Bold capitalized terms are further defined in the Glossary.

RETAIL

Feeling the sales guru inside of you looking for a way out? Whenever you buy Nu Skin Products and sign a seller agreement, you can sell these same Products for profit. You choose the prices, the Products, and your personal touch.

HOW IT WORKS

RETAILING IN THE 21ST CENTURY

Retailing plays a vital role in any business you may build. The traditional way to retail is by first purchasing Products directly from Nu Skin at Member Price, and then reselling those Products to consumers at a price you set yourself. You handle all the details and all the profits!

RETAIL MARKUP

Retail Markup is the difference between your costs (including the Member Price, taxes, shipping costs, etc.) and the price you sell Products for. You handle all Retail Markup earned outside of Nu Skin's systems.

Example

YOU EARN **RM43** OF RETAIL MARKUP FROM YOUR CUSTOMER

SHARE

It's your life, why not live it the way you want and make money while you're at it? Velocity gives you the opportunity to earn cash doing something you already enjoy—sharing great Products with the people around you.

HOW IT WORKS

Do what you do best, and we'll handle the rest. As a **Brand Affiliate**, you can sell Products using our website or apps, over your favorite social networks, or through personal offers. Every time a Brand Affiliate or **Qualifying Sales Leader** you **Register** makes a purchase directly from Nu Skin, you'll earn a **Sharing Bonus**.

When you purchase Products from Nu Skin, the Sharing Bonus is paid to the Brand Affiliate who Registered you. Sales Leaders keep Sharing Bonuses on their personal purchases.

Simple, right?

SHARING BONUS

Every time your Brand Affiliates and Qualifying Sales Leaders (except Sales Leaders) buy Products directly from Nu Skin, you'll earn a percentage of the sale *daily*. And there are plenty more ways Velocity benefits you:

- A new business without the price tag. Start selling with Nu Skin today—no fees or purchases required to begin.
- Great Products we back. That's why we offer a generous return policy.
- The support you need to help you succeed. We handle the back-end details, so you can focus on your customers and grow your business.

EARN DAILY

SHARING BONUS

Enjoy a Sharing Bonus on most Products that generally ranges between **3% to 20%** (or more!) on Products purchased by your Registered Brand Affiliates and Qualifying Sales Leaders (except Sales Leaders) directly from Nu Skin. Contact your market or Brand Affiliate for specific Product pricing, applicable Sharing Bonus details, and other information.

Example

DAILY PAY

Sharing Bonuses will generally be reflected in your V&G Account within 1 business day.

BUILD

When you're ready to build your business, Nu Skin has your back. Velocity helps propel you forward and ignite your passion!

HOW IT WORKS

Velocity keeps your hard work organized using a simple system of blocks to represent **Sales Volume**. These blocks are also used to help determine your progress and pay. Basically, blocks make understanding and organizing your business easier and more efficient for you and your sales **Group** (you and all your Retail Customers, Brand Affiliates and Qualifying Sales Leaders).

BLOCKS

Even with spreadsheets and apps, managing a booming business can be rough. To streamline things, we arrange your Product sales into bite-size chunks called blocks. There are two types of blocks—**Building Blocks** and **Sharing Blocks**. Each Building Block represents 500 points of **Sales Volume** that come from your Group. Sharing Blocks are Building Blocks, but only count purchases made by Brand Affiliates and Qualifying Sales Leaders who you personally Register.

Blocks reset each calendar month, so tracking your monthly sales is easier and more straightforward than ever!

QUALIFICATION

Building your business into something bigger and better is awesome, but it's not easy. We help you keep track of your personal progress to become a Sales Leader using a simple system we call **Qualification**.

Step 1: To get things started, you'll need to develop a strong Group and then submit a Nu Skin **Letter of Intent**. Once you're set, we give you a fancy Title to go with your new responsibilities—**Qualifying Sales Leader**.

Step 2: Qualification guides you to create the kind of customer base that will help you succeed monthly as a Sales Leader. You commit to completing 12 Building Blocks, with at least 4 of these also being Sharing Blocks, within 6 consecutive calendar months.

Step 3: Each calendar month of Qualification, you must complete at least 2 Building Blocks in order to continue Qualification.

