

Terri Tu

1 MILLION DOLLAR CIRCLE

2 YEAR TEAM ELITE

UNITED STATES

Terri Tu is a very energetic and inspiring person. Her rise to success is truly a "rags to rich" story. Her family background is of low income immigrants; however, at the age of 27 Terri has made her first million in commission. With endless efforts and desire to change her family's fate, Terri has been successfully building a high-performance sales team since 1994 which made her a top income earner in every company she has participated. She has also been covered in a few magazines. Nine years ago in 2009, Terri decided to make a career move which completely changed her life. She made Nu Skin as her final and permanent home in Network Marketing.

Terri believes in teaching personal development and helping her team build self-confidence and courage to pursue their dreams. She has made it her mission in life to help others turn their Dreams into Reality. Terri personally believes that everything happens for a reason and that even negative experiences in life are valuable tools that strengthen a person and prepare them for their life's work. Her life's motto is "To live, to love, to learn and most importantly, is to LEAVE A LEGACY!"

Currently, Terri and her husband Ben Nguyễn are Team Elite. They are part of the 1 Million Dollar Circle and months away from being a 5 MDC. What brings them joy were to see 11 of their leaders being a part of the 1 MDC. Their organization has grown to 32 markets around the world. Their teaching and coaching success involves helping others to believe in themselves and inspiring them to greatness.
