

# Nu Skin 180°<sup>®</sup> AHA Facial Peel and Neutralizer

REVITALISE YOUR YOUTHFUL LOOK WITH  
HYDROXY ACIDS

## NU SKIN 180°<sup>®</sup> SYSTEM OVERVIEW

Your skin is telling you it's time to make a change. Decide today to look younger next week with Nu Skin 180°. Designed to reverse a range of ageing effects, this system is clinically proven to refine texture, even skin tone, and diminish fine lines and wrinkles for an overall more youthful appearance.

## PRODUCT OVERVIEW

A dramatic way to turn your complexion around. Wipe away dull, aged skin in minutes with Nu Skin 180° AHA Facial Peel and Neutralizer and discover a smoother, younger look. Utilizing a 10 percent lactic acid solution, this scientifically proven formula sweeps away the appearance of ageing and sun damage without the recovery time required by aggressive clinical peels. Effective alone or as part of your Nu Skin 180° System, the AHAs in this powerful facial peel help promote youthful skin cell renewal and reduce the look of lines and wrinkles. The benefits of Nu Skin 180° AHA Facial Peel will get your skin noticed.

## TARGET AUDIENCE

Men and women who want to diminish the appearance of fine lines and wrinkles, improve their skin tone and texture, and reverse the signs of sun damage.

## PRODUCT BENEFITS

- Promotes youthful skin cell renewal.
- AHAs help diminish the look of visible lines and wrinkles.
- Chemically exfoliates to lighten the appearance of surface discoloration.
- Smooths skin texture.

## KEY INGREDIENTS

AHA FACIAL PEEL (STEP 1):

- **Lactic acid**—this aggressive alphanhydroxy acid promotes

youthful skin cell renewal and breaks apart dead cell buildup. Chemical exfoliation works to diminish the appearance of lines and wrinkles, improve texture, and reduce the appearance of pores.

AHA FACIAL PEEL NEUTRALIZER (STEP 2):

- **Avena sativa (oat) kernel extract**—rich in the antioxidant compound avenanthramides, this extract exhibits exceptional calming properties that soothe the skin and reduce topical sensitivity.

## USAGE

Use in place of the 180° Cell Renewal Fluid three times weekly after cleansing and toning. Gently swipe one AHA Facial Peel pad over face and neck, avoiding the eye area. Allow solution to remain on the face for at least 10 minutes, then gently swipe one AHA Facial Peel Neutralizer pad over face. Follow with your Nu Skin® daily moisturizer.

**PLEASE NOTE:** a mild stinging sensation may occur with application, which is normal. However, if irritation persists, rinse your face with warm water.

### Morning Regimen

- Step 1: Face Wash
- Step 2: Skin Mist
- Step 3: Cell Renewal Fluid
- Step 4: UV Block Hydrator

### Evening Regimen

- Step 1: Face Wash
- Step 2: Skin Mist
- Step 3: Cell Renewal Fluid or AHA Facial Peel and Neutralizer (3x weekly)
- Step 4: Night Complex

**SUNBURN ALERT:** This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterwards.

# Nu Skin 180°<sup>®</sup> AHA Facial Peel and Neutralizer

## FYI

The hydroxy acid concentration of a product does not necessarily reflect optimum efficacy. The true measure of hydroxy acid efficacy is its free acid content. Published scientific literature demonstrates that most hydroxy acid benefits are directly related to high free acid levels, and the free acid content is dramatically affected by the pH level of the product—the lower the pH, the higher the free acid content. For example, a product containing 10 percent hydroxy acid at a pH of 5.5 has less than 1 percent free acid. Reducing the pH level to 4.5 increases the free acid to 3 percent. Nu Skin 180° AHA Facial Peel and Neutralizer contains 10 percent hydroxy acid at a pH of 3.5, delivering a free acid level of 8 percent.

## COMPLEMENTARY PRODUCTS

- **Nu Skin 180° System**—clinically proven to refine texture, even skin tone, and diminish the appearance of fine lines and wrinkles for an overall more youthful appearance.
- **ageLOC Tru Face® Essence Ultra**—The powerful science of ageLOC Tru Face Essence Ultra helps restore facial firmness, provides benefits of CoQ10, helps protect against skin-ageing free radicals, and targets sources of ageing.
- **Tru Face® Line Corrector**—helps soften the appearance of lines and wrinkles around the mouth, eyes, and forehead.

## FREQUENTLY ASKED QUESTIONS

### Can I use Nu Skin 180° AHA Facial Peel and Neutralizer with other systems or products?

AHA Facial Peel and Neutralizer can be used with any system or product except an exfoliating formula like ageLOC® Future Serum, which may cause sensitivity in some skin types. Please

note: some individuals have experienced irritation on the neck. If this occurs, rinse the skin after AHA Facial Peel Neutralizer has dried and use only once per week.

### Do I have to use Nu Skin 180° AHA Facial Peel with the Neutralizer?

Nu Skin 180° AHA Facial Peel and Neutralizer were formulated to be used together. Not using both products may result in unnecessary irritation or diminish product benefits.

## INGREDIENTS

### AHA Facial Peel (Step 1):

Water (Aqua), Lactic Acid, Sodium Lactate, Betaine, Pentylene Glycol, Arginine, Aloe Barbadensis Leaf Juice, Panthenol, Tetrasodium EDTA, Benzoic Acid.

### AHA Neutralizer (Step 2):

Water (Aqua), Arginine, Glycerin, Avena Sativa (Oat) Kernel Extract, Aloe Barbadensis Leaf Juice, Panthenol, Dipotassium Glycyrrhizate, Allantoin, Dimethicone PEG-8 Meadowfoamate, Butylene Glycol Glycyrrhizate, Citric Acid, Disodium EDTA, Phenoxyethanol, Chlorphenesin, Ethylparaben, Propylparaben.