Note: Qualifying Sales Leaders are moved up to the nearest Sales Leader after finishing Qualification. Make sure you finish your first Qualification month in the same month or earlier than the month they finish Qualification themselves to keep them in your Team.

Qualifying Sales Leaders who miss a month's continuing Qualification requirements or don't finish Qualification in 6 months, will need to submit a new Letter of Intent and begin Qualification again.

BECOME A SALES LEADER!

As soon as you finish Qualification, you'll become a Sales Leader at the start of the very next weekly period. You can then begin earning a weekly **Building Bonus** that starts at **5%** and can reach as high as **40%** on the commissionable value of your Group's Product sales.

From then on, to remain a Sales Leader, you need to complete 4 new Building Blocks each month (or use up to 3 Flex Blocks, as further explained in the Glossary).

EARN WEEKLY

BUILDING BONUS

Earn a scaling bonus that starts at **5%** on the **Commissionable Sales Value (CSV)*** of your first Building Block and stretches all the way up to **40%** on your 16th Building Block and beyond. You are paid on the CSV of each individual Building Block. Each Building Block is paid at the percentage associated with that Building Block only, as illustrated in the chart below.

If you complete 4 or more Building Blocks (excluding Flex Blocks) in a month, you'll also be paid a Building Bonus on any incomplete Building Blocks at the end of the Month. Incomplete Building Blocks are paid on the percentage amount of the last completed Building Block. For example, if you have completed 6 blocks and part of your 7th block in 1 month, you'll be paid a **25%** Building Bonus on the CSV of the incomplete portion of your 7th block.

* Commissionable Sales Value (CSV) is a currency value, associated with each Product, used to determine Building and Leading Bonuses. CSV for each Product may change from time to time. Contact your market or referring Brand Affiliate for Product-specific pricing, Sharing Bonus details, Commissionable Sales Value, and other sales compensation information.

For example, an individual who has completed 4 Building Blocks in a month would thus earn 5% on the CSV of the 1st Building Block, 5% on the CSV of the 2nd Building Block, 10% on the CSV of the 3rd Building Block, and 15% on the CSV of the 4th Building Block they completed.

A block's CSV and Sales Volume are generally not equal.

WEEKLY PAY

Four times a month, we pay you a Building Bonus for any newly completed Building Blocks. We calculate your pay based on sales through the 7th, 14th, 21st, and the last day of every calendar month, so you don't have to wait until the end of the month to be paid. Your bonus will generally be reflected in your V&G Account within 1 business day and then automatically transferred to the financial institution you choose.

WEEKLY BUILDING BONUS SCHEDULE

BONUSES ARE GENERALLY CALCULATED ON THE 8TH, 15TH, 22ND, AND THE 1ST OF THE FOLLOWING MONTH, MOUNTAIN STANDARD TIME (UTC -7)

LEAD

Nu Skin is all about paying it forward and being a force for good. That's why part of our mission is to empower people around the world to better their own and others' futures. With a powerful and fulfilling leadership program, we reward those who help their teammates reach their goals.

HOW IT WORKS

HELP OTHERS GROW

Lead is built on one main concept: earn more by helping others succeed. That begins with leading others to become Sales Leaders. We'll reward you with a *monthly* **Leading Bonus** for guiding your **Team** to take off!

YOUR TEAM

GROUP

TEAM

EXPAND YOUR BUSINESS

As your business grows, so too will your Team. By developing their own customer bases, your Group members can become Sales Leaders and create their own Groups. But even after they set out on their own journeys, everyone who you've brought to Nu Skin remains in your Team. We keep these connections easily organized using the idea of **Generations**. All Sales Leaders you directly lead are your 1st Generation (G1). All the Sales Leaders they directly lead are your 2nd Generation (G2), and so forth.

