Nu Skin Key Messaging Principles

TODAY'S AUDIENCES CAN BE SKEPTICAL ABOUT PRODUCT CLAIMS, OPPORTUNITY CLAIMS, THE DIRECT SELLING INDUSTRY AS A WHOLE, AND THEIR ABILITY TO THRIVE IN THIS BUSINESS MODEL.

KEEP THEIR PERSPECTIVE IN MIND WHEN COMMUNICATING WITH THEM. •

BECAUSE THEY OFTEN THINK MESSAGES ARE...

ALWAYS TAKE CARE TO...

“Too good to be true”

KEEP IT REAL

be straightforward
and don't overstate

“Too little information”

BACK IT UP

Provide specifics that
alleviate concerns

“Too much, too soon”

EASE THEM IN

Nu Skin Global Legal Standard for Marketing Claims

WE ARE COMMITTED TO THE HIGHEST STANDARDS OF ETHICAL AND HONEST BEHAVIOR, INCLUDING IN THE CLAIMS WE MAKE REGARDING OUR PRODUCTS AND BUSINESS OPPORTUNITY.

USING ONLY APPROVED CLAIMS IS ESSENTIAL TO MAINTAINING OUR REPUTATION AND PROMOTING A HEALTHY AND GROWING BUSINESS.

1 BE HONEST

Claims must be truthful and not misleading.

2 FOLLOW THE COMPANY PRODUCT CLAIMS

All claims should be consistent with the applicable Nu Skin Product Information Page, marketing and training guidelines that govern the product.

3 TRUTH IS NOT ALWAYS ENOUGH. WHAT IF IT IS TRUE BUT NOT TYPICAL OR NOT AN APPROVED COMPANY CLAIM?

Even if true, a personal testimonial, product experience, or claim is not allowed if it is inconsistent with the applicable Nu Skin marketing materials.*

*WHY?

All of our products have clinically substantiated benefits and legal requirements that govern allowable claims. These regulations limit claims to those that are consistent with our substantiation AND that most consumers would experience.

Written Product Testimonials

PRODUCT TESTIMONIALS SHOULD NOT CLAIM THAT A PRODUCT WILL TREAT, CURE, OR PREVENT ANY DISEASE OR HEALTH CONDITION, OR THAT THE PRODUCT CURED YOUR OWN AILMENT—EVEN IF TRUE.* PRODUCT TESTIMONIALS SHOULD FOCUS ON PRODUCT BENEFITS, APPROVED CLAIMS, AND TYPICAL RESULTS WHILE FOLLOWING THESE GUIDELINES: •

*WHY:

NU SKIN CONDUCTS SCIENTIFIC CLINICAL RESEARCH TO SUBSTANTIATE OUR PRODUCTS. IN A REGULATED INDUSTRY IT IS IMPORTANT TO ONLY MAKE CLAIMS THAT ARE LEGAL AND THAT WE CAN PROVE.

1 Must contain the name of the product

2 Must only make approved product claims

3 Must include your name and market

4 Must disclose that you are a distributor

PRODUCT TESTIMONIAL THAT IS TRUTHFUL AND CONSISTENT WITH CORPORATE CLAIMS

PRODUCT TESTIMONIAL THAT MAY BE TRUTHFUL BUT NOT CONSISTENT WITH CORPORATE CLAIMS

DISTRIBUTOR This is the most amazing thing ever. For 20 years I have had back pain. After using R2 for 4-5 months, it's gone. For me, that is a miracle...I sleep better, wake up refreshed and ready to go! I've even started training for my first 5K, something my doctor told me I could forget about! Never say never! Thank you Pharmanex, for this amazing product!! I wish Facebook had a LOVE button!

Before & After Photos

BEFORE AND AFTER PHOTOS ARE POWERFUL TOOLS THAT SHOW THE POSITIVE IMPACT NU SKIN PRODUCTS CAN HAVE FOR THE TYPICAL CONSUMER. HOWEVER, THEY ARE CONSIDERED “PRODUCT PERFORMANCE CLAIMS” AND, THEREFORE, NEED TO FOLLOW THESE GUIDELINES: •

1

In before and after photos, the following must be consistent:

- Lighting
- Clothing
- Background
- Makeup (should be minimal, if any)
- Clarity and resolution

Your body position, pose, angle of face, and facial expression

2

Photos must accurately depict benefits that may be achieved by a typical consumer using the product.

3

Photos must only support legally approved product claims. (These claims can be found in the Product Information Page.)

Before & After Photos

4 Photos must be accompanied by a caption that indicates what products you used, how long you used the products, how often you applied the products, your name (first name and last initial is fine) and market. You must disclose that you are a Nu Skin distributor if your intention is to publicize Nu Skin products.

5 In photos that show weight loss product results or any Spa results, you should be a good example of Nu Skin's brand, image, and high standards. You must be dressed modestly and appropriately for the type of product you are highlighting.

Women should wear tasteful swimsuits or workout clothing.

Men should wear workout clothing or swim trunks.

Excessively suggestive photos or those revealing too much skin do not meet Global Marketing standards.

6 For all before and after pictures, including half-face demos and body shots where you treated only one side, it's helpful to include arrows that point out the areas of improvement.

7 Your photos must be original and not retouched or modified

8 Obtain copyright permission before using any photos that are not your own and do not use celebrity or other company trademarks without permission.

3 Wear appropriate makeup to match the Nu Skin brand (fresh, clean, and healthy looking, not overdone).

4 Use sufficient lighting

5 Obtain copyright permission before using any videos that are not your own and do not use celebrity or other company trademarks without permission.

6 Follow the approved product testimonial guidelines in all videos.

GOOD EXAMPLES OF SOFT CLAIM TESTIMONIALS THAT SHOW THE PRODUCT AND MAKE A PROPER BENEFIT CLAIM

As a flight attendant, I used to put on heavy makeup to look good. I was never contented with my skin as I suffered from all the aging signs. After using ageLOC® products, I feel so refreshed with my skin and wear only light make up. I look 10 years younger than my actual age!

“Since I began taking ageLOC R2, every day has become a good day. The product gives me a lot of energy and it feels like I live younger. I have no problems getting up in the morning and I feel recharged ready to start a new day with a good feeling!”
