

PILLOW GLOW SLEEPING MASK

Your skin has a mind of its own. But now you can make it resilient to what life throws at you with a bioadaptive skin care system that helps your skin adapt to environmental stressors like late nights and pollution. The system also helps to protect your skin against UV for better, balanced skin every single day. It's so intuitive; it knows what your skin needs before you do. And with clean formulas, you can feel confident about what you're putting on your skin. Make every day a great skin day.

MEET PILLOW GLOW SLEEPING MASK

This moisture-recharging gel-cream mask delivers long-lasting overnight hydration. Just apply before bed to support your skin's natural moisture barrier throughout the night and wake up to skin that is glowing, radiant and more hydrated. Unique ingredients like Red Algae and Apple Extract are perfect for skin that's parched. Roundhead Bush Clover helps improve the look of dull, uneven, stressed and tired-looking skin. Bioadaptive botanicals help protect against, and increase your skin's resilience to everyday stressors. And Deep Sea Water promotes luminosity as it restores skin-essential minerals that are depleted during the day. Nutricentials Pillow Glow Sleeping Mask is your secret to skin that looks and feels calmed, radiant, refreshed, and hydrated.

WHY YOU'LL LOVE IT

WHAT POWERS IT

- **Bioadaptive Botanical Complex** (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom and Resurrection Plant)—a blend of botanical extracts from plants that thrive in extreme climates and can help your skin bounce back from stressors.
- **Roundhead Bush Clover** (Lespedeza Capitata Leaf/Stem Extract)—helps improve the look of dull, uneven, stressed and tired-looking skin.
- **Deep Sea Water**—obtained from Noimoutier, also called the Island of Mimosas, this unique ingredient helps improve luminosity, minimize the appearance of pores, soothe the skin, and replenish skin-essential minerals, such as zinc, manganese, calcium and sodium that are depleted throughout the day.
- **Red Algae**—sourced from Scandinavian waters, Red Algae traps nearly its own weight in water to boost skin's natural moisture barrier and help skin retain hydration.
- **Apple Extract**—a natural moisturizing saccharide complex that provides a burst of moisturization.

HOW TO USE IT

Apply a generous amount on top of moisturizer as the last step in your night time routine. Allow it to be absorbed and leave on overnight. Use 2–3 times per week or as needed.

TRY THESE WITH IT

- **Nutricentials Celltrex Always Right Recovery Fluid**—lightweight, fast-absorbing serum featuring a smart HydraFlex Blend that provides more or less hydration depending on what your skin needs throughout the day.
- **Nutricentials Brighter Day Exfoliant Scrub**—leaves you with a smooth and bright complexion by removing dead skin cells and pore-blocking impurities.
- **Nu Skin Clay Pack**—uses natural kaolin and bentonite clay to draw out excess oil and pore-clogging impurities, leaving skin smooth and soft.

LEARN MORE ABOUT IT

What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties. When used on the skin, the special properties of these botanicals help your skin adapt to its changing and unique environment so that it can recover from—and gain resiliency to environmental stressors.

How is Nutricentials Pillow Glow Sleeping Mask different from a moisturizer?

Nutricentials Pillow Glow Sleeping Mask is meant to be used as the last step of your night time skin care routine to provide an extra boost of overnight hydration. The mask will get absorbed into your skin as you sleep, helping you look more rested and vibrant when you wake up the next morning.

Can I use Nutricentials Pillow Glow Sleeping Mask during the day?

You can, but Nutricentials Pillow Glow Sleeping Mask is specially designed to work best right before you go to sleep to complement your skin's natural night time recovery process. It refreshes and rejuvenates skin overnight, so you wake up to a hydrated glow in the morning.

How does Nutricentials support Nu Skin's commitment to become more sustainable?

The Nutricentials Pillow Glow Sleeping Mask jar is made from virgin polypropylene (PP) plastic. Please check your local capabilities and recycle the jar where possible.

Other Nutricentials product bottles are also made from 100% Post-Consumer Resin(PCR), and our tubes are made with 34-35% PCR for a combined savings of 57.5 tons of virgin plastic from being produced annually.* Plus, more than 90% of our palm ingredients are Roundtable on Sustainable Palm Oil (RSPO) sourced. You can further our sustainability efforts by recycling our packaging bottles, jars and cartons where possible. By purchasing Nutricentials, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us. Please visit www.nuskin.com/sustainability for more information.

*Based on 2021 global forecasts.

*Hydration was measured 15 minutes post-application using a Corneometer.