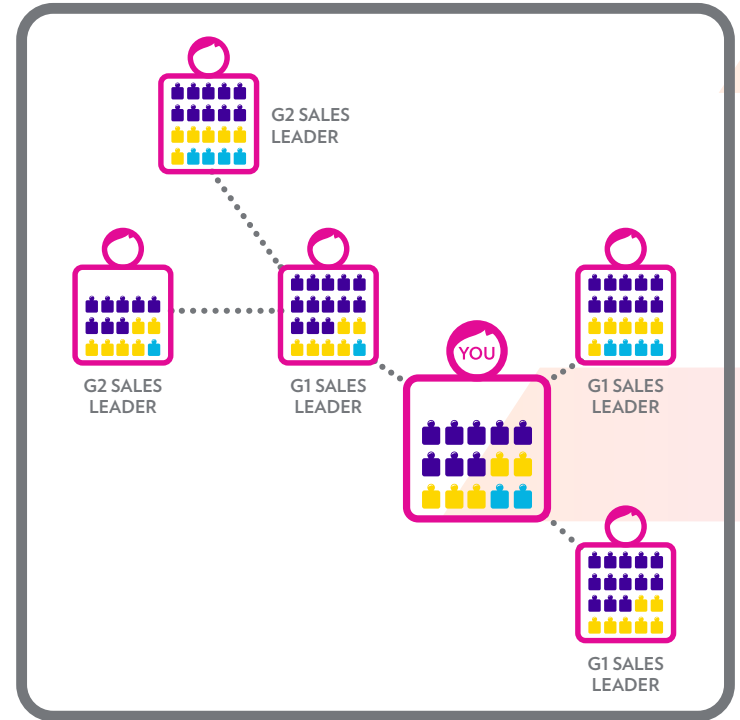

EARN AS YOU LEAD

Lead rewards Sales Leaders who work part-time or full-time to sell Products and help others create their own Nu Skin sales businesses. For each Sales Leader you develop on your 1st Generation (G1), you can earn a Leading Bonus on their Group's CSV.

By developing more G1 Sales Leaders and meeting other benchmarks, you unlock the potential to earn a Leading Bonus on up to 6 Generations in your Team!

If you get bumped back to Brand Affiliate for any reason, your Sales Leaders and their Groups will join the Team of your direct Sales Leader.

YOUR TEAM

BE AN EPIC LEADER

True leaders work hard to help their Sales Leaders thrive. That's why, to achieve our highest Titles, you'll need to create **Leadership Teams**. These are G1 Sales Leaders who have achieved certain **Leadership Team Sales Volume (LTSV)** milestones in a calendar month, as shown in the Velocity Sales Leader Title and Leading Bonus Chart on page 21. In other words, by helping others be amazing Sales Leaders, you can get some awesome rewards as well!

BOOST YOUR SALES, BOOST YOUR PAY

It takes hard work and daily commitment to lead a successful Team, and we want to make sure you are well-compensated for it! When you complete **6 Building Blocks** in a month, we'll sweeten the deal and improve the pay of your Leading Bonus for that month. We will calculate your Leading Bonus at *quadruple* the standard rate on the CSV of your G1 Sales Leaders' Group sales or at *twice* the standard rate on the CSV of your Team sales—whichever is higher—to make sure that you get the biggest reward for your efforts each month.

YOUR TEAM

EARN MONTHLY

LEADING BONUS

Complete 6 or more Building Blocks in a month and you'll earn **10%** on your G1 CSV or **5%** on your Team CSV, as shown in the following chart. Alternatively, if you complete 4 or 5 Building Blocks in a month, you'll earn **2.5%** on your Team CSV. To be eligible for any Leading Bonus, however, you need to be a Sales Leader who has completed 4 or more Buildings Blocks that month (excluding Flex Blocks).

MONTHLY PAY

After each calendar month ends, we tally all the sales from your Team and determine your Leading Bonus. Like all Velocity bonuses, your Leading Bonus will be quickly reflected in your V&G Account and then automatically transferred to the financial institution you choose.

YOUR LIFE, YOUR BUSINESS, YOUR WAY

So, what are you waiting for? Whether you want to make a little extra money, build a part-time gig, or even lead a full-time business, we have numerous flexible paths that give you fast rewards to help you build your fulfilling future. GLOSSARY

BRAND AFFILIATE—Any person authorized to sell Nu Skin's Products, pursuant to a Seller Agreement (SA). All Product purchases are optional.

BUILDING BLOCK—A measurement of Sales Volume. A Building Block is only considered complete when it has 500 points of Sales Volume. A Building Block with less than 500 points of Sales Volume is referred to as incomplete.

