

 ageLOC me™

It's all about me.

IMAGINE ANTI-AGEING  
SKIN CARE AS INDIVIDUAL  
AS YOU ARE.

NOW IT CAN BE WITH  
STATE-OF-THE-ART  
TECHNOLOGY AND  
BREAKTHROUGH  
ANTI-AGEING  
FORMULATIONS.

Nu Skin has redefined skin care with ageLOC Me, an entirely new approach to anti-ageing. Featuring five powerful, cutting-edge products and one smart delivery device, ageLOC Me is anti-ageing skin care like you've never seen, felt, or imagined.

ageLOC Me eliminates the guesswork, making it easier to find the ideal anti-ageing skin care solution for you. Intuitive and engaging, the ageLOC Me skin assessment helps you determine your skin care needs through a series of questions concerning your environment, skin type, and preferences. Then, with our expertise in anti-ageing science innovation, we create a regimen that's just for you.

CUSTOMISED FOR YOU BY YOU.

# EXPERIENCE

ageLOC me™

ageLOC Me is about more than first-in-class, advanced anti-ageing skin care products. It's about a truly unique skin care experience—customised to YOU. Here's a look into the key features of Nu Skin's latest breakthrough, the ageLOC Me Skin Care System.

## Your Customised Assessment on the ageLOC Me app

### Who knows you better...you?

Take the ageLOC Me assessment to tell us about you, your skin, and your preferences. And we'll help you create the ideal skin care solution for you.

## Smart delivery—your way

The first-of-its-kind, proprietary ageLOC Me device delivers a precise dose of your customised products, morning and night.

The remaining dose tracker helps you know when to reorder.

Travel mode delivers your ageLOC Me products into the convenient travel container so you never have to leave home without them.

Daily reminders help you stick to your regimen.

24-hour or 12-hour clock formats let you customise your current time setting.

Semi-automatic and automatic modes let you customise your daily product delivery.

Lock mode lets you lock your device for easy transporting and keep others from using it.

30 language options help you customise your screen display.

## Change it Up

### Continued Customisation

Maybe you've found the ideal regimen for spring and summer, but want to change it up for fall and winter. Simply retake the assessment as often as you need to continue customising your regime.

## A Younger-Looking You

Your customised products are chosen from about 2,000 possible regimen combinations to create a regimen just for you. Featuring powerful ageLOC technology, ageLOC Me serums and moisturisers go beyond the signs of ageing to target the actual sources.

And because you customise the products based on your skin's needs, you'll know you're getting the results you want.
