ASK THE EXPERT*

Q: How do I change my ADR?

A: The easiest way to change your ADR is online, simply log into your account and go to “**My Account**” under the ADR tab (available 1st May). See what you can now change online:

- Shipment date
- Products
- Ship-to address
- Payment method
- Product point orders

Q: How does phone ADR differ from online ADR?

A: The difference between a phone ADR and an online ADR is the shipping fee. ADR management online incurs no additional shipping & handling fee and the reduced standard rate will apply. ADR management over the phone will incur an additional shipping & handling fee that will be the same as a regular phone order.

Q: What can be managed online?

A: Every aspect of your ADR can be managed online. You can change the payment method, addresses, place an override, and use points.

Q: How do I redeem Product Points?

A: Simply go online and visit our NEW Point Redemption Centre under the ADR tab.