BUILDING BONUS (BB)—All Sales Leaders are eligible to receive a Building Bonus on completed Building Blocks. Sales Leaders who complete 4 or more Building Blocks in a month (excluding Flex Blocks) are also eligible to receive a Building Bonus on any incomplete Building Block at the end of the month. The percentage paid on an incomplete Building Block is equivalent to the percentage paid on the last completed Building Block of the month. Incomplete Building Blocks are paid on the 8th of the following month. Brand Affiliates and Qualifying Sales Leaders are not eligible for Building Bonuses. No Building Bonus is paid on Flex Blocks. Building Bonus is calculated on the CSV of each individual Building Block. The percentage associated with a Building Block is only applicable to that specific Building Block and does not apply to any previous completed Building Blocks.

BUSINESS BUILDER POSITION (BBP)—The Business Builder Position is offered as an incentive to successful Sales Leaders as motivation to continue building their sales Team. A Business Builder Position is a second position that is awarded to a Sales Leader who has been paid as an Executive Brand Director for 1 month. The BBP is established on the 1st generation of the Executive Brand Director (parent account). By building a Team of Sales Leaders under the BBP, the parent account is eligible to receive 5% Leading Bonus on 6 Generations of Sales Leaders and the BBP is eligible to receive 5% Leading Bonus on 6 Generations of Sales Leaders. The owner of the BBP and parent account may receive up to 10% on the CSV of overlapping Generations between the parent account and BBP. For full information about Business Builder Positions, contact your account manager.

COMMISSIONABLE SALES VALUE (CSV)—Commissionable Sales Value (CSV) is a currency value, associated with each Product, used to determine Building and Leading Bonuses. CSV for each

Product may change from time to time. Contact your market or referring Brand Affiliate for Product-specific pricing, Sharing Bonus details, Commissionable Sales Value, and other sales compensation information.

FLEX BLOCK—A Flex Block is a Building Block substitute that is automatically used to maintain your status as a Sales Leader if you do not complete 4 or more Building Blocks in a calendar month. In any month that you use a Flex Block, you will still be eligible for Building Bonuses on completed Building Blocks, however, you will not be eligible for any Leading Bonus. Flex Blocks do not provide Sales Volume, CSV, have no monetary value and can't ever be redeemed for cash—they are only used to help maintain Sales Leader status. A maximum of 3 Flex Blocks can be used each calendar month. There is no limit to the number of Flex Blocks that can be accumulated. Flex Blocks do not expire and are non-transferable. Any accumulated Flex Blocks will be forfeited if you fail to maintain your Sales Leader status.

GENERATION—A Generation is a simple way to help you organize your Team. Every Sales Leader you directly lead is part of your 1st Generation (G1). Every Sales Leader your G1 Sales Leaders directly lead is part of your 2nd Generation (G2), and so forth.

GROUP—Your Group consists of you and all your Retail Customers, Brand Affiliates and Qualifying Sales Leaders. Your Sales Leaders and their Groups are not included in your Group. All sales made by those in your Group contribute to your Building Blocks and your Group's Commissionable Sales Value.

LEADERSHIP TEAM (LT)—See Lead – Be an Epic Leader for details.

LEADERSHIP TEAM SALES VOLUME (LTSV)—A G1 Sales Leader's LTSV is the sum of all your G1–G6 Sales Volume from that G1 Sales Leader.

LEADING BONUS—See Lead for more details.

LETTER OF INTENT (LOI)—The Letter of Intent is a document or online notice that a Brand Affiliate signs to notify Nu Skin of their intention to enter Qualification and become a Qualifying Sales Leader. Once submitted and accepted by Nu Skin, a Brand Affiliate is referred to as a "QSL1" for their first month

of Qualification, “QSL2” for their second month, etc. If a Brand Affiliate has been a Qualifying Sales Leader in the past and wishes to enter Qualification again, that Brand Affiliate must submit a new Letter of Intent.

MEMBER PRICE—Member Price is the purchase price of Products for Brand Affiliates. Member Price may occasionally be lowered below normal listings for promotions and incentives, as determined by the local market.

