

DAY DREAM PROTECTIVE CREAM SPF 35

Your skin has a mind of its own. But now you can make it resilient to what life throws at you with a bioadaptive skin care system that helps your skin adapt to environmental stressors like late nights and pollution and protects against the damaging effects of UV and blue light exposure on skin—for better, balanced skin every single day. It's so intuitive; it knows what your skin needs before you do. And with clean formulas, you can feel confident about what you're putting on your skin. Make every day a great skin day.

MEET DAY DREAM PROTECTIVE CREAM

Start living your great-skin dream with Nutricentials Day Dream Protective Cream. This SPF 35 formula is a luxurious cream that helps your skin stay soft and hydrated no matter what life throws at you. Plus, bioadaptive botanical extracts and a Blue Light and Infrared Filtering Blend help protect against the damaging effects that UV, blue light and infrared red exposure can have on skin. Apply each morning for a protective barrier and leave everyone wondering about your secret to visibly radiant, healthy skin.

WHY YOU'LL LOVE IT

- Made with bioadaptive botanicals that help your skin adapt to its environment.
- A clean formula with worry-free ingredients you can feel good about putting on your skin.
- Features broad-spectrum SPF 35 UV protection in a comfortable cream without any sunscreen smell.
- Helps protect against the damaging effects of blue light and infrared exposure, including discoloration, dullness, and premature aging.
- Helps protect against, and increases resiliency to, the damaging effects of stress, pollution, and free radicals.
- Provides effective hydration without feeling heavy or leaving a greasy residue.
- Gives a glowing, luminous complexion and helps even skin tone for radiant skin.
- Helps draw water to the skin to keep it smooth and hydrated.
- Doesn't clog pores—non-comedogenic.
- Features a tube that is proudly made with 34% post-consumer resin (PCR).

WHAT POWERS IT

- **Bioadaptive Botanical Complex (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection Plant)**—a blend of botanical extracts from plants that thrive in extreme climates and can help your skin bounce back from stressors.
- **Blue Light and Infrared Filtering Blend (French Red Bell Pepper Extract, Pumpkin Extract, and Buriti Oil)**—acts as a free radical shield and blue light filter to help protect against accelerated signs of aging like visible hyperpigmentation and dull, uneven skin.
- **Bisabolol**—a sustainably harvested, naturally derived ingredient native to South America that soothes and hydrates as it protects skin against the damaging effects of daily environmental stressors.
- **Vitamin E**—a powerful antioxidant that protects against free radicals caused by environmental stress.

TARGET AUDIENCE:

Nutricentials Bioadaptive Skin Care is recommended for 18 years old and above who are exposed to environmental stressors like late nights, pollution and UV rays.

HOW TO USE IT

Apply a generous amount to clean face and neck in an upward, outward motion. Use every day.

TRY THESE WITH IT

- **Nutricentials HydraClean Creamy Cleansing Lotion**—luxurious soap-free formula cleanses away dirt, excess oil, and makeup—all while protecting your skin's natural moisture barrier.

DAY DREAM PROTECTIVE CREAM

- **Nutricentials In Balance pH Balance Toner**—light toner that helps your skin stay balanced by restoring it to its optimal pH level.
- **Nutricentials Celltrex Always Right Recovery Fluid**—lightweight, fast-absorbing serum featuring a smart HydraFlex Blend that provides more or less hydration depending on what your skin needs throughout the day.

LEARN MORE ABOUT IT

What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties. When used on the skin, the special properties of these botanicals help your skin adapt to its changing and unique environment so that it can recover from—and gain resiliency to environmental stressors.

How is Nutricentials Day Dream Protective Cream protective?

Nutricentials Day Dream Protective Cream contains broad-spectrum sunscreen filters to protect the skin from sun damage, and bioadaptive botanicals to help protect skin from other environmental stressors. It also features a Blue Light and Infrared Filtering Blend that helps protect against the harmful effects of these two common skin stressors.

Can Nutricentials Day Dream Protective Cream be used together with another moisturizer?

Nutricentials Day Dream Protective Cream is formulated as a combination sunscreen and moisturizer. For additional hydration, you can add another moisturizer like Nutricentials Dew All Day Moisture Restore Cream to your morning regimen.

How does Nutricentials Day Dream Protective Cream support Nu Skin's commitment to become more sustainable?

We have proudly replaced Nutricentials Day Dream Protective Cream's tube with one made from 35% PCR (post-consumer resin). In doing so, we will prevent approximately .5 tons of virgin plastic from being produced annually.*

Other Nutricentials product bottles are also made from

100% PCR, and our tubes are made with 34-35% PCR for a combined savings of 57.5 tons of virgin plastic from being produced annually.* Plus, more than 90% of our palm ingredients are Roundtable on Sustainable Palm Oil (RSPO) sourced. You can further our sustainability efforts by recycling our packaging bottles, jars and cartons where possible. By purchasing Nutricentials, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us. Please visit www.nuskin.com/sustainability for more information.

*Based on 2021 global forecasts.

What is Nutricentials' commitment to being transparent and sustainable?

With our commitment to transparency, sustainability, and using only the best of science and nature, we bring you clean formulas based on our Nutricentials ingredient list—all in sustainable packaging. So you can feel confident in your natural glow and in your skin care. Nutricentials Bioadaptive Skin Care is responsibly produced skin care for the environmentally conscious consumers.
