti-aging nutrition that's highly absorbable by your body. LifePak Nano is made of the finest nutrients and provides exceptional nutritional support. As your skin is fighting acne, your antioxidant supply is being depleted, which can accelerate the aging process. Taking LifePak Nano will help you replenish this antioxidant supply.