PRESIDENTIAL DIRECTOR BUSINESS BUILDER POSITION (PD BBP)—A Presidential Director Business Builder Position is offered as an incentive to successful Sales Leaders as motivation to continue building their sales Team. A PD BBP is a third position that is awarded to a Sales Leader who has finished the first month of Qualification to be recognized as a Presidential Director. The PD BBP is established on the 1st Generation of the parent’s BBP account. By building a team of Sales Leaders under the BBP, the parent account is eligible to receive 5% Leading Bonus on 6 Generations of Sales Leaders, the BBP is eligible to receive 5% Leading Bonus on 6 Generations of Sales Leaders, and the PD BBP is also eligible to receive 5% Leading Bonus on 6 Generations of Sales Leaders. This means that the parent account may receive up to 15% and the BBP may receive up to 10% on the CSV of overlapping Generations between the parent, BBP, and PD BBP accounts. For full information, contact your account manager.

PRODUCT—Product(s) includes all products and services sold by Nu Skin and its Brand Affiliates.

QUALIFICATION—Qualification is the process Brand Affiliates undergo to become Sales Leaders. You begin Qualification by submitting a Letter of Intent and are reclassified as a Qualifying Sales Leader. After accumulating the requisite number of Building Blocks and Sharing Blocks within 6 calendar months, you finish Qualification and are reclassified as a Sales Leader. Please see Build – Qualification for more details.

QUALIFYING SALES LEADER (QSL)—A Qualifying Sales Leader is a Brand Affiliate who has submitted their Letter of Intent and begun, but not finished, Qualification. Please see Build – Qualification for more details.

REGISTER—Register(ed) refers to personally enrolling Brand Affiliates with Nu Skin.

RETAIL CUSTOMER—A Retail Customer is anyone who is not a Brand Affiliate who purchases Product from a Brand Affiliate.

RETAIL MARKUP—Retail Markup is the difference between your total costs (including the Member Price, cost of shipping, etc.) and the price you sell a Product for.

SALES LEADER (SL)—You become a Sales Leader after completing Qualification. To maintain Sales Leader status, you must complete at least 4 Building Blocks each calendar month (or use Flex Blocks to substitute for missing Building Blocks). If you fail to maintain your Sales Leader status, any Sales Leaders on your Team will be moved to the Team of your direct Sales Leader. You have the option to Restart for a limited time, and, if successful, you may regain the Sales Leaders that were on your Team, along with any Flex Blocks previously accrued.

SALES VOLUME—Sales Volume refers to a point system Nu Skin uses to compare the relative value of Products across various currencies and markets. Each Product is assigned a specific amount of points of Sales Volume. Sharing Blocks, Building Blocks, and Leadership Team Sales Volume are all comprised of Sales Volume. Sales Volume is different from Commissionable Sales Value.

SELLER AGREEMENT (SA)—The Seller Agreement is a contract required to become a Brand Affiliate. After Nu Skin accepts the Seller Agreement, an individual is classified as a Brand Affiliate and is able to Register Brand Affiliates and resell Product.

SHARING BLOCK (SB)—Sharing Blocks are a subset of Building Blocks and consist of 500 points of Sales Volume that only come from purchases made by Brand Affiliates and Qualifying Sales Leaders who you’ve personally Registered. Your personal purchases do not count towards Sharing Blocks. Sharing Blocks are only applicable to Qualification and are a subcategory of Building Blocks. Therefore, all Sharing Blocks are Building Blocks, but not all Building Blocks are Sharing Blocks.

SHARING BONUS—Please see Share for more details.

TEAM—A Team consists of your Group and all Groups on which you are eligible to be paid a Leading Bonus.

TITLE—Title refers to Brand Affiliates, Qualifying Sales Leaders, and Sales Leader Titles. Sales Leader Titles are determined by the number of G1 Sales Leaders and Leadership Teams and is used to

determine the number of Generations on which you can be paid a Leading Bonus. Please see the Lead – Sales Leader Titles and Leading Bonus chart for each Title’s specific requirements.

V&G ACCOUNT—A V&G Account is a digital account that reflects all compensation activity, adjustments, and payments distributed by Nu Skin. You receive a V&G Account when you become a Brand Affiliate. You can transfer your total available balance from your V&G Account to any designated financial institution account at any time. However, fees may be associated with these transfers, depending on your market policies and/or the receiving financial institution. Nu Skin automatically transfers your remaining V&G Account balance free of charge at the start of each weekly and monthly pay period. You are responsible for all fees associated with any transfer you initiate. There is a RM20 minimum required for automated transfers. Transfers you initiate do not have a minimum balance requirement. V&G Accounts do not accrue interest. You can view your V&G Account through Nu Skin’s Brand Affiliate online portal.
