

ageLOC® YOUTH

STORY

ageLOC Youth promotes the youthful expression of key groups of genes that control aging defenses and also delivers enhanced nutritional benefits. It supports healthy aging defense mechanisms and provides the body with powerful, protective anti-aging support to help us age youthfully.*

The power is in ageLOC Youth's innovative ingredient blend. We carefully selected ingredients for their unique health benefits and ability to positively impact gene expression. The result: an innovative formula that strengthens and supports aging defense mechanisms in every cell and system of the body.*

POSITIONING STATEMENT

ageLOC Youth is Nu Skin's most advanced anti-aging supplement ever. It is a revolutionary supplement that helps revitalize your aging defense mechanisms and is designed to promote your youth span—the years you can enjoy life being more active, energetic, and healthy.*

ageLOC Youth—The power to defy your age.

PRIMARY BENEFITS

1. Our most advanced anti-aging supplement, ageLOC Youth targets our innate ability to resist aging at its source.*
2. ageLOC Youth positively modulates gene expression with a unique blend of nutrients that are not readily available.*
3. Promotes youthfulness—supporting the years you can enjoy life being more active, energetic, and healthy.*

4. ageLOC Youth influences multiple aging defense mechanisms to provide broad-spectrum wellness benefits and promote:*

- Cellular Health
 - Reinforces the body's protection and repair mechanisms at the cellular level.
 - Helps balance healthy cellular response. Disruption of cellular response can spark a cascade of other aging effects.
 - Positively modulates systemic cytokine responses.
 - Supports DNA damage protection/repair.
 - Provides antioxidant protection.
- Brain Health
 - Supports healthy brain structure and function.
 - Promotes youthful cognition and memory.
 - Promotes sense of wellbeing and healthy mood.
- Heart Health
 - Sustains overall cardiovascular health.
 - Promotes blood vessel integrity/elasticity, essential for healthy blood circulation.
 - Supports normal blood glucose control.
 - Supports healthy blood pressure regulation.
- Metabolic Health
 - Supports healthy lipid metabolism.
 - Supports normal glucose metabolism.
- Skin Health
 - Promotes optimal skin barrier function and protection.
 - Maintains optimal skin health.
- Bone Health
 - Boosts bone health and supports bone structure and integrity.
- Joint Health

Will ageLOC Youth increase my skin carotenoid score?

Yes, in fact, ageLOC Youth is SCS certified to increase your scanner score.* What is the scientific substantiation for this product? Many clinical studies have been published documenting the health benefits of the ingredients included in ageLOC Youth. Additionally, there are several ageLOC Youth studies completed or ongoing.

SUPPLEMENT FACTS

Serving Size 2 Capsules	Servings Per Container 60	
Amount Per Serving		% DV
Vitamin D3 (as cholecalciferol)	500 IU	125%
Vitamin K2 (as menaquinone-7)	20 mcg	25%
Ultra-pure fish oil concentrate:	1055 mg	*
EPA (Eicosapentaenoic acid)	300 mg	*
DHA (Docosahexaenoic acid)	200 mg	*
Citrus Bioflavonoids	100 mg	*
(including hesperidin and naringin)		
Purple corn (<i>Zea mays L.</i>) cob extract including anthocyanins	66.67 mg	*
Alpha Lipoic Acid	50 mg	*
Quercetin (from <i>Dimorphandra mollis</i> fruit extract)	37.5 mg	*
D-Limonene (from <i>Citrus sinensis</i> peel)	25 mg	*
Rosemary (<i>Rosmarinus officinalis L.</i>) leaf extract including carnosic acid	18.75 mg	*
Resveratrol (from <i>Polygonum cuspidatum</i> root)	15 mg	*
Coenzyme Q10	15 mg	*
Lycopene	2.5 mg	*
Lutein (from marigold flower (<i>Tagetes erecta</i>))	2 mg	*
Astaxanthin (from <i>Haematococcus pluvialis</i> algae)	0.5 mg	*

* Daily Value (DV) not established.

Other Ingredients: Capsule (Gelatin, Water), Silicon Dioxide, Sunflower Oil.

WARNINGS

Keep out of reach of children. Pregnant or lactating women and people with known medical conditions should consult a physician prior to using this product. Do not use if safety seal is broken or missing. Contains fish (anchovies, sardines, mackerel). Discontinue use and consult a physician if any adverse reactions occur.
