

# Exfoliant Scrub Extra Gentle

## PRODUCT OVERVIEW

Exfoliant Scrub Extra Gentle is an exfoliator that uses natural marine diatoms to gently smooth the skin's surface.

## CONCEPT

Reveal smooth, even skin through gentle exfoliation. With natural marine diatoms (fossilised algae), Exfoliant Scrub gently smooths the skin's surface by releasing dead cell build-up and pore-blocking impurities. Use twice a week after cleansing and toning for a more radiant complexion. Great for sensitive skin.

## TARGET AUDIENCE

Men and Women who want gentle exfoliant.

## PRODUCT CLAIMS

- Contains natural exfoliating diatoms that are derived from marine phytoplankton to gently, thoroughly, and evenly exfoliate the skin's surface.
- Removes pore-blocking elements without stripping away moisture so skin doesn't feel dry.

## KEY INGREDIENTS

- **Natural marine diatoms (fossilised algae)**—gently and evenly exfoliate skin.

## USAGE/APPLICATION

Apply with a rotating motion to face and neck for about 30 seconds. Thoroughly rinse with warm water. Follow with treatment, and the Nu Skin® moisturiser of your choice.

## FYI

- When your skin looks dull or lifeless, it's a sign that you need to exfoliate on a regular basis. Exfoliation speeds up the process of the constant shedding of the stratum corneum—the top layer of the epidermis—making your skin look and feel more smooth and radiant.

- If you exfoliate too often, you will notice the "glow" that you used to get will disappear, and you'll feel you have to exfoliate more to attain this. If your skin reaches this point, it's best to let it rest for a few weeks, then resume a less vigorous regimen. Twice a week is ample for most complexions.

## COMPLEMENTARY PRODUCTS

REGIMEN FOR COMBINATION TO OILY SKIN:

- **Pure Cleansing Gel**—features papain to deep clean skin and free pores of oil, dead cells, makeup, and pollution.
- **pH Balance Mattefying Toner**—contains powerful antioxidants from polyphenol-rich strawberry extract to help refine your complexion.
- **Moisture Restore Day Protective Mattefying Lotion SPF 15 Combination to Oily Skin**—features colorless carotenoids to help shield skin from ageing UVA and UVB damage.
- **Night Supply Nourishing Cream**—features phosphatidylcholine lipids to help restore flexibility and resiliency to skin.

FOR ALL SKIN TYPES:

- **Intensive Eye Complex**—fortifies the skin's natural ability to absorb and retain moisture, instantly softening the appearance of fine lines and wrinkles around the eyes to reflect a more youthful, vibrant appearance.
- **Nu Skin 180® Anti-Ageing Skin Therapy System**—brings together powerful, scientifically validated ingredients to target the multiple factors involved in skin ageing.

## FREQUENTLY ASKED QUESTIONS

### Is there anyone who should not use Exfoliant Scrub?

People who have moderate to severe acne or who are using the entire Nu Skin 180® System should not use Exfoliant Scrub.

# Exfoliant Scrub Extra Gentle

## How does Exfoliant Scrub exfoliate the skin?

Exfoliant Scrub contains diatoms that are derived from marine phytoplankton. Extremely fine, diatoms give under pressure so they exfoliate without scratching the skin's surface.

## Which skin types should use Exfoliant Scrub?

Exfoliant Scrub is great for all skin types.

## Can I use Exfoliant Scrub daily?

Exfoliant Scrub is gentle enough to use every day. However, we recommend using Exfoliant Scrub twice a week. Additional care should be exercised when chemical exfoliators, masks, and other spa products are used within the same weekly regimen.
