

This group is dedicated to Nu Skin entrepreneurs who want to discuss growing their business through SOCIAL MEDIA.

Please read group OVERVIEW and RULES

OVERVIEW:

Welcome to the NU SKIN AMERICAS SOCIAL MEDIA GROUP where you will learn the secrets to building a successful business through social media from experts at our CORPORATE office and can collaborate with other leaders on social media best practices. This group is an extension of our main Facebook page (<https://www.facebook.com/nuskinNA>).

We have a team of admins here who do a wonderful job keeping the group on topic and we do our best to keep the group as safe as possible and that means vetting every member. We admit new members based on current affiliation as Nu Skin Distributors.

NU SKIN AMERICAS SOCIAL MEDIA GROUP is heavily moderated and has specific rules of conduct. Please be prepared to become familiar with the rules when you arrive.

Our goal is to create a place where Nu Skin leaders can learn how to grow their business through social media through receiving training from Nu Skin's top social influencers, asking questions to corporate social experts, and collaborate with other Nu Skin Distributors. Feel free to introduce yourself and invite your friends.

RULES:

- Be nice
- No poaching
- No Advertising, spam, promotion, challenge groups
- Only post on topic. Off topic (OT) will be reported

Please be nice and respect other people's opinions and experiences. We all know there are plenty of other places on FB that we can read everyone's complaining and arguing. This is a loving and encouraging community.

All posts are at the discretion of NU SKIN AMERICAS SOCIAL MEDIA GROUP (i.e. post/pictures we deem offensive, off topic, do not align with our group's goal/mission)

and we reserve the right to remove any posts or comments without further notice. Our decision is final and non-negotiable so please respect this.

We, the admins, also reserve the right to remove members (in some cases without notice) that do not comply with the stated guidelines and rules.

No advertising, spam, promotion, challenge groups (Nu Skin sponsored challenge groups are the exception) or marketing is allowed in the group - this includes soliciting votes for contests/campaigns.

In addition, please be considerate, respectful and polite to others and don't post anything offensive.

Admins have been receiving complaints about OT posts and comments. In the future, we will be more freely deleting posts that are too far OT and diverting from the group core, so don't be surprised if you make one and it disappears.

We have a zero tolerance approach to bad behavior, abuse, rude, hurtful comments or names calling especially to admins, and offenders will be permanently removed from the group. If those behaviors are not immediately noticed by the admins, other members of the group can let the one commenting poorly that their behavior is grounds for being terminated from NU SKIN AMERICAS SOCIAL MEDIA GROUP.

Remember to use good common sense and be safe when deciding to meet someone you don't know in real life. Don't meet alone or in secluded areas. Don't give out personal information. Take friends and meet as a group, let others know where you're going and stick to meeting in populated areas.

Let's work together to keep NU SKIN AMERICAS SOCIAL MEDIA GROUP a safe and friendly place to chat about building your business through social media.
