WHAT'S **NU?**

We're so excited about all that's happening in the world of Nu Skin right now! We had a fabulous time in Hawaii celebrating the success of our top performing leaders. Our next trip is in Vietnam and there is still time to qualify, work hard so you can be there. **Set goals, plan, take action and achieve new heights for your business.**

We've also just come back from Nu Skin LIVE, our global convention. There we learnt about the next series of product innovation that will be coming. We were inspired to hear from successful Brand Representatives from all over the globe. We also heard from our Executives and company founders, who always remind us of the importance of the heart of the company – **being a Force for Good throughout the world by empowering people to improve lives.**

I know I came back from these events full of excitement and a cemented belief that we're part of something special here with Nu Skin. **We will bring some of this excitement around the Pacific at our upcoming Roadshow's.** Be sure to come along and bring some friends for a fun night with us as we explore our beautiful product range. We'll be showcasing our key products, including our Lumi and Galvanic which have given Nu Skin the title of the world's leading at home beauty device brand. **We have an opportunity that can offer so much to all and we want to share it with everyone.**

See you soon at our events!

JOHN HOBBY
General Manager, Pacific Region.

THE SCIENCE OF BEAUTY

ROADSHOW

THE SCIENCE OF BEAUTY ROADSHOWS - SKINCARE EDITION!

We are so excited about the Science of Beauty Roadshows. From the 12th until the 16th November we will be travelling to Auckland, Sydney, Wellington, Melbourne, Brisbane, Adelaide and Perth. These events are the perfect opportunity to immerse your guests into the world of Nu Skin. You and your guests will find out more about Nu Skin from our revolutionary products and science to our amazing opportunities and culture.

Don't miss Molly Nielsen, Technical Communications & Education Manager for Nu Skin Personal Care Research & Development share her expertise on the science behind the ageLOC Galvanic Spa, ageLOC Nutriol System and much more. Tickets are still available! **Purchase today so you don't miss out!**
