

AGELOC ME®

MEET AGELOC ME

Your skin tells the story of your life. Now you can unlock the best version of yourself with ageLOC Me. This next-generation skin care system uses an advanced skin assessment to help you match our most extensive range of powerful formulas to a simple two-step regimen that fits your unique skin needs and maximizes your skin benefits.

Step one weaves three formulas into one super-concentrated, personalized serum via exclusive microlayering technology. Step two allows you to add the perfect moisturizer to your regimen via unique day and night moisturizers specially designed for your skin type, needs, and preferences. Both steps are delivered via a smart, convenient device so you can simply experience the best benefits for your skin. ageLOC Me—the power to be the best you.

LEARN MORE ABOUT IT

How is ageLOC Me different from other custom skin care systems?

2

Nu Skin has redefined skin care with ageLOC Me, an innovative and personalized approach to unlocking your best skin. No other system has the same unique formulas powered by this exclusive technology.

What is included in my monthly ageLOC Me personalized product kit?

Your ageLOC Me personalized product kit includes one (1) day moisturizer, one (1) night moisturizer, three (3) serums, one (1) serum cartridge holder, and one (1) device connector.

Why is the ageLOC Me skin assessment necessary?

The skin assessment is the first step in personalizing and fine-tuning your skin care regimen. Using the assessment, we help you design the best regimen for your specific skin care needs and preferences based on your lifestyle, location, and skin type.
