

FULL-MOISTURE SLEEPING MASK

LIGHTWEIGHT • EASILY ABSORBED • NON STICKY

PRODUCT OVERVIEW

Restore moisture and refresh skin troubled by environmental aggressors while you get your beauty sleep. Full-Moisture Sleeping Mask is a lightweight gel that helps restore moisture to your skin as you sleep.

BENEFITS AND FEATURES

Your skin works round the clock without rest even when you sleep. From 10pm to 2am, your skin enters the golden hours of its natural repair ability where beauty products applied during this time will be optimally absorbed with enhanced benefits. Its lightweight gel texture offers a protective film to help prevent moisture loss during the night. Full-Moisture Sleeping Mask provides optimum hydration throughout the night and helps to brighten the complexion.

KEY BENEFITS & FEATURES

- Optimum hydration
- Helps to brighten complexion
- Lightweight gel texture
- Easily absorbed and non-sticky
- Refreshing fragrance

KEY INGREDIENTS

Harness the moisturizing power of marine aquatic plants:

- Sea Daffodil (*Pancreatium Maritimum Extract*) helps to brighten complexion
- Oarweed (*Laminaria Digitata Extract*) helps minimize the appearance of wrinkles
- Green Algae (*Chlorella Vulgaris Extract*) helps refine and refresh skin

With added Sodium Hyaluronate to help achieve optimum hydration, help smoothen and soften skin.

USAGE/APPLICATION

Full-Moisture Sleeping Mask should be the last step in your skin care regimen at night.

1. Use after toner, essence and lotion
2. Lightly apply to the face and neck
3. Gently massage to help absorption
4. Leave on without washing off
5. Recommended use: Use daily at night or 3 nights a week

COMPLEMENTARY PRODUCTS

ageLOC® Galvanic Spa II

Treatments with Galvanic current can enhance delivery of anti-aging ingredients. Rejuvenate your complexion, revitalize your scalp and refine your body with the ageLOC Galvanic Spa patented self-adjusting currents and interchangeable conductors. Enjoy these professional spa treatments any time in the comforts of your own home.

ageLOC® LumiSpa

A first-of-its-kind dual-action skin care system that helps to deliver dramatic skin renewal and deep-cleansing in a single treatment.

Exfoliant Scrub

With natural marine diatoms (fossilized algae), Exfoliant Scrub gently, thoroughly, and evenly exfoliates skin, helps protect against the effects of pollution and harmful free radicals by sloughing off dead skin cells and reducing the amount of pollution particles on the skin.
