My Nu Skin App Update

The My Nu Skin App will no longer be supported following March 30, 2023. This means that the app will no longer receive updates or be available to download after March 31, 2023.

It's time to transition away from our legacy app and level up with Nu Skin Stela. Our latest one-stop-business-management app is designed to help you manage your Nu Skin business from the palm of your hand and to create the best experiences possible. We're focusing our efforts on continually enhancing this exciting new digital tool.

Stela already features many **powerful functions** you know and love including:

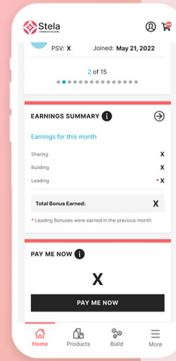

Volumes and Genealogy

View and manage your team's progress and get all the information you'll need on your customers and your business.

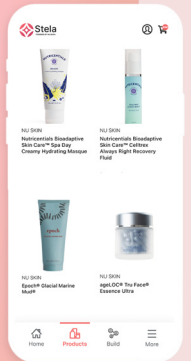

Track and Manage Your Earnings

Get easy access to all bonus and earnings information.

Product catalogue

Browse the product catalogue and check the availability of products in your area.

Plus, here's a look at some features we plan on adding early this year:

- Product Sales
- Push Notifications
- Commission Statements
- Awards
- Vera Invite
- Goal Setting
- Leaderboards
- And so much more!
