

NU SKIN 180°[®] SKIN MIST

YOUNGER LOOKING SKIN IS JUST A WEEK AWAY

NU SKIN 180°[®] SYSTEM OVERVIEW

Your skin is telling you it's time to make a change. Decide today to look younger next week with Nu Skin 180°. Designed to reverse a range of aging effects, this system is clinically proven to refine texture, even skin tone, and diminish fine lines and wrinkles for an overall more youthful appearance.

PRODUCT OVERVIEW

Protect your skin's future. Featuring di- and tri-peptides from hydrolyzed rice protein, Nu Skin 180° Skin Mist protects against future wrinkling and loss of firmness. Mushroom extract refines and tightens pores as exclusive, soothing HMW complex calms and protects skin. Take your skin one step closer to a youthful looking complexion with Nu Skin 180° Skin Mist.

TARGET AUDIENCE

Men and women who want to diminish the appearance of fine lines and wrinkles, improve their skin tone and texture, and reverse the signs of sun damage.

PRODUCT BENEFITS

- Stimulates production of skin proteins to improve firmness and decrease the appearance of lines and wrinkles.
- Diminishes the appearance of pore size for a younger, more refined complexion.
- Reinforces your skin's ability to fight skin-aging environmental aggressors.
- Soothes and calms the skin, helping prevent skin aging caused by irritation.

KEY INGREDIENTS

- **Di- and tri-peptides**—derived from hydrolyzed rice protein, they improve firmness and help erase the appearance of lines and wrinkles.
- **Hypnea musciformis, mugwort, and willowherb extracts (HMW Complex)**—a Nu Skin® exclusive ingredient combination that works to soothe and calm the skin.
- **Mushroom (*Fomes officinalis*) extract**—helps diminish the visible size of pores.

USAGE

Use morning and night as the second step of the Nu Skin 180° System. Lightly spray Skin Mist on face and neck, avoiding the eye area.

MORNING REGIMEN

- STEP 1: Face Wash
STEP 2: Skin Mist
STEP 3: Cell Renewal Fluid
STEP 4: UV Block Hydrator SPF 18

EVENING REGIMEN

- STEP 1: Face Wash
STEP 2: Skin Mist
STEP 3: Cell Renewal Fluid
STEP 4: Night Complex

FYI

Comprised of hypnea musciformis, mugwort, and willowherb extracts, HMW complex is an exclusive Nu Skin® ingredient combination that works to help reduce the potential irritations sometimes associated with anti-aging ingredients. Hypnea musciformis extract is a tidal algae with calming characteristics and antioxidant properties. Often used to soothe poison oak injuries, mugwort extract is a tall, shrubby perennial that treats redness, stinging, and burning. Willow herb extract is a natural skin-soothing agent with strong skin-calming properties. Commonly called fireweed, it is usually the first plant to regrow after a fire destroys an area.

COMPLEMENTARY PRODUCTS

- **Nu Skin 180°[®] System**—designed to target cell renewal, this system reverses a range of aging effects.
- **Nu Skin 180° AHA Facial Peel and Neutralizer**—features 10 percent lactic acid to enhance cell renewal for improved texture, radiance, and pore size while it decreases the appearance of fine lines and wrinkles.

NU SKIN 180°® SKIN MIST

- **Tru Face® Essence Ultra**—The powerful science of Tru Face Essence Ultra helps restore facial firmness, promotes cellular energy production, and helps prevent future signs of aging.
- **Tru Face® Line Corrector**—features pro-collagen peptides that help soften moderate to deep lines around the mouth, eyes, and forehead.

FREQUENTLY ASKED QUESTIONS

How much Nu Skin 180° Skin Mist should I use?

We recommend that you apply Nu Skin 180° Skin Mist generously (five to seven sprays) to maximize the benefits of this product.

Can I use a cotton ball to apply Nu Skin 180° Skin Mist?

We do not recommend using a cotton ball to apply Nu Skin 180° Skin Mist. You should spray the mist directly onto the skin, then spread it evenly with your fingertips over your face.

How long should I wait after applying Skin Mist before applying Cell Renewal Fluid?

Nu Skin 180° Cell Renewal Fluid will be absorbed thoroughly and work more efficaciously if applied after Nu Skin 180° Skin Mist has dried.
